Prizing Children's Literature Kenneth B. Kidd,Joseph T. Thomas Jr.,2016-11-10 Children s book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children s book awards

scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children s book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best Animated Feature Oscar the Phoenix Award and the John Newbery Medal giving due attention to prizes for fiction as well as for non fiction poetry and film This volume will interest scholars in literary and cultural studies social history book history sociology education library and information science and anyone concerned with children s literature

Collecting for the Curriculum Amy J. Catalano, 2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials

Horror Literature and Dark Fantasy Mark A. Fabrizio, 2018-05-16 Horror Literature and Dark Fantasy Challenging Genres is a collection of scholarly essays intended to address the parent whose unreasoning opposition to horror entails its removal from a school curriculum the school administrator who sees little or no redeeming literary value in horror and the teacher who wants to use horror to teach critical literacy skills but does not know how to do so effectively The essays herein are intended to offer opportunities for teachers in secondary schools and higher education to enrich their classes through a non canonical approach to literary study This book is a deliberate attempt to enlarge the conversation surrounding works of horror and argue for their inclusion into school curricula to teach students critical literacy skills **The Devil You Know** Trish Doller, 2015-06-02 From critically acclaimed author Trish Doller comes a powerful new psychological page turner perfect for fans of Lauren Oliver and Sara Zarr Eighteen year old Arcadia wants adventure Living in a tiny Florida town with her dad and four year old brother Cadie spends most of her time working going to school and taking care of her family So when she meets two handsome cousins at a campfire party she finally has a chance for fun They invite her and friend to join them on a road trip and it s just the risk she s been craving the opportunity to escape But what starts out as a fun sexy journey quickly becomes dangerous when she discovers that one of them is not at all who he claims to be One of them has deadly intentions A road trip fling turns terrifying in this contemporary story that will keep readers on the edge of their seats

Mental Illness in Young Adult Literature Kia Jane Richmond, 2018-12-07 This book explores how mental illness is portrayed in 21st century young adult fiction and how selected works can help teachers librarians and mental health professionals to more effectively address the needs of students combating mental illness Mental Illness in Young Adult Literature Exploring Real Struggles through Fictional Characters highlights American young adult literature published since the year 2000 that features characters grappling with mental illness Chapters focus on mental disorders identified by the most recent Diagnostic and Statistical Manual of Mental Disorders DSM 5 including anxiety depression bipolar disorder schizophrenia ADHD and OCD Each chapter begins with a description of a mental illness that includes its prevalence demographic trends symptoms related disorders and treatment options before examining a selection of young adult texts in depth Analysis of the texts explores how a mental illness manifests for a particular character how that character perceives him or herself and is perceived by others and what treatment or support he or she receives The connections between mental illness and race ethnicity gender sexuality and identity are examined and relevant research from education psychology and adolescent health is thoroughly integrated Each chapter also provides a list of additional readings An appendix offers strategies for integrating young adult literature into health curricula and other programs **Listening to Learn** Sharon Grover, Lizette D. Hannegan, 2012 Audiobooks not only present excellent opportunities to engage the attention of young people but also advance literacy Learn how the format can support national learning standards and literacy skills in the K 12 curricula Find Your Feet (The 8 Things I Wish I'd Known Before I Left High School) Rebecca Sparrow, 2014-04-01 From
