in partnership with

September 2023

During the global COVID-19 pandemic, Africa Centres for Disease Control and Prevention (Africa CDC) and the Mastercard Foundation partnered to save the lives and livelihoods of millions of people and hasten the economic recovery of the African continent.

Saving Lives and Livelihoods initiative is a \$1.5 billion initiative that addressed the urgency to purchase COVID-19 vaccines, support the delivery and administering of vaccines to millions more, as well as strengthen the healthcare system in the longer-term, to ensure Member States have the capacity to response to future pandemics and ensure Africa's health security.

The World Health Organization (WHO) recently declared the end of COVID-19 as a public health emergency. In line with this transition from the acute phase of the pandemic, Africa CDC is leading the charge to integrate COVID-19 vaccinations into routine immunization programs. Prioritizing specific groups – health care workers, the elderly, and those who have underlying illnesses – to ensure they are fully vaccinated.
