Saving Childhood Protecting Our Children From The National Assault On Innocence:

Saving Childhood Michael Medved, Diane Medved, 1998-08-26 In *Saving Childhood* cultural critic Michael Medved and his wife psychologist Diane Medved provide positive and practical strategies for parents who struggle every day with a society that seems perversely determined to frighten and corrupt its young. They explore and explain today's assault on innocence which now menaces our children from four directions: the media, schools, peers, and most destructively, parents themselves. This book provides both general and detailed suggestions on how to overcome each of these influences and give our children the most precious gift of all: a secure, hopeful, and protected childhood. The Medveds argue that the destruction of innocence among today's young arises from the good intentions of some of the most enlightened elements in this society who believe we must warn children about rather than protect them from the harsh facts of a cruel and often violent world. But *Saving Childhood* provides powerful evidence that a healthy society and the psychological health of each individual requires a period of nourishing and sheltering in order to instill confidence and security in each new generation. In this vital wake-up call, the Medveds provide a clear, practical, and uplifting blueprint for rescuing the enchantment of youth. They suggest that rather than stressing danger and despair to our children, we should emphasize gratitude, clear standards of behavior with predictable results, and a sense of home as sanctuary. Both shocking and hopeful, *Saving Childhood* empowers parents to restore the key elements of childhood: innocence, security, a sense of wonder, and optimism that should be honored as the precious birthright of every American child.

Saving childhood : protecting our children from the national assault on innocence Michael ; Medved, Diane (Diane), 1998 **Yiddishe Mamas** Marnie Winston-Macauley, 2007-03 The Jewish mother feels her job isn't done even after death. You're never too dead to be a Jewish mother. Mallory Lewis, daughter of Shari Lewis. What do Steven Spielberg, Woody Allen, Barbra Streisand, Jon Stewart, Bette Midler, and Natalie Portman have in common with this book? A Jewish mother. Is there such a thing as a Jewish mother? And if so, who is she? For the first time, best-selling Jewish author and humorist Marnie Winston Macauley examines all aspects of the Jewish mother. Chronicling biblical Jewish mothers to modern-day Yentls, she creates a compendium using celebrity interviews, anecdotes, humor, and scholarly sources to answer these questions with truth and humor. Contributors to the book range from Dr. Ruth Gruber and Rabbi Bonnie Koppel to Jackie Mason, Amy Borkowsky, John Stossel, Lainie Kazan, and more. The definitive source on Jewish mothers. Eileen Warshaw, Ph.D., executive director of the Jewish Heritage Center of the Southwest. *Set Free Childhood* Martin Large, 2003 Children watch TV and use computers for five hours daily on average. But electronic media demands conflict with the needs of children. The result: record levels of learning difficulties, obesity, eating disorders, sleep problems, language delay, aggressive behaviour, anxiety, and children on fast forward. *Set Free Childhood* shows how to counter screen culture and create a calmer, more enjoyable family life. *Our Voices* Amanda Johnson, 2009-10-01 What are the key issues facing black women in America today? Does God's Word offer guidance in how to navigate the realities and difficulties posed by those

issues After surveying black women across America to determine which topics are heaviest on their hearts the authors of Our Voices present a very personal and practical overview Ten women share with the reader their journeys and what they have learned from God's Word about His perspective on key issues facing them as black women This book provides a powerful challenge to the reader to walk in obedience to God's Word amid a culture that is bent on rebellion and that beckons us to do likewise
