Saving Christianity From Empire:

Saving Christianity From Empire Jack Nelson-Pallmeyer, 2005-02-08 Nelson Pallmeyer calls into question the imperialistic tendencies of the United States using the life of Jesus to offer a critique of such tendencies [Reviews in Theology and Mission](#) , [The Church in the Time of Empire](#) David Woodyard, 2011-12-16 Literature abounds on the nature of empire and the ways in which America embodies it As a nation we have rigorously attempted to define the reality in which other peoples live One could think of empire as jurisdiction without boundaries As the nation that got right we have an obligation to impose our social political and economic orders on other nations Several decades of perpetual wars document that Unfortunately religious legitimation is prominent and persistent We designate ourselves as the biblical city on a hill an indispensable nation and even God's chosen people This echoes in the declaration of President George W Bush that God wanted me to bomb Iraq What is missing in the literature is centering the issue in the life and mission of the church Has the church been a co conspirator in the authorization of the American empire Has the church an obligation to terminate the symbol lending that anoints empire with holy water Is scripture a warrant for seeing the biblical people as a community of perpetual resistance Can the sacraments be instrumental in establishing opposition to empire Can the church be Rome in reverse [Christian America and the Kingdom of God](#) Richard T. Hughes, Christina Littlefield, 2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda Richard T Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible's words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work *Christian America and the Kingdom of God* spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation **Universal Salvation in Late Antiquity** Archbishop Michael Bland

Simmons, 2015-04-28 This study offers an in depth examination of Porphyrian soteriology or the concept of the salvation of the soul in the thought of Porphyry of Tyre whose significance for late antique thought is immense Porphyry's concept of salvation is important for an understanding of those cataclysmic forces not always theological that helped convert the Roman Empire from paganism to Christianity Porphyry a disciple of Plotinus was the last and greatest anti Christian writer to vehemently attack the Church before the Constantinian revolution His contribution to the pagan Christian debate on universalism can thus shed light on the failure of paganism and the triumph of Christianity in late antiquity In a broader historical and cultural context this study will address some of the issues central to the debate on universalism in which Porphyry was passionately involved and which was becoming increasingly significant during the unprecedented series of economic cultural political and military crises of the third century As the author will argue Porphyry may have failed to find

one way of salvation for all humanity he nonetheless arrived a hierarchical soteriology something natural for a Neoplatonist which resulted in an integrative religious and philosophical system His system is examined in the context of other developing ideologies of universalism during a period of unprecedented imperial crises which were used by the emperors as an agent of political and religious unification Christianity finally triumphed over its competitors owing to its being perceived to be the only universal salvation cult that was capable of bringing about this unification In short it won due to its unique universalist soteriology By examining a rival to Christianity s concept of universal salvation this book will be valuable to students and scholars of ancient philosophy patristics church history and late antiquity **The Arrogance of Nations, paperback**

edition Neil Elliott,2010 Elliott offers a fresh and surprising reinterpretation of Paul s letter to the Romans in the context of Roman imperial ideology bringing to the text the latest insights from classical studies rhetorical criticism postcolonial criticism and people s history By setting the letter alongside Roman texts Cicero Virgil the Res Gestae of Augustus Seneca poets from the age of Nero as well as later historians and satirists Elliott provides a dramatic new reading of the letter as Paul s confrontation with the arrogance of empire and an emerging Christianity already tempted by the seductive ideology of imperial power A Palestinian Christian Cry for Reconciliation Naim Stifan Ateek,2008 From the text The background is

clear Jerusalem has been conquered and re conquered more than 37 times The latest conquest in 1967 was by the Israeli army After the war Israel took in not only the 5 square kilometers of Arab East Jerusalem but also 65 square kilometers of surrounding open country and villages most of which never had any municipal link to Jerusalem Overnight they became part of Israel s eternal and indivisible capital The history of Jerusalem has been written with blood The first part of this sequel to Justice and Only Justice focuses on events since the Intifada of 1987 including the violence that has come from Israel s aggression and from the use of suicide bombers by Palestinians The second part of the book draws on scripture lifting up biblical figures such as Samson Jonah Daniel and Jesus as it examines issues of ownership of the land In the final section Ateek presents a strategy to achieve peace and justice nonviolently that will promote justice for the Palestinians and security for both Israel and Palestine **BOOK JACKET Preaching the Sermon on Themount , Walk Humbly with the Lord**

Viggo Mortensen,Andreas Osterund Nielsen,2010-12-17 In June of 1910 delegates gathered in Edinburgh for the first World Missionary Conference One hundred years later the 2010 Church and Mission in a Multireligious Third Millennium conference sought to reconcile a century of seismic shifts in the worldwide landscape of the church with its ongoing mandate to make disciples of all nations Arising out of that recent conference Walk Humbly with the Lord presents a broad multinational spectrum of contemporary approaches to both theology and missiology Recognizing that the old Western notion of Christendom which formed the cultural backdrop of Edinburgh 1910 is now long obsolete the book s twenty seven forward thinking contributors respond to globalization and the enormous growth of religious pluralism worldwide offering reflections on the future of missiology and the relationship of church and mission Together they speculate about the possible shape of

Christianity in a multireligious age as God works out new and unforeseen schemes in the reconciliation of the world I wish I could have been at the conference from which this book comes Viggo Mortensen and Andreas Nielsen have assembled a marvelous collection of reflections on mission that will be especially helpful to Christians committed to living faithfully and missionally in today's pluralistic world If a new postsecular reality is emerging as some are saying these essays will help the church be a sign of hope and stability in such a new age Stephen Bevans SVD Catholic Theological Union Chicago [The Complete Infidel's Guide to Iran](#) Robert Spencer,2016-07-11 Our Most Dangerous Enemy Think it's ISIS Think again Iran is the terrorist powerhouse of the world made all the more dangerous by the disastrous nuclear deal that restricts Iran's nuclear ambitions hardly at all The Iranian government is an open enemy of the United States and of anyone who dissents from Shia Islam Iran confronts U S Navy ships in the Persian Gulf on a near daily basis It executes more of its citizens than any other nation It is a country torn by hypocrisy lectured by mullahs and with brutally enforced Islamic religious laws but rife with alcoholism Once America's ally Iran now claims leadership of the global jihad and the ayatollahs aim is nothing less than world conquest for Islam In his extraordinary new book The Complete Infidel's Guide to Iran New York Times bestselling author Robert Spencer reveals How the Iranian nuclear deal is sheer capitulation to the mullahs allowing Iran to inspect its own facilities and pursue nuclear weapons Iran's long standing support for terrorists including shocking evidence that Iran helped plan the 9/11 attacks Why Iran wants nuclear weapons clue it's not about deterrence American diplomatic folly why the Obama administration has grossly underestimated the Iranian threat A new grand strategy how Iran's Shi'ite terrorism might be contained and its threat to the United States reduced The Islamic Republic is already at war with America If we refuse to recognize that fact we are only falling prey to the mullahs campaign of duplicity The Complete Infidel's Guide to Iran exposes the true nature of the threat lays out what America must do to defeat it and gives you all the information you need about America's least understood yet potentially most lethal foe [Spaces of Security and Insecurity](#) Alan Ingram,2016-04-01 Drawing on critical geopolitics and related strands of social theory this book combines new case studies with theoretical and methodological reflections on the geographical analysis of security and insecurity It brings together a mixture of early career and more established scholars and interprets security and the war on terror across a number of domains including international law religion migration development diaspora art nature and social movements At a time when powerful projects of globalization and security continue to extend their reach over an increasingly wide circle of people and places the book demonstrates the relevance of critical geographical imaginations to an interrogation of the present

Between Babel and Beast Peter J. Leithart,2012-07-06 The United States is one of history's great Christian nations but our unique history success and global impact have seduced us into believing we are something more God's New Israel the new order of the ages the last best hope of mankind a redeemer nation Using the subtle categories that arise from biblical narrative Between Babel and Beast analyzes how the heresy of Americanism inspired America's rise to hegemony while

blinding American Christians to our failures and abuses of power The book demonstrates that the church best serves the genuine good of the United States by training witnesses martyr citizens of God s Abrahamic empire *Christian Unity* Committee on the War and the Religious Outlook,1921 **The Encyclopædia Britannica** James Louis Garvin, Franklin Henry Hooper, Warren Earle Cox,1929 *How Jesus Saves the World from Us* Morgan Guyton,2016-04-01 Christianity has always been about being saved But today what Christians need saving from most is the toxic understanding of salvation we ve received through bad theology The loudest voices in Christianity today sound exactly like the religious authorities who crucified Jesus This is a book for Christians who are troubled by what we ve become and who want Jesus to save us from the toxic behaviors and attitudes we ve embraced Each of the 12 chapters proposes an antidote for the toxicity that has infiltrated Christian culture such as Worship not Performance Temple not Program and Solidarity not Sanctimony Each chapter includes thought provoking discussion questions perfect for individual or group study There are many reasons to lose hope about the state of our world and our church but Guyton offers one piece of good news Jesus is saving the world from us one Christian at a time *The Super Summary of World History Revised* Alan Dale Daniel BA MBA JD,2008-10-20 The Super Summary of World History is a very compact history of the world emphasizing western culture and political processes The Super Summary is for the thinking person This new history raises exciting questions and puts events into new perspectives to stimulate real thinking about history rather than accepting that the past is set in stone History isn t just names and dates but a range of decisions and actions that often turn on the smallest circumstance The Super Summary analyzes a few events in depth but most are put into their historical framework so the reader can discern where and how all of this action escorts us to the present day If history seems dull pick up The Super Summary to discover that Western History is alive with controversy and consequence **Christianity and International Law** Pamela Slotte,John D. Haskell,2021-05-20 This volume offers a many sided introduction to the theme of Christianity and international law Using a historical and contemporary perspective it will appeal to readers interested in key topics of international law and how they intersect with Christianity *Why Mr. Bertrand Russell is Not a Christian* Herbert George Wood,1928 *Empires in World History* Jane Burbank,Frederick Cooper,2021-05-11 How empires have used diversity to shape the world order for more than two millennia Empires vast states of territories and peoples united by force and ambition have dominated the political landscape for more than two millennia Empires in World History departs from conventional European and nation centered perspectives to take a remarkable look at how empires relied on diversity to shape the global order Beginning with ancient Rome and China and continuing across Asia Europe the Americas and Africa Jane Burbank and Frederick Cooper examine empires conquests rivalries and strategies of domination with an emphasis on how empires accommodated created and manipulated differences among populations Burbank and Cooper examine Rome and China from the third century BCE empires that sustained state power for centuries They delve into the militant monotheism of Byzantium the Islamic Caliphates and the

short lived Carolingians as well as the pragmatically tolerant rule of the Mongols and Ottomans who combined religious protection with the politics of loyalty Burbank and Cooper discuss the influence of empire on capitalism and popular sovereignty the limitations and instability of Europe s colonial projects Russia s repertoire of exploitation and differentiation as well as the empire of liberty devised by American revolutionaries and later extended across a continent and beyond With its investigation into the relationship between diversity and imperial states Empires in World History offers a fresh approach to understanding the impact of empires on the past and present

Saving Christianity From Empire Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Saving Christianity From Empire free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Saving Christianity From Empire free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Saving Christianity From Empire free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Saving Christianity From Empire. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Saving Christianity From Empire any PDF files. With these platforms, the world of PDF downloads is just a click away.
