Saving Silverman:

Neil Diamond Laura Jackson, 2005 Annotation Neil Diamond writer and singer of some of the most memorable songs in history is the focus of this biography that looks beyond his glittering legend Readers learn of his intriguing blend of contradictions a charismatic and engaging live performer he was deeply introspective offstage and prone to bouts of crippling self doubt From his childhood struggle to get out of Brooklyn through five decades of global stardom this book marries his personal history with his public persona **Saving Silverman** Greg DePaul, Hank Nelken, 1999 **Saving Silverman** Greg DePaul, Hank Nelken, 2001 He Is I Say David Wild, 2010-08 A portrait of Neil Diamond and what he means to his fans told by a journalist who has interviewed the Jewish American Elvis *Roger Ebert's Movie Yearbook 2003* Roger Ebert, 2002-12-02 Every single new Ebert review ReelViews James Berardinelli, 2003 The popular film critic offers full length reviews of his choices for the best one thousand movies from the 1990s to today **SPIN**, 2003-11 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks *The New Jew in Film* Nathan Abrams, 2012-03-12 Jewish film characters have existed almost as long as the medium itself But around 1990 films about Jews and their representation in cinema multiplied and took on new forms marking a significant departure from the past With a fresh generation of Jewish filmmakers writers and actors at work contemporary cinemas have been depicting a multiplicity of new variants including tough Jews brutish Jews gay and lesbian Jews Jewish cowboys skinheads and superheroes and even Jews in space *The New Jew in Film* is grounded in the study of over three hundred films from Hollywood and beyond Nathan Abrams explores these new and changing depictions of Jews Jewishness and Judaism providing a wider more representative picture of this transformation In this compelling surprising and provocative book chapters explore masculinity femininity passivity agency and religion in addition to a departure into new territory including bathrooms and food Abrams's concern is to reveal how the representation of the Jew is used to convey confidence or anxieties about Jewish identity and history as well as questions of racial sexual and gender politics In doing so he provides a welcome overview of important Jewish films produced globally over the past twenty years Where the Boys Are Frances Gateward, Murray Pomerance, 2005-01-18 Using the most current and diverse critical methods *Where the Boys Are* is a crucial resource for film scholars and students at any level and is the perfect companion to Gateward and Pomerance's *Sugar Spice and Everything Nice* *Cinemas of Girlhood* Wayne State University Press 2002 Dirty! Dirty! Dirty! Mike Edison, 2011-11-01 A wild and uncompromising history of four infamous magazines and the outlaws behind them *Dirty Dirty Dirty* is the first book to rip the sheet off of the sleazy myth making machine of Hugh Hefner and Playboy and reveal the

doomed history of Hefner's arch rival Penthouse founder Bob Guccione whose messiah complex and heedless spending on a legendary flop of a movie paid for with bags of cash a porn magazine for women and a pie in the sky scheme for a portable nuclear reactor fueled the greatest riches to rags story ever told The adventure begins in the early 1950s and rips through the tumultuous 60s and 70s when Hustler's Larry Flynt and Screw's Al Goldstein were arrested dozens of times recklessly pushing the boundaries of free speech attacking politicians and putting unapologetic filth front and center through the 1990s when a sexed up culture high on the Internet finally killed the era when men looked for satisfaction in the centerfold As America goes so goes it's porn Along the way we meet many unexpected heroes John Lennon Lenny Bruce Helen Gurley Brown and the staff of Mad magazine among them and villains from Richard Nixon and the Moral Majority to Hugh Hefner himself whose legacy we learn is built on a self-perpetuated lie

God on the Big Screen Terry Lindvall, 2019-08-13 Links film history with church history over the past century illuminating America's broader relationship with religious currents over time Moments of prayer have been represented in Hollywood movies since the silent era appearing unexpectedly in films as diverse as Rebecca of Sunnybrook Farm Frankenstein Amistad Easy Rider Talladega Nights and Alien 3 as well as in religiously inspired classics such as Ben Hur and The Ten Commandments Here Terry Lindvall examines how films have reflected and sometimes sought to prescribe ideas about how one ought to pray He surveys the landscape of those films that employ prayer in their narratives beginning with the silent era and moving through the uplifting and inspirational movies of the Great Depression and World War II the cynical anti-establishment films of the 60s and 70s and the sci-fi and fantasy blockbusters of today Lindvall considers how the presentation of cinematic prayer varies across race age and gender and places the use of prayer in film in historical context shedding light on the religious currents at play during those time periods God on the Big Screen demonstrates that the way prayer is presented in film during each historical period tells us a great deal about America's broader relationship with religion

Lake Redstone J.D. Hollyfield, 2019-07-20 Casey doesn't have much luck in the dating department so when her girlfriends ditch their girls-only weekend for a couple's retreat she's forced to take desperate measures Refusing to be the only single one she does what any quick-thinking girl would do She lies It was almost too easy hiring a stranger to pretend to be her hot rich successful boyfriend What she didn't plan on was him being hot successful and way too much trouble for her liking Jim was in a slump in his everyday life He was bored and needed something to spice up his life Accepting a gig to play the perfect boy toy was not what he had in mind but it was too good to turn down What he didn't plan for was the smokin' little spitfire who hired him It's a con a job a fraud But the more she's in his presence the more he realizes she may be more than just a ruse Three days at a lake house Two strangers who cause a lot of mayhem One little lie

Your Movie Sucks Roger Ebert, 2007-03-01 A collection of some of the Pulitzer Prize-winning film critic's most scathing reviews from Alex Emma to the remake of Yours Mine and Ours From Roger's review of Deuce Bigalow European Gigolo 0 stars The movie created a spot of controversy in February 2005 According to a story by Larry Carroll of

MTV News Rob Schneider took offense when Patrick Goldstein of the Los Angeles Times listed this year's Best Picture nominees and wrote that they were ignored, unloved and turned down flat by most of the same studios that bankroll hundreds of sequels including a follow up to Deuce Bigalow Male Gigolo a film that was sadly overlooked at Oscar time because apparently nobody had the foresight to invent a category for Best Running Penis Joke Delivered by a Third Rate Comic. Schneider retaliated by attacking Goldstein in full page ads in Daily Variety and the Hollywood Reporter. In an open letter to Goldstein, Schneider wrote: Well Mr Goldstein I decided to do some research to find out what awards you have won. I went online and found that you have won nothing. Absolutely nothing. No journalistic awards of any kind. Maybe you didn't win a Pulitzer Prize because they haven't invented a category for Best Third Rate Unfunny Pompous Reporter Who's Never Been Acknowledged by His Peers. Schneider was nominated for a 2000 Razzie Award for Worst Supporting Actor but lost to Jar Jar Binks. But Schneider is correct and Patrick Goldstein has not yet won a Pulitzer Prize. Therefore Goldstein is not qualified to complain that Columbia financed Deuce Bigalow European Gigolo while passing on the opportunity to participate in Million Dollar Baby, Ray, The Aviator, Sideways and Finding Neverland. As chance would have it I have won the Pulitzer Prize and so I am qualified. Speaking in my official capacity as a Pulitzer Prize winner Mr Schneider your movie sucks. Roger Ebert's I Hated Hated Hated This Movie which gathered some of his most scathing reviews was a bestseller. This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel.

Edward Wall, 2003 **Why Harry Met Sally** Joshua Louis Moss, 2017-07-18 From immigrant ghetto love stories such as *The Cohens and the Kellys* 1926 through romantic comedies including *Meet the Parents* 2000 and *Knocked Up* 2007 to television series such as *Transparent* 2014 Jewish Christian couplings have been a staple of popular culture for over a century In these pairings Joshua Louis Moss argues the unruly screen Jew is the privileged representative of progressivism secular modernism and the cosmopolitan sensibilities of the mass media age But his/her unruliness is nearly always contained through romantic union with the Anglo Christian partner This Jewish Christian meta narrative has recurred time and again as one of the most powerful and enduring although unrecognized mass culture fantasies Using the innovative framework of coupling theory *Why Harry Met Sally* surveys three major waves of Jewish Christian couplings in popular American literature theater film and television Moss explores how first wave European and American creators in the early twentieth century used such couplings

as an extension of modernist sensibilities and the American melting pot He then looks at how New Hollywood of the late 1960s revived these couplings as a sexually provocative response to the political conservatism and representational absences of postwar America Finally Moss identifies the third wave as emerging in television sitcoms Broadway musicals and gross out film comedies to grapple with the impact of American economic globalism since the 1990s He demonstrates that whether perceived as a threat or a triumph Jewish Christian couplings provide a visceral easily graspable template for understanding the rapid transformations of an increasingly globalized world [PC Mag](#) ,2002-01-15 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology
