1957 Eric Burns,2020-11-01 In 1957 America turned its back on its earlier self and jumped headlong into the nation it has become today From Sputnik and the beginning of the space race to Little Richard and the underappreciated influence of rock n roll in bringing blacks and whites closer together to President Eisenhower s Interstate Highway Act which forever changed the landscape 1957 represents the year when all of the energy and anxiety that had followed the end of World War II exploded In compelling stories from politics pop culture business and the media Eric Burns captures the excitement of a headspinning year and the lingering fallout that continues to resonate seven decades later For baby boomers seeking to relive their formative years or readers seeking a window into midcentury America 1957 provides a highly readable tour through one of the most fascinating years in American history

Rediscovering Discipleship Robby Gallaty,2015-10-20 Discipleship is the buzzword today Many believers are contemplating in a fresh way what it means to take the Great Commission seriously Rediscovering Discipleship takes the guesswork out of Christian maturity Based on insights gained from a decade of personally making disciples author and pastor Robby Gallaty tackles the two hindrances that keep believers from getting involved in making disciples ignorance and uncertainty Since many believers have never been personally disciple they have no model to guide them in discipling others Their ignorance of the process fuels their uncertainty which leaves them crippled from the start With simple principles that are easy to apply Rediscovering Discipleship provides readers with the tools to follow the Great Commission to go and actually make disciples who multiply and make disciples Gallaty begins with a brief historical overview of the discipleship ministries of influential theologians preachers and pastors from years past and then identifies roadblocks that hinder believers from becoming disciples before offering a step by step process for readers to immediately get started on the path to effective disciple making
