Anne Miner a graduating senior and granddaughter of a liberal seven term U S senator Anne invites Professor Flear to join her on campus protest to disinvite and otherwise prevent President George W Bush from delivering the keynote at her 2005 commencement Like the careerist student body the complacent Tenure minded Flear declines to join Anne s movement When Anne single handedly stops Bush s address delivering instead an incendiary rebuke of the President and the Iraq War her triumph tragically is at the cost of her own life Badly shaken by Anne s death the vulnerable Flear turns mercenary agreeing to write about the affair At the point his forthcoming book appears predestined for the bestseller lists Flare s conscience begins to struggle against its status quo message That Anne Miner was insane and that her actions had no political significance By the time Flear is scheduled to appear on a nationally televised celebrity author panel he is fully determined with the support of the American bookselling community to halt the publication As Flear strives to rectify his betrayal of Anne Miner and her mission Eliot Asinof delivers a powerful parting salvo in the battle for the soul of America by inviting us to contemplate the meaning of her sacrifice Subject Catalog Library of Congress,1977 *National Union Catalog* ,1978
