Say But The Word:

Lippincott's Monthly Magazine, 1893 **Say the Word** Jeannine Garsee, 2011-02-15 First published in the U S New York Bloomsbury 2009 **Just Say the Word** Carla Salvo, 2012-09 When her boyfriend is naively sucked into the Mob a young woman spends years trying to reconcile her days as a school teacher against her nights as a mob mistress Eventually the distraught young woman flees the familiarity of the east coast with her young daughter to begin a new life in Seattle Though tortured by leaving her lover behind she is now free of the Mafioso s hold After peaceful years in the Pacific Northwest her life takes another dangerous turn a recent fling turns up dead and the woman s fingerprints are found on the handgun that killed him When a million dollar bail is mysteriously posted and a hot shot defense lawyer arrives from San Francisco her friends want answers so does the FBI Delving into the investigation head first authorities hit a wall when they find no record of the petite office manager s history before her arrival 20 years ago Is this seemingly innocent woman what she appears to be or has she been framed Who is watching out for her and what forces have shaken her destiny Could this single mom really be a killer Just Say the Word! G. Robert Jacks, 1996 Over the years I ve heard some wonderful sermons writes G Robert Jacks I ve also heard some duds Some have been so extemporaneous they sounded as if the preacher hadn t prepared anything Some have been such wondrously crafted literary pieces they sounded as if the preacher wanted to sound wondrously crafted and literary Some have sounded as though the preacher were giving a lecture or reading a term paper That s because the preacher had written a lecture or term paper And some have captured the attention and the imagination and set the spark to ignite faith in the hearer That s because they were written to be listened to and to appeal to the sense world of the hearers Drawing on nearly thirty years of experience in critiquing sermon delivery Jacks here offers a practical hands on approach to writing sermons that consider listeners first Jacks gives samples and examples of writing that effectively captures and holds an audience s attention and he offers practical tips and suggestions intended to help each of us find a preaching style and voice of our own He also shows how to translate the jargon of theological textbooks into everyday language suggests methods for rewriting sermons to avoid some of the pomposity of sermonic proclamation and demonstrates ways to retell biblical narratives in fresh and imaginative ways **Just Say the Word** Writing for the Ear is a valuable resource that will help pastors and lay leaders communicate as effectively as possible the faith that is ours to share

Just Say the Word Elizabeth L. Brooks, Lynn Townsend, 2018-09-15 Gabe Ellis knew some people were like that but it never occurred to him those people might include his boyfriend Tom Hampton Now Gabe has to deal with the idea his gorgeous successful lover enjoys hurting people and being hurt for fun Worse Gabe has to come to terms with the fact that so does he Tom was once known in the local BDSM scene as a ruthless Dom but he left the scene when he realized he d rather have a vanilla partner than one who can t deal with the fact that he s a switch Those old feelings come crashing back in however when Gabe confesses to darker desires Gabe seems made for Tom a switch who flips between stern Dom and

sweetheart sub But not everything goes smoothly as they explore their new dynamic Will Gabe embrace the lifestyle or ask for it all to stop
