Love Virtues And Commandments An Interfaith Perspective:

Love, Virtues, and Commandments Sajjad S. Haider,1997 Religion Seeking Justice and Peace (Penerbit USM) Chandra Muzaffar,2010 Religion Seeking Justice and Peace not only highlights the values that the different religions share in their pursuit of justice and peace but also provides concrete examples of how individuals and institutions from different religious backgrounds have worked for justice and peach throughout history The book also exposes the danger of religious extremism religious exclusivism and other such negative traits to the struggle for justice and peace It takes cognisance of the impact of the larger environment upon religious ideals and at the same time makes a plea for the application of universal values and principles embodied in the various religions to politics Economics culture and society This is particularly important some of the contributors argue at a time like this when humanity is confronted with multiple global crises

Opening the Covenant Michael S. Kogan, 2008 Michael Kogan delves deeply into the theologies of Christianity and

Judaism to locate the precise points of difference and convergence He sees Christianity as the breaking open of the original Covenant to include gentile peoples God has brought this about Kogan argues through Jesus and his interpreters Publishers Weekly ,2000 Indo-British Review ,1992 **Journal of Ecumenical Studies** ,1990 The Encyclopedia of Religion Mircea Eliade, Charles J.
