Love Work Children:

Love, Work, Children Cheryl Mendelson, 2007-12-18 Morningside Heights a Manhattan neighborhood sandwiched between Columbia University and the Hudson River is home to an eclectic mix of academics struggling artists and rooted families In this distinctive world Peter Frankel a successful partner in a prestigious law firm lives a seemingly contented life with his talented wife and his two Ivy League educated children Yet in middle age Peter finds himself discontent His wife's narrowness and her preoccupation with appearances leaves him cold his job does not fulfill his creative bent and he fears that his children Susan and Louis have grown into skeptical young adults who shun marriage and stability So when Peter's wife is badly hurt in a car accident and lies in a coma he finds himself guiltily relieved and newly drawn toward his children as they too struggle with ambivalent feelings about the mother who's never really shown them much love As Susan a cerebral doctoral student becomes unhappily involved with an aspiring playwright and Louis is caught up in a futile pursuit of an ambitious journalist Peter's own quiet life is shaken up and longings he has stifled for years come rumbling to the surface Freed from his wife's judgments Peter throws himself into his greatest pleasure the work he does for a foundation that funds offbeat artistic projects And as his passion for this work ignites so does his desire for another woman But the stubborn morality that has steered Peter's life is a force to be reckoned with and one from which he may never entirely escape **Love Work Children** is a profoundly insightful novel about two generations and the colorful urban world they inhabit A superb portrayal of one of New York's exceptional neighborhoods this is a story ultimately about the self-imposed obstacles to true happiness and a testament to the joy one can find in overcoming them **#WorkSchoolHours** Dr Ellen Joan

Work, 1922 Counseling Children Through the World of Play Daniel S. Sweeney PhD, 2001-05-25 If we are to touch the hearts of hurting children we must enter their world the world of play Play therapy honors children by meeting them in their world Children say with toys what they have difficulty saying with words Toys become the play therapist s tools to help unlock the healing process for wounded children Whether you are a psychologist a social worker a family therapist a pastoral counselor a group home worker or a children s ministry worker this book will help you build relationships that minister to the souls of hurting children and bring understanding to the confusion of their pain Through these nurturing relationships children will be freed to understand and process emotional pain Developing as a Reflective Early Years Professional Carol Hayes, Ruth Hudson, Jayne Daly, Mandy Duncan, 2025-02-28 Helps early years students and practitioners to get to grips with the key issues through a critical and thematic approach which focuses on reflective practice Theories and research into the nature of reflection are examined how they can be used and how they can improve practice producing a more responsive and thoughtful research based workforce for young children and their families In this third edition there is greater emphasis on issues related to inclusion and diversity mental health and communication with parents New pedagogic features include Team Talk designed to get all members of a work based team to pool their expertise and knowledge and to think critically and reflectively upon aspects that may directly affect their settings There is also a new Evidence Informed Research Practice and Reflection feature which offers questions that emphasise the importance of up to date research material informing practice within a setting **Kids at Work** Emir Estrada, 2019-07-16 Winner 2020 Outstanding Scholarly Contribution Award given by the Children and Youth Section of the American Sociological Association Winner 2020 Early Career Book Award from the American Association of Hispanics in Higher Education How Latinx kids and their undocumented parents struggle in the informal street food economy Street food markets have become wildly popular in Los Angeles and behind the scenes Latinx children have been instrumental in making these small informal businesses grow In Kids at Work Emir Estrada shines a light on the surprising labor of these young workers providing the first ethnography on the participation of Latinx children in street vending Drawing on dozens of interviews with children and their undocumented parents as well as three years spent on the streets shadowing families at work Estrada brings attention to the unique set of hardships Latinx youth experience in this occupation She also highlights how these hardships can serve to cement family bonds develop empathy towards parents encourage hard work and support children and their parents in their efforts to make a living together in the United States Kids at Work provides a compassionate up close portrait of Latinx children detailing the complexities and nuances of family relations when children help generate income for the household as they peddle the streets of LA alongside their immigrant parents **Works of Love** Robert L. Perkins, 1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima s ladder of erotic desire up which we climb from the love of bodies until

we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded
