## **Love Thy Brother:**

**Love Thy Neighbor as Thyself** Lenn E. Goodman, 2008-01-02 In this book Lenn E Goodman writes about the commandment to love thy neighbor as thyself from the standpoint of Judaism a topic and perspective that have not often been joined before Goodman addresses two big questions What does that command ask of us and what is its basis Drawing extensively on Jewish sources both biblical and rabbinic he fleshes out the cultural context and historical shape taken on by this Levitical commandment In so doing he restores the richness of its material content to this core articulation of our moral obligations which often threatens to sink into vacuity as a mere nostrum or rhetorical formula Goodman argues against the notion that we have this obligation simply because God demands it a position that too readily makes ethics seem arbitrary relativistic dogmatic authoritarian contingent or just unpalatable Rather he proposes that we learn much about how we ought to think about God from what we know about morals He shows that natural reasoning and appeals to scripture tradition and revelation reinforce one another in ethical deliberation For Goodman ethics and theology are not worlds apart connected only by a kind of narrow one way passage the two realms of discourse can and should inform each other Engaging the philosophers including Aristotle Spinoza and Kant and assembling three thousand years worth of Jewish textual masterpieces Goodman skillfully weaves his Gifford Lectures which he delivered in 2005 into an indispensable work **Love your Brother** Dean Reed, 1979 Hier erh ltlich ist die Notenausgabe des Titels f r Klavier und Gesang *Love Thy Neighbor...?* Aaron D Davis, 2005-04 In John 17 20 21 Jesus prayed My prayer for all of them is that they will be one just as you and I are one Father that just as you are in me and I am in you so they will be in us and the world will believe you sent me NLT The Christian church continues to find points of contingency by which they justify their divisions Many do not realize that it is not the Spirit of God under which they operate but a subtle counterfeit named Religion The Spirit of Religion has been the greatest opposition of the Christian Church since its inception It was the religious leaders of Jesus day who were influenced by this spirit and continually sought to discredit Christ and his teachings Those who were bound by this spirit sought to silence Christ and eventually found cause to kill Him This same spirit at work today continues to cause division among Christians as well as between Christians and non Christians This book has been written to expose the evil influence that Satan has had upon the Christian church under the guise of religion and to release those who have been bound by religions chains by establishing a true relationship with God Issues addressed in this book include What is the Spirit of Religion What is the difference between church doctrine and sin Why do Christians judge What does it mean to be ye separate What does the Bible say about those who are Tattooed or Pierced What is the difference between having a religion and experiencing a relationship with God and much more **An affectionate Appeal to all who love the Lord Jesus Christ in Sincerity [on behalf of Temperance Societies].** Jeffreys (Archdeacon, Henry), 1846 **Love Without Conditions** Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood Rarely has

any book conveyed the teachings of the master in such a simple but profound manner This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life

**Works of the Rev. John Howe, M.A.** John Howe,1846      **The Homilies On John** St. Augustine of Hippo, St Augustine was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In Joannis Evangelium Tractatus CXXIV Augustin delivered them to his flock at Hippo about A D 416 or later      **The Works of the Rev.
