Journey Dontavius M. Foster,2010-02-08 Summary of *Love's Journey* In this book I have had more than my share of life's problems and I feel like we all share the same common thoughts in wondering how one's life can be so promising yet deceptive How love and hate co exist in a realm of equal compromise To the edification of good nevertheless evil always seem to follow Life is not to be mistreated so life has to be embraced However love is only surreal to those who treat it like

that Therefore we have the power to declare our happiness and decipher who what when where and why people try to keep us miserable like themselves Along this journey love and pain has been produced and we all must go through this chapter of life I feel like its time to let others feel what I have experienced and now realize what has been due to me since my very existence my happiness and to show you all that you too can have peace in whatever situation you may be facing because you cannot stay down forever I have tasted a piece the goodness and I want more Finally to those who have chosen to read this book I hope you find useful information to move on to your destiny your happiness and your eighth wonder of the world You have to want better and hold on to what life has in store for you If it s for you then no one else can take it P S Find your reason for living and there you will find what makes you tick Dontavius M Foster **Life, My True Love** Dolly Fox Erich,2015-10-16 Life is full of challenges fears triumphs and true love You must know what you want and go after it but not without the challenges of life itself Lifes trials will test your dreams your hopes and of course your faith But know that without the tests you have no testimony Live your life to the fullest extent God gave it to you Smile more worry less and remember if at first you dont succeed be determined and keep on trying *The vow we made* Paromita Das,2024-08-16 True love is a mesmerising feeling Love and promise are the two stable stands in a relationship A promise once broken is a threat which leads to trust issues When you love someone with your whole heart you automatically start building care for that person in your heart The Vow We Made comprises the thoughts of writers regarding the theme of love care promise and relationship **Lightning Strikes Twice** Gail R. Delaney,2009-06 Friendship in the best of all worlds can turn into the best kind of love It sneaks up on you like a summer storm and when lightning strikes it can change your life forever Bella and Jesse faced their high school graduation with hope and happiness looking forward to the life they wanted together Until the malicious act of a twisted mind tears them apart Ten years of misunderstandings and deception kept them apart too long to hope for any kind of happily ever after Or so they both believe Lightning hardly ever strikes twice but when it does it can burn or it can fuse **Half a Heart without you** Prachi Barot, The book Half A Heart without you is a fictional anthology including about 30 co authors The writers have poured their heart out on the theme Love also supporting LGBTQ community The book has given that cosy space to the writers to express their emotions on a piece of paper and comfort the readers with their write ups **Mercy** J.C. The Atlantic Monthly ,1899 **Fire Souls** Felicia James,2017-03-03 One year ago twenty three year old Haleys heart was shattered by the tragic death of her parents A child of the bayou she seeks solace in the dark comforting shadows of her childhood home There things make sense Or at least they used to Late one evening Haley encounters a strange and beautiful creature in her dreams She is stunned by the terrifying glory of his pearled black wings and ashen skin but it is his eyes that have stolen her will to escape Deep within the mysteries of the diamond eyes of this fallen angel she knows she is home A pragmatic woman who does not believe in the seductive magic that swirls inescapably throughout her hometown of New Orleans Haley brushes the dream offbut she cant stop thinking about him Elsewhere in New Orleans another life is distracted by dreams of an impossibly beautiful young woman with rich raven hair and a sad wounded soul In all of his immortal years the angel vampire Luke has never seen someone so lovely and so broken He knows her name is Haley and he is helpless in his attraction to her The two dreams become a glorious reality and love is their reward When he offers her immortality at his side she must make the biggest decision of her life Should she let her mortal life go to be with him Is she willing to pay the terrible price for eternity at his side **Get Real** Michael Hickey,2012-02-16 From the Preface Get real was a slang term that became popular in the 1960 s when Michael Hickey was growing up in East Boston It implied that someone wasn t in touch with reality and had to change their way of thinking or living If you put on the television today all you might find is one

of the hundreds of so called reality TV shows More often than not these reality shows are illusions of reality because the real persons utilized as actors performers are seemingly coached to act in certain ways by the directors judges or producers who really control the reality Nonetheless reality TV is a modern phenomenon people watch it constantly and that does indicate a high degree of the public s interest in some concept of reality As for mystery it seems we are approaching an age where there will be the death of mystery and we will have only reality Hickey believes this is because the vast majority of the populace doesn t view reality in the context of mystery They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality Hickey s goal is that Get Real will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality
