*Love* Simon May,2019-06-18 What is love May plunders Western poetry philosophy and psychology to find answers Thought provoking stuff The Sunday Telegraph Love unconditional selfless unchanging sincere and totally accepting is worshipped today as the West s only universal religion To challenge it is one of our few remaining taboos In this path breaking and superbly written book philosopher Simon May does just that dissecting our ideas of love and showing how they are the product of a long and powerful cultural heritage Tracing over twenty five hundred years of human thought and history May shows how our idea of love developed from its Hebraic and Greek origins alongside Christianity until during the last two centuries God is love became love is God so hubristic so escapist so untruthful to the real nature of love that it has booby trapped relationships everywhere with deluded expectations Brilliantly May explores the very different philosophers and writers both skeptics and believers who dared to think differently from Aristotle s perfect friendship and Ovid s

celebration of sex and the chase to Rousseau's personal authenticity Nietzsche's affirmation Freud's concepts of loss and mourning and boredom in Proust Against our belief that love is an all powerful solution to finding meaning security and happiness in life May reveals with great clarity what love actually is and what it means The most persuasive account of love's nature I have ever read Financial Times Intellectually engaging Provocative The Wall Street Journal

**Love in the Religions of the World** Paul Caringella, Gregory Kaplan, 2011-11-15 The study of comparative religion is no longer a matter merely for those interested in religion it is a matter of concern for everybody For irrespective of whether one believes in God religion is a major characteristic of identity And in the post 9/11 world every educated person is aware of how important it is to understand what others believe This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major

religions of the world Eschewing the comforting but ultimately erroneous and dangerous idea that all religions believe more or less the same thing each essay examines the role and nature of love in a major religion of the world It is an invaluable guide for students teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world's religions It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures

**Love** Diogenes Allen, 2006-12-14 Love is often seen as overwhelming yet fleeting romantic passion between a woman and a man Diogenes Allen leads us to understand our love for families for friends and for God with an equivalent fascination and intensity Christianity recognizes that every person carries an inalienable value simply by existing Love recognizes this value in other people and allows loved ones to exist freely in their own way Partners in romantic love even though they are hopelessly dependent on one another must struggle to support the other's independence As we struggle to realize our own dependence on others meanwhile recognizing their inherent worth without us our loves human and divine find new depth and passion God's Enduring Love in the Book of Hosea Joy Philip Kakkanattu, 2006 Joy Philip Kakkanattu provides an exegetical and theological analysis of an important and difficult text of the Old Testament through a synchronic and diachronic reading Detailed critical notes which discuss the textual difficulties accompany the translation of the text from Hebrew In the detailed exegesis special attention is given to study of the key terms theologically significant in Hos 11 1 11 against the context of the whole book The exegesis shows that in Hos 11 8 9 it is not the repentance of Yahweh that causes the withholding of His anger against Israel but Yahweh's constancy in His election of Israel as His son More than a change of heart the decision not to execute the deserved judgement witnesses Yahweh's divine nature Special attention is dedicated to the parent metaphor employed in Hos 11 1 11 It is concluded that more than expressing the Yahweh Israel relationship as a father son relationship the text speaks of it in terms of parent child relationship In the diachronic analysis the author deals with the origin and formation of Hos 11 1 11 A Career Exploration and Job Guide by Field, Love Anton Pavlovich Chekhov, 1923 **Courtship, Love, and Marriage in Nineteenth-Century English Canada** W.
