Mount, 2023-03-25 Unconditional love is a type of love that involves caring for someone without any conditions or limitations It is a selfless love that is given freely without any expectation of receiving something in return Unconditional love is often seen in the relationship between parents and children where parents love their children unconditionally no matter what mistakes they make or how they behave However it can also exist between romantic partners friends and even strangers Unconditional love involves accepting someone for who they are including their flaws and imperfections It means putting aside judgments expectations and preconceived notions and simply loving the other person for who they are Unconditional love is not based on what someone can do for us or how they make us feel but rather on a deep and genuine desire to care for and support another person When we show unconditional love we create a safe and loving environment where the other person can feel accepted and supported no matter what This type of love is often transformative and can help people grow and become their best selves Unconditional love can also promote trust security and emotional connection in relationships creating a strong and meaningful bond between people Overall unconditional love is a powerful and profound form of love that can bring joy happiness and fulfillment to our lives as well as create strong and meaningful relationships with those around us

**Embrace** Paul Ferrini, 1991 Healing the Wounded Child The wounded child cannot be kept separate from you If s he is in fear you need to love the one in fear You must be willing to feel her pain This is a sacred journey through fear to love You must learn to approach the child not as a judgmental parent but as a loving one For only love releases the pain Only love gently brings the darkness into the light The process of recovery does not end until there is no one left to blame or shame including yourself It does not end until you can see the light behind your shadow It is time now to take the little child into your arms and rock her and speak to her softly the words of love s he needs to hear Do not be afraid of her anger or her pain but remember that all s he wants is love and that is the only gift you can offer her **Love.
