*Love Thy Neighbor Because Man a Dust* Lesline Banks, 2019-10-29 MAN A DUST The Love of self self centeredness and the failure to Love others This topic Man a Dust simply means man came from the dust and to the dust he will return Human beings in essence are nothing at all A person is here today and tomorrow they are gone from this life Life is not promised to any man so we should live each day to the fullest trusting God doing His will and loving each other Mark 12 31 The second is this you Shall love your Neighbor as yourself There is no other commandment greater than these DO YOU LOVE YOUR NEIGHBOR AS YOURSELF You will find this book definitely fulfilling and intriguing This book will provide the reader with the different principles of Love that are both practical and necessary for the existence of human life In this book Lesline speaks about gleaning from the wisdom of almighty God through scriptures to gain insight on Loving one self as you should Love your neighbor Lesline shared personal experiences and sound leadership practices that will help you have a better understanding to how God wants us to Love Lesline is a missionary at heart and plans on traveling the world not only to do motivational speaking but to spread the word and love of God and to feed and nurture those in dire need **The Second Commandment** James A. Ross, 2017-11-28 Then one of them who was a lawyer asked him a question trying to tempt him and said Master what is the great commandment in the law Jesus said to him you will love the Lord your God with all your heart and with all your soul and with your entire mind This is the first and great commandment And the second is like the first you will love your neighbor as yourself On these two commandments hangs all of the law and the prophets Matthew 22 35 40 Loving God is not a difficult task for most believers The hard part is learning to love our neighbors Jesus said offenses must come but how do we as Christians learn to love others when they have offended or hurt us We have the fruit of the spirit for tasks such as this It is said the root in us produces the fruit in us but it is the depth of the root that produces the sweetness of the fruit The Scripture teaches us that the good ground brings forth 30 60 or a 100 fold With this in mind how do we nourish a Christ centered root that travels to the depth of our being which produces a 100 fold return Loving our neighbor is only superseded by loving God John said in 1 John 3 23 And this is his commandment That we should believe in the name of his Son Jesus Christ and love one another as he gave us commandments to do This should be placed high in our Christian priorities John also said how can we love God who we cannot see if we do not love our brothers who we can see As Christians we cannot leave this vital commandment left undone if we have any desire to mature in our faith The Second Commandment guides us in strengthening ourselves in love compassion and forgiveness and that our ability to love the unlovely becomes a high priority in our faith *Who is My Neighbor?* Thomas D. Williams, 2005-03 Over the past half century the language of human rights has gained such dominance in moral civic and ecclesiastical discourse that ethical and social questions are increasingly framed in terms of rights Yet the vast literature dealing with human and civil rights focuses almost exclusively on the juridical and practical ramifications of rights rather than the philosophical moral and foundational aspects As a result

the proliferation of rights claims and catalogs has not been accompanied by a reasoned case for the existence of human rights or rational criteria for distinguishing true moral entitlement from spurious claims Who Is My Neighbor makes an original compelling case for human rights as moral entitlements grounded in the dignity of the human person Drawing upon insights of Thomistic Personalism Thomas D Williams sets forth in clear vigorous prose the anthropological philosophical and theological bases for asserting that the human person must always be loved as an end and never used as a mere means Williams grants ample space to critics of rights theory and systematically answers their arguments by showing how rightly understood human rights dovetail with classical ethical theory and traditional formulations of justice and natural law Williams suggests that rights language not only does no violence to classical ethics but serves to highlight certain fundamental truths about the human person essential to right human relations

**For You Alone** Terry A. Veling, 2014-04-18 The works of Emmanuel Levinas a survivor of the Nazi horror are striking in the constancy of their thought and the strength of their appeal We are not condemned to evil and hatred rather we are called to be for each other *For You Alone* explores the relational and religious quality of Levinas work Our lives are always twofold rather than one and the same A relational life is dependent on encounters that are revelatory Revelation means that life is no mere sameness but is tied to the revelation of the other to you Here is transcendence par excellence Here is what the name of God signifies the relational and ethical bond that takes us outside ourselves toward the other in our midst What could be more natural more human or more divine than to speak of the relational quality of life An answerable life means that we are asked after called required Here I am under your gaze Levinas writes obliged to you your servant In
