## **Lovecentered Marriage In A Selfcentered World:**

**Love-centered Marriage in a Self-centered World** Irving Sarnoff, Suzanne Sarnoff, 1989 Considers how mates jointly create a setting for sharing love and defending against the fear of loving The authors have integrated theory and practice in their description of six desirable objectives couples can plan to attain over a lifetime *The Motives of Self-Sacrifice in Korean American Culture, Family, and Marriage* Chul Woo Son, 2014-01-24 The concept of self sacrifice is highly important to Korean Americans With hierarchy of age social status and gender defined roles taking primacy over equality and justice self sacrifice becomes instrumental in maintaining family and social relationships Unfortunately in family relationships sacrifice has more to do with submission and endurance than it does with sacrificial service that is redemptive and mutually beneficial When self sacrifice carries hidden motives coercive responsibility obligation shame guilt or one's reputation that self sacrifice is not self giving neither serving nor being of mutual benefit In this context it is important to explore the attitudes and motives of self sacrifice in Korean American families In unlocking and exploring the dynamics of the theology and practice of self sacrifice for Korean Americans this book explores cultural virtues marital relationships gender inequality domestic violence and their theological implications The author introduces a new approach and model with a proposal for a healthier and a more judicious understanding of self sacrifice for Korean American family relationships The element of equal regard as pertaining to self sacrifice offers Korean Americans a refreshing hope in the perspective of familial relationships and a liberating casting off of culturally and religiously imposed burdens The Korean American family ought to be grounded on a love ethic of equal regard and place its value on mutuality self sacrifice and individual fulfillment When this is done sacrificial love can be understood as justly appropriated for both husbands and wives males and females and parents and children Thus Christian teaching and theology may deliver a more transparent message of true agape and its liberating effects for the marginalized especially women and children

**Jump** Efre Smith, 2010-09-01 Jump is a powerful guide to becoming a vehicle of compassion reconciliation and transformation in our world Life is all about jumps We jump from high school to college school to the professional world dating to marriage Each leap launches us to new levels Even though we can't see what's on the other side of the wall our faith jumps are about trusting that God is there We experience the liberation when we jump into the arms of our Savior then into a church family and then into a world desperately in need Efre Smith

presents fresh insights into how Christians can say yes to the jump that takes them deeper into a loving devotional intimate life with God *Surrender, Obey, Love* Dr. Sandrine Nkouga, 2022-10-12 I was sexually molested at the age of fourteen now what So many people go through life wearing their molestation or life's deception as a badge of dishonor in their life even though they were the victim They think their life stopped the day they lost their virginity innocence or pride It does not have to be that way Out of nowhere I was hit with a life changing event that will set my life on a roller coaster of emotions challenges and bad decisions During it all God's glory and love was displayed daily I personally invite you to join me on this ride where I learned to heal learn defeat the devil and hold on the divine blessings This book is not a story of tragedy but of hope guidance and life lessons It is about learning how the Creator of the universe could use our ashes to build a beautiful and fulfilling life not just for me but also for you my readers You will cry and laugh giggle shout and pray and praise the Lord Almighty while discovering the immense blessings that are readily available for all believers in Jesus Christ The huddle challenge or bad news does not have to be end of your story it could be the beginning of your miraculous testimony

Feminism and the Power of Love Adriana García-Andrade, Lena Gunnarsson, Anna Jónasdóttir, 2018-04-17 The power of love has become a renewed matter of feminist and non feminist attention in the 21st century's theory debates What is this power Is it a form of domination Or is it a liberating force in our contemporary societies Within *Feminism and the Power of Love* lies the central argument that although love is a crucial site of gendered power asymmetries it is also a vital source of human empowerment that we cannot live without Instead of emphasizing either or this enlightening title puts the dualities and contradictions of love center stage Indeed by offering various theoretical perspectives on what makes love such a central value and motivator for people this title will increase one's understanding as to why love can keep people in its grip even when practiced in ways that deplete and oppress In light of such analyses the contributions within *Feminism and the Power of Love* present new perspectives on the conditions and characteristics of non oppressive mutually enhancing ways of loving Bridging the gap between Feminist Affect Studies and Feminist Love Studies this book will appeal to undergraduate and postgraduate students including postdoctoral researchers interested in fields such as women's and gender studies sociology political science philosophy cultural studies and sexuality studies **The Ideal Family and True Love as the Source of Peace** International Educational Foundation, 2006-03 Volumes 2 and 3 in series *Creating a World of Peace* The Thought and Works of Sun Myung Moon **Intimate Creativity** Irving Sarnoff, Suzanne Sarnoff, 2002-11-05 Integrating the psychology of love and creativity this pioneering book explores both how a couple's involvement as lovers influences their creative collaboration and how working together affects their relationship Representing a variety of genres painting sculpture photography and installation art the celebrated couples profiled here include among others Christo and Jeanne Claude Elizabeth Diller and Ricardo Scofidio and Kristin Jones and Andrew Ginzel Intrigued by this process of intimate creativity psychologists Irving and Suzanne Sarnoff themselves partners in love and work decided to conduct in depth interviews with

partners in visual art because they defy the supremely individualistic tradition of their field Whatever their age or sexual orientation these artist couples combine their talents to form a collective identity as a professional team Passionately intense about their shared commitment they communicate endlessly to resolve conflicts and reach consensus Providing mutual validation and support they increase their productivity and the quality of their work they minimize their fear and frustration and enhance their pleasure in being together The authors also draw on historical and contemporary literature about similar couples ranging from Jean Arp and Sophie Taeuber to Gilbert and George to Claes Oldenburg and Coosje van Bruggen Stimulating and engaging this book highlights the features of a unique collaborative process considers the connection between creativity and sexuality and suggests possibilities for any couple to expand their intimacy **Individual**

**Psychology**, 1990 The Publishers Weekly, 1917 **Couple Resilience** Karen Skerrett, Karen Fergus, 2015-07-08 This distinctive volume expands our understanding of couple resilience by identifying and exploring specific mechanisms unique to intimate relationships that facilitate positive adaptation to life challenges Committed partnerships represent a unique form of relational alliance that offers an opportunity and challenge to go beyond the self to develop as individuals and as a relationship The contributors to this volume represent a range of perspectives that integrate conventional relationship science and innovative empirical and theoretical work on the importance of meaning making narrative construction intersubjectivity forgiveness and positive emotion in couple life The volume also offers a unique anchor point We ness as it relates to the intersection between shared personal identity and well being Under examined relational contexts such as resilience among LGBT partners and sexual resilience during illness adds further refinement of thought and application *I*

*KISSED DATING GOODBYE-UPDATE*(□□ □□□) Joshua Harris, 2003-08 Reorder your romantic life in the light of God s word and find more fulfillment than the dating game could ever give a life of purposeful singleness **When Opposites Attract** Rebecca Cutter, 1994 In *When Opposites Attract* Rebecca Cutter draws from her extensive work with both straight and gay couples to propose a bold new solution to the problem of couple communication She makes the case that it s right brain or left brain dominance rather than gender that plays the greatest role in how partners and spouses approach the world and one another *Time and Intimacy* Joel B. Bennett, 2000-11-01 There is a mysterious connection between our experiences of intimacy of love the longing to feel connected and sexual embrace and the human sense of time eternity impermanence and rhythm In this critical analysis of the time intimacy equation Bennett shows how the scientific study of personal relationships can address this mystery As a study of transpersonal science this book points to the possible evolution of intimacy and of our consciousness of time and how the two evolutionary paths weave together Dr Bennett draws from a wide array of resources to advance and marry two compelling themes first the social and clinical science of personal relationships should integrate the spiritual or transpersonal dimension of intimacy and second science can contribute to lay understandings by describing the richly temporal aspects of relationships In blending popular literature transpersonal psychology and scientific research

and theory this work also attempts to address the lack of dialogue between academics who study personal intimacy and those writers in the popular press who give advice and guidelines for building intimacy Time and Intimacy is written for a broad audience intended for those with a general interest in relationships as well as for students counselors and psychologists It can be used as a text in courses on personal relationships as well as to supplement courses in humanistic psychology transpersonal psychology interpersonal communication relationships marital and family counseling human relations and related areas Because it advances an interdisciplinary understanding of personal relationships this book is certain to challenge prevailing views about the meaning of intimacy in both the academic and popular literatures **Imparted**

**Wisdom in Troubled Times** Pastor Stephen Kyeyune, 2018-06-30 This book is written in the form of a devotional It consists of my minisermos as posted daily on social media It addresses the tussles we encounter daily It is good for spiritual maturity relationships and wisdom A devotional journal compared to a memoir should have some uplifting qualities and should be inspiring and illuminating That's what this book is intended to accomplish This book will help you discover your purpose for living and hence your divine destiny What you believe about God defines your life Losing sight of God causes us to lose who we are really are The Word is a prism through which we filter our changing self image God's primary goal is to change us so that we can see as He sees Christ Himself became wisdom from God to us in order for us the church to display the multifarious wisdom of God to the whole universe God may not fix everything broken in your life now but He is willing to renew your thinking so that you are able to think as He would have you think desire what He says is best and do what He calls you to do This book could be a viable clutch missing at your fingertips greatly needed in a culture in which post truth is the word of the year I mean today's culture where people are economical with the truth where people sweeten it or tell the truth improved **The Life and Teachings of Reverend Sun Myung Moon** International Educational Foundation, 2006
