Loved Ones Pen Portraits:

Loved Ones Diana Mosley,1985 The Mitford Girls' Guide to Life Lyndsy Spence,Joseph Dumas,2013-08-01 Touched with genius The Spectator What s the best way to get the upper hand in an argument solely through letters How should you liven up a dull night at Buckingham Palace When exactly is the best time to run away to the Spanish Civil War The Mitford sisters Nancy Pamela Diana Unity Jessica and Deborah knew the answers to all these questions and more Perhaps the most remarkable family of the mid twentieth century their exciting and varied lives from communist to fascist to aristocrat mean that there s no problem they can t solve **Loved Ones** Diana Mosley,1985 *Lord Berners* Peter Dickinson,2008 Lord Berners was one of the most colourful and flamboyant personalities of his day This title offers a new documentary approach interviews with leading figures and contemporaries who knew him and his work set into context and complimented with much further information Minor Ballet Composers William E Studwell,Bruce R Schueneman,1997-07-14 While most music lovers are familiar with the famous scores of Tchaikovsky Delibes and Stravinsky many other lesser known composers also wrote for the ballet Several of these composers wrote almost exclusively for the ballet and all enriched the world of dance Minor Ballet Composers presents biographical sketches of 66 underappreciated ballet *One Day in April - A Hillsborough Story* Jenni Hicks,2022-04-08 It is a privilege to know her Jordan Henderson Pathos laced memoirs on every page Steve Rotheram A truly absorbing and moving read Sue Johnston On the morning of Saturday 15 April 1989 Jenni Hicks her husband and their two teenage daughters Sarah and Vicki went to watch a football match That was to be their last day as a family Sarah and Vicki didn t come home and Jenni s world was changed forever Since that fateful day Jenni has tirelessly campaigned for justice for her own and others families But this is not the story of the Hillsborough tragedy This is a story of what came before and after that day of a mother s love her unimaginable bravery a flame of hope that never died and a quest for justice that has lasted three decades It is a journey that has taken her from Allerton Cemetery to the Courts of Appeal from the depths of despair to meetings with Prime Ministers and royalty With the final court cases coming to a conclusion in spring 2021 Jenni s role as the longest serving committee member of the Hillsborough Family Support Group is coming to an end and she can finally give herself permission to grieve solely as a mother rather than as a campaigner One Day In April is the first time that Jenni has spoken about her story in full and is a unique and poignant tribute to the lives that Sarah and Vicki lost and the final word from the extraordinary mother they left behind Her tenacity and courage is astonishing Prof Phil Scruton Utterly gripping Jimmy McGovern Her strength is inspiring Simon Rimmer Quite remarkable David Dein **The Last Disco** Sean Murray,Christine Bohan,Nicky Ryan,2024-08-08 A tragic fire at the Stardust nightclub on Valentine s Day 1981 in a working class suburb of Dublin caused the deaths of 48 young people with an average age of just 19 years After years of families and survivors fighting to find out what really happened new inquests held in 2024 finally revealed the full story In 1981 the Stardust nightclub in Dublin was a beacon for the city s nightlife until it became a nightmare On that fateful

Valentine's Day the dance floor became a scene of horror as flames engulfed the venue claiming the lives of 48 young people and leaving the survivors scarred forever In this gripping account the harrowing true story is revealed citing new evidence brought forward during recent inquests in the relentless pursuit of justice Through the eyes of the survivors the families and investigators compiled with meticulous research and compassionate portrayals of their voices this poignant book honours the memories of those who were lost while shedding light on the tragedy that still shocks the nation to this day [The Six](#) Laura Thompson,2016-09-06 AN INSTANT NEW YORK TIMES BESTSELLER Riveting *The Six* captures all the wayward magnetism and levity that have enchanted countless writers without neglecting the tragic darkness of many of the sisters life choices and the savage sociopolitical currents that fueled them Tina Brown The New York Times Book Review The eldest was a razor sharp novelist of upper class manners the second was loved by John Betjeman the third was a fascist who married Oswald Mosley the fourth idolized Hitler and shot herself in the head when Britain declared war on Germany the fifth was a member of the American Communist Party the sixth became Duchess of Devonshire They were the Mitford sisters Nancy Pamela Diana Unity Jessica and Deborah Born into country house privilege in the early years of the 20th century they became prominent as bright young things in the high society of interwar London Then as the shadows crept over 1930s Europe the stark and very public differences in their outlooks came to symbolize the political polarities of a dangerous decade The intertwined stories of their stylish and scandalous lives recounted in masterly fashion by Laura Thompson hold up a revelatory mirror to upper class English life before and after WWII *The Six* was previously published as *Take Six Girls*

The Pity of War Miranda Seymour,2014-10-30 Miranda Seymour tells the remarkable story of England's centuries of profound connection and rivalry with Germany Her vibrant and heart breaking history told through the lives of princes and painters soldiers and sailors bakers and bankers charlatans and saints reminds us poignantly of the powerful bonds many have chosen to forget *Queer Saint - The Cultured Life of Peter Watson* Adrian Clark & Jeremy Dronfield,2015-04-02 When Peter Watson was murdered in his bath by a jealous boyfriend in 1956 the art world lost one of its wealthiest most influential patrons This compellingly attractive man adored by Cecil Beaton a man who was called a legend by contemporaries who was the subject of two scandalous novels and who helped launch the careers of Francis Bacon John Craxton and Lucian Freud fell victim to a fortune hungry lover Elegant and hungrily sexual Peter Watson had a taste for edgy disreputable boyfriends He was the unrequited love of Cecil Beaton's life his queer saint but Peter preferred the risk of edgier less sophisticated lovers including the beautiful volatile drug addicted prostitute Denham Fouts Peter's thirst for adventure took him through the cabaret culture of 1930s Berlin the demi monde and aristocratic salons of pre war Paris English high society and the glitz of Hollywood's golden age Gore Vidal described him as a charming man tall thin perverse One of those intricate English queer types who usually end up as field marshals but because he was so rich he never had to do anything Truman Capote called him not just another rich queen but in a stooped intellectual bitter lipped style one of the most personable men in England

More than just a gay playboy Peter Watson was a renowned connoisseur and fuelled the engine of mid twentieth century art with his enormous wealth Without his patronage Bacon and Freud might have failed before they d got started He also founded the influential British arts journal Horizon with Cyril Connolly and Stephen Spender and was one of the core founders of the Institute of Contemporary Arts and organised most of its early exhibitions From the mystery of his obscure family origins to the enigma surrounding his premature death this book follows Peter Watson through an odyssey of the mid twentieth century from high society to sweaty underworld and discovers a man tormented by depression and doubt he ultimately wanted love and a sense of self worth but instead found angst and a squalid death PETER WATSON 1908 1956 LONG FORGOTTEN AS AN ASTUTE GREY EMINENCE IN THE ART WORLD OF HIS DAY DISCERNING COLLECTOR OF PAINTINGS PATRON OF THE YOUNG AND PROMISING FOUNDER AND BENEFACTOR OF THE INSTITUTE OF CONTEMPORARY ARTS IS AT LAST AND DESERVEDLY THE SUBJECT OF A SCRUPULOUS AND COMPELLING INVESTIGATION BRIAN SEWELL THIS COMPELLING REDISCOVERY OF THE LIFE AND DEATH OF PETER WATSON CASTS NEW LIGHT ON THE INTELLECTUAL AND ARTISTIC WORLD OF MID TWENTIETH CENTURY BRITAIN THE WORLD OF BACON AND FREUD CYRIL CONNOLLY AND STEPHEN SPENDER LOYD GROSSMAN CHAIRMAN OF THE HERITAGE ALLIANCE *Reader's Guide to British History* David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication In the Highest Degree Odious Alfred William Brian Simpson,1994 During the Second World War just under 2000 British citizens were detained without charge trial or term set under Regulation 18B of the wartime Defence Regulations This book provides a comprehensive study of Regulation 18B and its precursor in the First World War Regulation 14B **Feminine Fascism** Julie V. Gottlieb,2021-04-28 The British Fascisti the first fascism movement in Britain was founded by a woman in 1923 During the 1930s 25 per cent of Sir Oswald Mosley s supporters were women and his movement was largely built up by the fanaticism of women What was it about the British form of Fascism that accounted for this conspicuous female support Gottlieb addresses these questions in the definitive work on women in fascism This book continues to fill a significant gap in the historiography of British fascism which has generally overlooked the contribution of women on the one hand and the importance of sexual politics and women s issues on the other Gottlieb s extensive research makes use of government documents a large range of contemporary pamphlets newspapers and speeches as well as original interviews with those personally involved in the movement This new edition includes a preface analysing the current affairs of the last 20 years reframing the book according to contemporary context Here Gottlieb looks at the resurgence of populism the rise of women

as leaders of far right parties across Europe and North America and the normalisation of fascism in fiction and political discourse *The Other Mitford* Diana Alexander, Jonathan Guinness, 2011-11-30 Pamela Jackson ne Mitford is perhaps the least well known of the illustrious Mitford sisters and yet her story is just as captivating and more revealing Despite shunning the bright city lights that her sisters so desperately craved she was very much involved in the activities of her extraordinary family picking up the many pieces when things went disastrously wrong which they so often did Joining her sisters on many adventures including their meeting with Adolf Hitler in Nazi Germany Pamela quietly observed the bizarre funny and often tragic events that took place around her Through her eyes we are given a view of the Mitfords never seen before Loyal to the core she possessed the constancy and kindness that underpinned the wilder exploits of the Mitford family Indeed innocence along with courage and kindness was one of her remarkable qualities But it was the innocence of a woman who had lived and suffered loved and lost and overcome adversity Journalist Diana Alexander who was Pamela s friend for many years here reveals the unknown Mitford or as her lifelong admirer John Betjeman described her Gentle Pamela **Resurrections** Jeffrey Meyers, 2018-10-09 Jeffrey Meyers *Resurrections* Authors Heroes and a Spy brings to life a set of extraordinary writers painters and literary adventurers who turned their lives into art Meyers knew nine of these figures in some cases intimately while five others he admires and regrets never meeting As he writes in the preface The chapters in this book represent in miniature my career as a life writer My biographies have always been driven by fascination with the source of artistic creativity with people who wrote or painted and with the worlds they inhabited Ian Watt who taught Meyers at Berkeley struggled with the legacy of his ordeal as a Japanese prisoner of war and with its depiction in the film *The Bridge on the River Kwai* The story of Paul Theroux s feud with Sir Vidia Naipaul is well known but Meyers finds greater meaning in their quarrel through the lens of his own long friendship with Theroux While James Salter fighter pilot and brilliant stylist epitomizes Meyers heroic ideal the fiction writer also responds with an epistolary friendship punctuated by visits and Meyers is delighted by Salter s great reputation late in life Anthony Blunt art historian and communist spy fascinates the biographer for a darker reason the depth of his capacity for intellectual and personal deceit The feckless lesser known Hugh Gordon Porteus told Meyers many revealing and amusing stories about his friends Wyndham Lewis T S Eliot and Ezra Pound In the process of writing these profiles Meyers discovers a common thread relating to himself not only do these subjects provoke a kind of personal testing they also represent his search for the ideal father in his vivid intellectual and imaginative inquiry

The Culture of Fascism Julie V. Gottlieb, Thomas P. Linehan, 2003-12-31 The history and ideologies of the Far Right in Britain have been well documented but there has been little understanding of the movement s cultural foundations This text explores the cultural history of fascism and the Far Right and mines a seam of intense interest for both academics and students as well as for the general reader The book demonstrates that British fascism is essentially not just a political movement but one that has as its goal the establishment of an all embracing fascist culture in Britain The contributions cover

film theatre music literature the visual arts and the mass media Striking examples of the material that they examine include fascist marching songs Aryan music the creation of Mosley as a matinee idol even fascist science the cult of the New Fascist Man and fascist masculinity and femininity The authors demonstrate the persistence of the Far Right cultural forms from Mosley's British Union of Fascists within the present National Front and British National Party The Music of Lord Berners (1883-1950) Bryony Jones, 2019-06-04 This title was first published in 2003 Gerald Tyrwhitt Wilson the 14th Baron Berners was a well known figure in his day Labelled by the national press as the versatile peer he was a composer writer painter and great socialite His musical output was small but highly successful in its day with ballets staged in London Monte Carlo and New York an opera produced in Paris and two film scores completed in the 1940s These works together with Berners songs his music for piano and other instrumental pieces are given their first in depth examination in this study Bryony Jones shows how Berners cosmopolitan musical style radically differed from that of many of his contemporaries who were concerned with creating a national music Instead Berners drew his inspiration from abroad and comparisons are drawn with Les Six and connections made with the work of Satie Debussy and Ravel Well known for his elaborate practical jokes and sense of humour Berners was an archetype of British eccentricity and these aspects of his personality shaped much of his musical style The book concludes with an attempt to explain why Berners music was neglected following his death and why there has been a recent resurgence of interest *Rosamond Lehmann* Selina Hastings, 2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond's personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century *In Tearing Haste* Patrick Leigh Fermor, Deborah Devonshire, 2017-11-14 Now in paperback Patrick Leigh Fermor and Deborah Devonshire's witty informative and altogether delightful correspondence In the spring of 1956 Deborah Duchess of Devonshire youngest of the six legendary Mitford sisters invited the writer and war hero Patrick Leigh Fermor to visit Lismore Castle the Devonshires house in Ireland The halcyon visit sparked a deep friendship and a lifelong exchange of highly entertaining correspondence Justice for Christ's Sake James Jones, 2021-09-30 Read this for the chapter on Hillsborough alone JEREMY VINE Makes a powerful plea for the earthing of God's vision of justice BARONESS HALE A plentiful source of comfort strength and most importantly hope ANDY BURNHAM For twenty five years Bishop James Jones has been working on the frontlines to try and create a more just and merciful world In *Justice for Christ's Sake* he reflects on

the work he has been a part of and the ways in which justice and faith go hand in hand With touching honesty he tells of his time as a Bishop and his role on three key independent panels into matters of national conscience including chairing the panel that investigated the Hillsborough Disaster of 1989 when ninety six Liverpool football fans tragically lost their lives All the dimensions of justice that James has experienced environmental social racial political and judicial are vividly conveyed as he offers up the lessons he has learned in his search for a better fairer way to live and how the answers might be found in the teachings of Jesus Justice for Christ s Sake is a remarkable and fascinating Christian memoir that offers a unique perspective on some of the most significant inquiries of the last three decades It is a book that encourages us all in our longing for justice with insight born from first hand experience and will leave you with a better of understanding of events that have shaped conversations on justice in Britain Most of us long deep down for a fairer world however selfishly we may act on occasions James Jones reassures us that we are not alone and that we can all be part of the fight for justice for Christ s sake
