infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to  
either And how important are love sex and marriage to a well lived life In this lively lucid and comprehensive textbook Raja  
Halwani pursues the philosophical questions inherent in these three important aspects of human relationships exploring the  
nature uses and ethics of romantic love sexuality and marriage The book is structured in three parts Love begins by  
examining how romantic love differs from other types of love such as friendship and parental love It asks which properties of  
love are essential whether people have a choice in whom they love and whether lovers have moral obligations to one another  
that differ from those they owe to others Sex demonstrates the difficulty in defining sex and the sexual and examines what  
constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It offers theoretical and applied  
ethical approaches to a wide range of sexual phenomena Marriage traces the history of the institution and describes the  
various forms in which marriage exists and the reasons why people marry It also surveys accounts of why people should or  
should not marry and introduces the main arguments for and against gay marriage Features include suggestions for further
