Aristotle, 2009-06-11 Happiness then is the best noblest and most pleasant thing in the world In the Nicomachean Ethics Aristotle's guiding question is what is the best thing for a human being His answer is happiness but he means not something we feel but rather a specially good kind of life Happiness is made up of activities in which we use the best human capacities both ones that contribute to our flourishing as members of a community and ones that allow us to engage in god like contemplation Contemporary ethical writings on the role and importance of the moral virtues such as courage and justice have drawn inspiration from this work which also contains important discussions on responsibility for actions on the nature of practical reasoning and on friendship and its role in the best life This new edition retains and lightly revises David Ross's justly admired translation It also includes a valuable introduction to this seminal work and notes designed to elucidate Aristotle's arguments ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Ladder of Perfection Revelation Insight

Publishing Company, Walter Hilton, 2009-01-01 THE LADDER OF PERFECTION is a guide to the contemplative life in which the soul is reformed to the image and likeness of God Book One provides an overview of contemplation and its prerequisites a discussion of prayer and meditation and a path for dealing with sins both obvious and hidden through self awareness humility and the love of God By these means one passes through the darkness known to another English mystic as the cloud of unknowing Book Two distinguishes between the reform of the soul that is in faith only and the reform that is in both faith and feeling Loving Jesus is the way through the initial darkness that one sees after withdrawal from the world of the senses and God gives light to those who persevere in this work The spiritual eye is opened in a way that cannot be arrived at by mere intellectual study nor by individual effort Contemplation is given by God After further progress the soul knows itself as it is and Jesus speaks directly to her **The Holy Court** Nicolas Caussin, 1678 **Lesbian Choices** Claudia Card, 1995 In this compellingly honest collection of her writings renowned feminist philosopher Claudia Card courageously explores the complex ethical and political questions lesbians face considering these issues in regard to their identities and relationships both within and outside of lesbian communities Lesbian Choices is written with a grace and clarity that readers inside and outside academia will appreciate Claudia Card's lucid presentation of complicated philosophical and ethical concepts offers a better understanding of the explosive issue of gender construction in our society Lesbian Choices is recommended reading for anyone interested in lesbianism feminism ethics and philosophy Aristotle: Nicomachean Ethics Aristotle, 2023-12-26

Aristotle's Nicomachean Ethics serves as a foundational text in moral philosophy delving into the nature of the good life and the cultivation of virtue. Written in a clear dialectical style that intertwines argumentation with practical examples, Aristotle explores the concepts of happiness (eudaimonia) and moral character through a lens of virtue ethics. The text is not only a reflection of the philosophical milieu of Hellenistic thought but also a response to Socratic ideals, offering a systematic approach to ethical behavior that emphasizes the importance of habit and rationality in achieving moral excellence. Aristotle, one of the most influential philosophers in Western thought, wrote this seminal work as a guide for his son Nicomachus, blending personal insight with philosophical inquiry. His extensive studies in various fields, including biology, politics, and metaphysics, inform his ethical considerations, imbuing them with a comprehensive view of human nature. This intimate correspondence captures Aristotle's intention to merge theoretical knowledge with practical application, making the work a vital resource for ethical reflection. Nicomachean Ethics is highly recommended for anyone interested in understanding the roots of ethical thought and the complexities of human motivation. Its relevance persists in contemporary discussions of morality, virtue, and the quest for a meaningful life, making it an essential reading for students, philosophers, and anyone seeking to navigate the intricacies of ethical living.

Health and Well-Being in Islamic Societies Harold G. Koenig, Saad Al Shohaib, 2014-05-17 From the first hospitals to pioneering pharmacy techniques, the early history of medicine reflects the groundbreaking contributions of Islamic physicians and scientists. Less recognized, however, is the impact of Islam on the health and daily health practices of modern-day Muslims. Meticulously documented with current research sources and relevant religious texts, *Health and Well-Being in Islamic Societies* sheds light on the relationships between Muslim beliefs and physical, psychological, and social health. Background chapters trace Muslim thought on health and healing as it has evolved over the centuries to the present. The authors provide even-handed comparisons with Christianity as the two traditions approach medical and ethical questions and with Christian populations in terms of health outcomes, assuring coverage that is not only objective but also empirically sound and clinically useful. And as the concluding chapters show, understanding of these similarities and differences can lead to better care for clients, cost-effective services for communities, and healthier Muslim populations in general. Included among the book's topics: Muslim beliefs about health, healing, and healthcare; Similarities and differences between Muslim and Christian health beliefs; Impact of religion on physical, mental, and community health in Muslims; Understanding how Islam influences health; Applications for clinical practice; Implications for public health; Cultural awareness is critical to improving both individual client health and public health on a global scale. *Health and Well-Being in Islamic Societies* is essential reading for clinical and health psychologists, psychiatrists, social workers, and nurses, and will be informative for the general reader as well.

I'm Not Your Empress Xin Yue, 2020-01-09 Woman, you are my woman in my palace. Xi Men Yi's overbearing and arrogant tone made Jiang Mei Qi frown in displeasure. Arrogant man, I've seen many of them. You're not the first one, but this Miss isn't afraid to tell you. The more arrogant a man is,

the less interested This Miss will be in him Jiang Mei Qi sneered All the male creatures in this world were arrogant She had already experienced that Xi Men Yi was not special

Do Not Be Restless in Death Lin Harbertson,2022-03-02 Do Not Be Restless in Death is the third in a series of stories about a small seaside town in Yorkshire England Maggie no longer a penniless lawyer is now the heir to an Estate complete with Manor house and acres and acres of land To her dismay she discovers she has lost the one thing she valued above all else her freedom It is Rafael her gypsy lover who is ambitious He plays the game of life to win Will he break her heart Or his own

Lily Loves To Love Maureen Reil,2011-01-21 Have you ever read a book and thought I do not want the main character to end up with the predictable hero I wish she had gotten with the other man instead Well here is your chance to change that scenario and choose whom you would like Lily to love In this book many comical things tend to happen to and around Lily Lockhart as she deals with her job her love life and her family Not to mention her friends So like a lot of us she is simply an ordinary woman trying to survive this modern world and not always getting it right before mistakes come back to bite her on the bum As the quirky but loveable girl just cannot help herself sometimes This is all before trying her hand at a spot of charity work when she decides that life is far too short to spend it selfishly At the start of the year she ends her engagement and before long there is plenty of male interest heading her way We are talking about The Handsome One Sean and The Funny One Tom In addition there is also The Rich One Peter but Lily cannot choose between them Therefore in the closing chapters it is down to you the reader to decide who wins Lily's heart since there is a fun multiple choice style ending to the story Will you pick the boyfriend the best friend or the boss Only one problem she's pregnant so who's the daddy

Socrates on Friendship and Community Mary P. Nichols,2009 In Socrates on Friendship and Community Mary P Nichols addresses Kierkegaard's and Nietzsche's criticism of Socrates and recovers the place of friendship and community in Socratic philosophizing This approach stands in contrast to the modern philosophical tradition in which Plato's Socrates has been viewed as an alienating influence on Western thought and life Nichols rich analysis of both dramatic details and philosophic themes in Plato's Symposium Phaedras and Lysis shows how love finds its fulfilment in the reciprocal relation of friends Nichols also shows how friends experience another as their own and themselves as belonging to another Their experience she argues both sheds light on the nature of philosophy and serves as a standard for a political life that does justice to human freedom and community
