Lovers Of Deceit:

Lovers of Deceit Mike Gallagher, 1993 An account of the murder of Betty Jeanne Solomon describes how sexy well to do Carolyn Warmus allegedly killed Solomon to free Solomon's schoolteacher husband from his marriage *Deception* Robert W. Mitchell, Nicholas S. Thompson, 1986-01-01 Mitchell and Thompson have compiled the first interdisciplinary study of deception and its manifestations in a variety of animal species Deception is unique in that it presents detailed explorations of the broadest array of deceptive behavior ranging from deceptive signaling in fireflies and stomatopods to false alarm calling by birds and foxes to playful manipulating between people and dogs to deceiving within intimate human relationships It offers a historical overview of the problem of deception in related fields of animal behavior philosophical analyses of the meaning and significance of deception in evolutionary and psychological theories and diverse perspectives on deception philosophical ecological evolutionary ethological developmental psychological anthropological and historical The contributions gathered herein afford scientists the opportunity to discover something about the formal properties of deception enabling them to explore and evaluate the belief that one set of descriptive and perhaps explanatory structures is suitable for both biological and psychological phenomena *Nietzsche on Women and the Eternal-Feminine* Michael J. McNeal, 2023-07-27 By re-examining Nietzsche's notion of the eternal feminine and his views on women and feminism this volume offers new perspectives on some of his key ideas It brings together a diverse group of scholars to critically engage with Nietzsche's use of late 19th century gender stereotypes and the ways in which they served his critique of values including his use of woman as a trope for truth Among other subjects the contributors consider the role of psychology in Nietzsche's thought his concern with style self creation and advocacy of perfectionism his views on romantic love and marriage and his aim of revaluing all values to instigate a distant philosophy of the future They investigate parallels between Nietzsche's thought and Shaktism his relation to Goethe and Stendahl and his influence on Beauvoir Butler and Dohm With the inclusion of two seminal essays on Nietzsche and women by Lawrence J Hatab and Kelly Oliver the volume also illustrates some of the ways in which scholarship on these subjects has evolved over the last four decades Providing fresh insights into these inter-related subjects Nietzsche on Women and the Eternal Feminine highlights the enduring relevance of his thought and its still underappreciated potential for re-thinking both the bases for and aims of feminism and other emancipatory movements *The Tragic and the Ecstatic* Eric Thomas Chafe, 2005 During the years preceding the composition of Tristan and Isolde Wagner's aesthetics underwent a momentous turnaround principally as a result of his discovery of Schopenhauer Many of Schopenhauer's ideas especially those regarding music's metaphysical significance resonated with patterns of thought that had long been central to Wagner's aesthetics and Wagner described the entry of Schopenhauer into his life as a gift from heaven Chafe argues that Wagner's Tristan and Isolde is a musical and dramatic exposition of metaphysical ideas inspired by Schopenhauer The first part of the book covers the philosophical and literary underpinnings of the story

exploring Schopenhauer's metaphysics and Gottfried van Strassburg's Tristan poem Chafe then turns to the events in the opera providing tonal and harmonic analyses that reinforce his interpretation of the drama Chafe acts as an expert guide interpreting and illustrating most important moments for his reader Ultimately Chafe creates a critical account of Tristan in which the drama is shown to develop through the music

Hadewijch Paul Mommaers (sac.), Elisabeth M. Dutton, 2004 Hadewijch c 1210 160 commands increasing attention internationally As an author she is extremely creative and artistic As a beguine she belongs to a revolutionary women's movement formed by religious women who conscious of their gender did not wish to enter into either marriage or a convent Spiritually and materially independent these first beguines come into conflict with social order and endure the reaction of clerics religious and secular authorities and those in orders As a mystic Hadewijch illuminates both the glorious aspects of the love relationship with God and its painful aspect with the enjoyment of love minne goes an increasingly intense desire in unity the alterity of the Beloved becomes all the stronger Consequently union with God is not a spiritual elevation by which a person is released from his or her being human the authentic mystical being one consists rather of the interplay between resting in God and working in this world between being God with God and being man with the Man Christ You must live as a human being this is the kernel of Hadewijch's life and teaching
