Lovers Of The Place Monasticism Loose In The Church:

Lovers of the Place Francis Kline, 2012 Originally published Collegeville Minn Liturgical Press c1997 With new foreword Lovers of the Place Francis Kline, 2012-05-01 In *Lovers of the Place* Abbot Francis Kline provided a fresh vision of the monastic life as one form of the Christian vocation that must find its place alongside other expressions of Christian life. He firmly believed that as monasticism renews itself for the church it will in turn renew the church. Kline invites all the baptized to a participation in the monastic charism loose in the church at large. Francis Kline OCSO was the third abbot of Mepkin Abbey a Cistercian Trappist monastery near Charleston South Carolina until his death in 2006. He studied at The Julliard School in New York and at Sant Anselmo in Rome. Research in the Social Scientific Study of Religion Ralph L. Piedmont, 2005-11-01 Various articles are presented covering psychological sociological and cross cultural topics or relevance to religious spiritual researchers and academics. **Reaching for God** Roberta Werner, 2013 *Reaching for God* is a compendium of Benedictine life and prayer for oblates. Confronted by the Covid 19 pandemic and mandatory isolation John de Gruchy felt a similar need to adapt and respond. In doing so he found a deepening in his desire for authentic humanity genuine community and the opportunity affirm his conviction that true humanity is rooted in God wisdom and the struggle for justice. This Monastic Moment John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss. Kairos is apocalyptic time and it is here and now. Such is the time in which we need to listen again to St Benedict of Nursia. Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility. Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now. So St Benedict __een hundred years a_er he wrote his Rule continues to tell us to listen wake up and run while there is still light _is is a time for both contemplation and action prayer.
