Loves Fantasy:

HIS LOVE. HER FANTASY Adrian Gabriel Dumitru, Annie P David, His love Her fantasy understanding what love is about As friends as a man but also as a woman we try to define the undefined from a love story Dreaming about love and being in love the path from the fantasy to the love story itself is just a matter of luck or maybe where you find yourself on the timeline of your own life Maybe is the perfect time for you to explore what love is about or maybe other things are important at the moment and the love story can only be a future project Exploring what love is about in our minds as a fantasy or in the real life as a real love story is depending only and only if we are ready or not But what is the difference between fantasy and reality when even the Bible is saying that everything we see is just an illusion Well i believe that the fantasy is only the begining of defining what we want and the love story is the experiment itself Is it too much to name a love story an experiment Well exploring as a fantasy or as reality is letting your soul understand what love is about And sometimes is even a life lesson The moment when you jump into the fairy tale the real fantasy and you understand the meaning of love the fact that love is about giving and not about receiving that is the moment when you also understand what life is about Accepting your partner just as he she is just as accepting all the people from our lives is the moment of awakening Me Adrian and my dear Annie are only trying to define the unseen path from fantasy to the love story itself And also let you know that this path is leading you to point when your thinking will be totally redefined Life itself is about love Seeing what love is about is understanding the meaning of life If the love chapter started for you even if it s just a fantasy of reality you should be happy The awakening will come to you

Reality Of A Fantasy Called Love Rudra Dave,2022-04-15 In the fast

paced world we live in forming and sustaining relationships is difficult During the COVID 19 Pandemic there has been a 35% spike in divorce cases all over the world due to the lock down Having a blissful romance is not an easy task these days Love has become text messages and phone calls Love has become Instagram posts Snapchat and staring at a screen Love has become more about hook ups and swiping right and left on dating apps instead of having an emotional depth and commitment in relationships Love these days has become crawling back to a person who has hurt manipulated and lied to you People are so empty and lonely that they mistake mere attention for love and eventually get their heart broken Love and heartbreak have become interchangeable words Many people are scared to fall in love Why What are the issues How to prevent and successfully deal with major conflicts in your relationship These are some of the questions which this book will answer and will be a one stop solution to most of your relationship and personal conflicts and dilemmas There are numerous books and movies about love but the reality today is completely different Love is twisted complicated and unpredictable but is also ecstatic heavenly and satisfying It all depends on how one handles it Most people commit grave errors in handling love resulting in failed relationships heartbreaks depression and worse Why does this happen This is because people are either unaware or they are habituated to falling in love with fantasies and their notions of love and relationships are far away from reality

On Sibling Love, Queer Attachment and American Writing Denis Flannery, 2016-12-05 Sibling bonds both literal and figurative have had a crucial role in American writings of queer desire and identity In nuanced and original readings Denis Flannery demonstrates the centrality of fraternal and sororal love to queer strands of nineteenth and twentieth century texts from the elemental wildnesses of Moby Dick to David Fincher's postmodern cinema from the brutal and comic decorum of Henry James's major fiction to the elegiac memoir writing of Jamaica Kincaid Questions driving Flannery's exploration of sibling relations How do we characterize the relationship between sibling love queer possibility and the formal intensities of American writing Why do so many American texts rely on the presence of sibling love to articulate queer desire Why is brotherhood invoked as a positive value in announcements of United States national aspirations but used repeatedly and ominously in that nation's texts to herald a fall Written with lyrical clarity and verve *On Sibling Love Queer Attachment and American Writing* is an important contribution to queer theory to American studies and to the study of culture writing and affect
