Love as Common Ground Paul S. Fiddes,2021-09-23 This book explores the way in which the study and practice of love

creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life

Sellers,2014-09-24 Bachata a guitar based romantic music that debuted in Santo Domingo s urban shantytowns in the 1960s is today one of the hottest Latin genres Still fans and musicians have not forgotten the social stigma the genre carried for decades This book interweaves bachata s history and development with the socio political context of Dominican identity The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations the growth of the lower class and a devoted following among Dominican migrants La bachata una musica de guitarra que se estreno en los barrios populares de Santo Domingo en los anos 60 hoy es uno de los generos latinos mas populares No obstante sus aficionados y sus exponentes recuerdan el estigma social asociado que conlleva por decadas Este libro entreteje la historia y el desarrollo de la bachata con el contexto socio politico de la identidad dominicana La autora plantea que su desaprobacion temprana resulto del clima politico en que nacio y los vinculos entre raza y clase social Propone que su aceptacion final como simbolo de identidad dominicana surge de sus innovaciones el crecimiento de la clase baja y sus seguidores leales entre los migrantes

dominicanos *The Glory of the Lord* Hans Urs Von Balthasar, 2013-04-11 Henri de Lubac has described von Balthasar as probably the most cultured man in Europe In volumes II and III von Balthasar shows the extraordinary range of his knowledge and expertise in a series of essays designed to illustrate different ways in which theologians have shared their work What he offers is a typology of the relationship between beauty and revelation which shows that there neither has been nor could be any true great and historically fruitful theology which was not expressly conceived and born under the constellation of beauty and grace Volume II offers a series of studies of representative figures from the earlier period of Christian theology Irenaeus Augustine Denys Anselm and Bonventura *The Ember Charging* Hendry Ledingwana, 2012-07 As a writer the stranger the writing becomes the more I have fun I enjoy twisting sequence of words Sometimes I am so Ironic To me mysterious meanings riddles are the best expression Talking to your master spirit is the real deal that s the point from where I can touch you For that s where you are bound to feel me The manner in which I wrote these poems is yielded from my fruit of truthfulness honesty earnest and faithfulness I was like pouring my heart to the folks from all odds Another thing which is the stem of my branches and the torch source to my steam is feelings rather than words I am doing the sense of hearing from the spirit of the Grand Creator I feel the nature It s amazing that I happen to know things I ve never been taught of When the poem is performed or read there is some fun earned because of some arrangement of words and rhymes as well But the essence of poetry is the most vital aspect to be taken heed to The essence of writing this compilation of poetry is to touch you with expressions unfamiliar to your ears Therefore we are supposed to study poems ardently in order to make meaning as well as having some fun The only reason I wrote this poetry was to pass a significant message **Magic Of Love Is Infinite...** Mamutty Chola, *Wordless Wisdom* Swami Sukhabodhananda, 2006-01-01 India Today What he teaches is essentially a mix of psychological yogic and meditation exercises tinged with the latest management jargon Business World He is the latest Guru on the corporate scene And his program on Stress and Creativity are being lapped up by executives from top notch companies The Times of India TOI does a poll on who talks the talk best Swamiji tops the list on all counts This is one man who has the ability to reach out to every member in the audience Swamiji is erudite often lyrically so His programs have been consciously designed to suit the widest spectrum of people to keep metaphysical and semantic speculations to the minimum *PICTURES II* Brad Young, 2024-11-19 One of the best ways to bring clarity to a written text when the meaning is not crystal clear is through the use of a picture illustration The response Oh now I understand is often the result of a good picture illustration It is normal to have questions or to have a certain amount of confusion when reading passages from the Bible What many people are not aware of is that God has provided us with hundreds of these picture illustrations to help clarify what He is saying to us in His Word God is the master illustrator and we always come to a deeper understanding of His Word and as a result greater spiritual maturity when we look carefully at the picture illustrations He has created for us In the first section of Pictures II we will examine the picture illustrations

God has provided for us through creation We will discover that much of what God has created in the physical realm helps us to understand the spiritual realm We will see how the physical explains the spiritual how the visible explains the invisible This section we will call Photo Album I In the second section of the book we will cover certain biblical principles that are contained in the New Testament and we will look to the people and events of the Old Testament for picture illustrations that bring clarity to those New Testament doctrines This section we will call Photo Album II The third section of the book is the most important We will look at what the New Testament teaches about who Jesus is and about God s plan of salvation for the world and then we will look to the people and events of the Old Testament for illuminating picture illustrations We will call this section of the book Photo Album III

Reflections of the Self Sandeep Trichal,2018-11-16 It needs immense focus and determination to write a memoir not to mention the discipline and a routine However the most difficult part of writing a memoir is coming to terms with the self And discovering the self is such a complex process There are layers and layers of the self that have to be exposed and the end product is the nakedness that is described in the form of words in this memoir Sometimes it is easy to peel off these layers of prejudices and memories some biases and some emotions but the final outcome is not something that is the gospel truth It is so because there is nobody to question you on the sort of line of thinking and words that you choose to represent the body of a memoir in the sense that everything preordained by the way one s neural networks are wired That s why I titled this memoir as reflections of the self as the true nature of the self cannot possibly be determined merely by words and just by living one life It takes several iterations when one truly understands the real self and perhaps that is what liberation or Moksha is all about
