

A small blue boat is positioned in the lower center of the frame, floating on a calm body of water. The water reflects the vibrant colors of the sunset sky, which is a mix of purple, pink, and orange. The sky is filled with soft, wispy clouds. The overall mood is serene and contemplative.

He, who loves praise,
loves temptation.

Loves Temptation:

Love Tony Milligan, 2014-10-14 What is love What is it to be loved Can we trust love Is it overrated These are just some of the questions Tony Milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of Plato Tackling the mood of pessimism about the nature of love that reaches back through Schopenhauer and Kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself We love too few things in the world Milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself

No More Hate Paschal Kimisha Sukambi, 2021-12-18 Christian Author Paschal Sukambi No More Hate No More Hate by Paschal Sukambi is an incredible book that speaks of Christ's love The Christians today overlook the vital purpose of our mission of faith is love We teach about faith and hope but forget to demonstrate and practice love The book covers different angles of love but begins with revealing that knowing and comprehending love goes together with knowing and comprehending God and following the ways of love is following the ways of God and nothing less Well scripted by the scriptures the book seeks out to illuminate and impart Christians to devote in searching for the full knowledge of God's love and understand that Love is who we are and love defines us as Christians for we were created in the image of Love Additionally the book reveals that the diversity between a Christ's believer and a Non believer in these end times does not originate from the teachings and practices but rather the love of God that dwells within Christian's hearts that the world needs to experience The author also reveals from the book that in these end days not only most do hate each other but reasonably hate one another as the bible speaks in Matthew 24:12 that as the result of the iniquities abound the love of many including Christians shall wax cold The author advocates that Christians should deeply hear and learn about the subject of love understand it meditate it practice it so as to be able to do accordingly No More Hate book comes as a recommendation book to help every Christian to do according to the commandment of God love one another It is informative and instructive kind of book and one the author urges every Christian to consider having one Get your copy of No More Hate

Love's Vision Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love's Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an
