Loves Theatre Womens Erotic Writing:

Women, Writing, and the Theater in the Early Modern Period Annette Kreis-Schinck, 2001 The previous revolutionary period in England had changed the nation enough for women's participation in all areas of society politics and religion to become feasible and visible This emergent visibility gave them a chance to become actresses after 1661 and sparked their desire to offer contributions to the public stage after 1669 **BOOK JACKET**

Women Writing Musicals Jennifer Ashley Tepper, 2024-11-19 The first ever book to tell the stories of over 300 inspiring women who wrote Broadway and Off Broadway musicals that Publishers Weekly calls an exhaustive tribute to women whose contributions to Broadway musical history have often been overlooked Library Journal praises the book saying Tepper has fashioned a winning book on the unsung heroines of Broadway musicals that will be appreciated by readers of women's studies and theater lore Kirkus Reviews says it's an encyclopedic reference and a long overdue tribute to female lyricists and composers From the composers who pounded the pavement selling their music in Tin Pan Alley at the turn of the twentieth century to the lyricists who broke new ground writing shows during the Great Depression to the book writers who penned protest musicals fighting for social justice during the 1970s to those who are revitalizing the landscape of American theatre today Women Writing Musicals tells the stories of over 300 inspiring women who wrote Broadway and Off Broadway musicals Jennifer Ashley Tepper's definitive book covers prolific and celebrated Broadway writers like Betty Comden and Jeanine Tesori women who have written musicals but gained fame elsewhere like Dolly Parton and Sara Bareilles and dramatists you've never heard of but definitely should have Among the gems shared here are the stories of Clara Driscoll who saved the Alamo and also wrote a Broadway musical Micki Grant whose mega hit musical about the Black experience made her the first woman to write book music and lyrics for a Broadway show Mar a Grever who made her Broadway debut at age 56 and who was the first Mexican female composer to achieve international success and the first all female writing team for a Broadway musical in 1922 Annelu Burns Anna Wynne O Ryan Madelyn Sheppard and Helen S Woodruff This book is a treasure trove for theatre loving readers that Tony and Emmy Award winning actor and singer Kristin Chenoweth praises as a wonderful resource for actors and an important read for anyone interested in theatre

Ovid and His Love Poetry Rebecca Armstrong, 2015-03-02 Ovid devoted about half of his poetic career to the production of several collections of amatory verse all composed in elegiac couplets Indeed his irrepressible interest in love sex and elegiac poetry is one of the defining features of his entire output Here Rebecca Armstrong offers a thematic examination of some important aspects of the Amores Ars Amatoria and Remedia Amoris Starting from an investigation of the narrator's self creation and presentation of other characters within his amatory verse she assesses the importance of mythical and contemporary reference as well as the influence of the erotic on Ovid's later works By looking at the Ars and Remedia alongside the Amores the continuities and contradictions in the poet's elegiac outlook are revealed and a complex picture is formed of the Ovidian world of love Ovid's erotic works present the reader with

a glimpse inside the minds of both poets and lovers mediated through eyes which are frequently inclined to comedy and even cynicism but always sharp perceptive and above all fascinated by human behaviour

The Cambridge Guide to Women's Writing in English Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty-five years. This is an opportunity for stock-taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers, on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English, the visionary writings of Julian of Norwich and Margery Kempe, are covered in an historical and geographical sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures, using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

Rethinking Chivalry and Courtly Love Jennifer G. Wollock, 2011-04-07 This book offers an overview of the origins, growth and influence of chivalry and courtly love, casting new light on the importance of these medieval ideals for understanding world history and culture to the present day. *Rethinking Chivalry and Courtly Love* shows that these two interlinked medieval era concepts are best understood in light of each other. It is the first book to explore the multicultural origins of chivalry and courtly love in tandem, tracing their sources back to the ancient world, then follow their development separately and together through medieval life and literature. In addition to examining the history of chivalry and courtly love, this remarkable volume looks at their enduring legacy not just in popular media but in molding our present-day concepts of human rights, professional ethics, military conduct and gender relations. Readers will see how understanding the tenets of the chivalrous life helps us understand our own world today.

The Concise Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement, this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades. It offers an enormous range of writers from Sojourner Truth to Frederick Douglass, from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson. It contains entries on major works, including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary characters such as Bigger Thomas, Coffin Ed Johnson, Kunta Kinte, Sula, Peace, as well as on character types such as Aunt Jemima, Brer Rabbit, John Henry, Stackolee and the trickster. Icons of black culture are addressed, including vivid details about the lives of Muhammad Ali, John Coltrane, Marcus Garvey, Jackie Robinson, John Brown and Harriet Tubman. Here too are general articles on poetry, fiction and drama, on autobiography, slave narratives, Sunday School literature and oratory, as well as on a wide spectrum of related topics. Compact yet thorough, this handy volume gathers works from a vast array of sources, from the black periodical press to women's clubs.

making it one of the most substantial guides available on the growing exciting world of African American literature

Women's Studies Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed, often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and is a useful addition to any academic or public library that endeavors to represent the field. A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century. The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed, often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles, substantially extending the coverage. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb Searing and Stineman left off, this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field. *New York Magazine*, 1988-10-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *Theatre Magazine* W. J. Thorold, Arthur Hornblow, Arthur Hornblow (Jr.), Perriton Maxwell, Stewart Beach, 1921 [The New York Times Theatre Reviews 1999-2000](#) New York Times Theater Reviews, 2001-12 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender authority, female autonomy, and unruliness, courtship and marriage, language and speech, and performance and theatricality.

Homoerotic Sensibilities in Late Imperial China Cuncun Wu, 2004 *Homoerotic Sensibilities in Late Imperial China* is the richest exploration to date of late imperial Chinese literati interest in male love. Employing primary sources such as

miscellanies poetry fiction and flower guides Wu Cuncun argues that male homoeroticism played a central role in the cultural life of late imperial Chinese literati elites Countering recent arguments that homosexuality was marginal and disparaged during this period the book also seeks to trace the relationship of homoeroticism to status and power In addition to historical portraits and analysis the book also advances the concept of sensibilities as a method for interpreting the complex range of homoerotic texts produced in late imperial China
