The last chapter is named **The Approach** rather than demanding Obedience using force or treats; it's focused on two-way trust in a relationship. This relational approach of Doggy Education resonates in its ethical relationship with all humans as well as other sentient beings. This book brings the readers into a robust relationship between them and their pets, dogs starting with themselves, because Magic starts with You. ***A Commentary on the Letters of John*** David Pawson, 2015-10-12 A New Testament study by David
