## **Loving Christ Recapturing Your Passion For Jesus:**

**Loving Christ** Joseph M. Stowell, 2000 In his retelling of a marvelous story from Luke Stowell probes the essence of what it means to love Christ first making readers feel more deeply and then spurring them to action in real life In *Loving Christ* the contrast between two followers in Luke forces readers to face the reality of whether they are more like the loving woman or the standoffish Simon the Pharisee

**Why It's Hard to Love Jesus** Joseph M. Stowell, 2003-09-01 Why It's Hard To Love Jesus takes a close look at the story in Luke 7 describing Simon the Pharisee and a sinful woman who anoints Jesus with expensive oil When we're confronted with the reality of Jesus do we remain indifferent and religious like Simon the Pharisee or do we fall at His feet in adoring worship like the woman who had been forgiven much Joseph Stowell challenges Christians to honestly probe the answer to this penetrating question

**Love Like Jesus** Kurt Bennett, 2020-02-11 Based on Kurt Bennett's popularish blog *God Running Love Like Jesus* begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett's own moral failures affirm he wrote this book for himself as much as for others *Love Like Jesus* examines a variety of stories examples and research including Specific examples of how Jesus communicated God's love to others How Jesus demonstrated all five of Gary Chapman's love languages and how you can too The story of how Billy Graham extended Christ's extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn't love everyone the same and why you shouldn't either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty *Love Like Jesus* shows you how to live a life according to God's definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus

**The Soul Care Leader** Rob Reimer, 2022-11-29 How do we live a healthy life and lead others into spiritual emotional and relational health and wholeness That is the focus of this book Trying to help others find freedom and wholeness is draining work What do we do to become healthy and maintain our well being What are the practices and rhythms we need to engage in to be effective Soul Care practitioners How do we create a culture where life change flourishes How do we minister in the power of the Spirit so that we can lead others into breakthroughs Too often people are talking about the same problems that they were talking about several years ago but they aren't finding a path to freedom We need to help people get to the roots and not merely manage their dysfunction and sin These are the questions and topics that this book will seek to equip you in as you seek to live and lead people into freedom and fullness in Christ

God is still writing your story What happens when life doesn't turn out the way you always imagined How do you stay hopeful when disappointments unfulfilled longings and frustrating detours come knocking on your door Kristen Clark and Bethany Beal have asked these same questions themselves In *Not Part of the Plan* they open up their lives in the most raw and relatable way sharing their own journeys through unexpected seasons of infertility singleness loss and heartbreak But in the midst of it all they've learned that true hope doesn't come from getting the life you always dreamed of but from trusting God with the life He has for you and believing that His plans truly are good Sister wherever you are on your journey your life has purpose and meaning in Christ and thriving is possible right now If life has thrown you a curveball and your future feels hard and scary *Not Part of the Plan* is the book for you You'll laugh You'll cry But most of all you'll appreciate the advice of these wise friends as they teach you how to walk through pain and uncertainty and lead you toward a hope-filled tomorrow Mary A Kassian author of *Girls Gone Wise in a World Gone Wild* Bethany and Kristen address the struggles we face when life takes unwanted detours and show us through Scripture and experience that our ultimate hope is found in Christ Even in life's disappointments we can be completely confident in God's greater plan that is for our good and for His glory Gretchen Saffles author of *The Well Watered Woman* founder of Well Watered Women

[Introduction to the Medieval Mystics of Europe](#) Paul E. Szarmach, 1984-01-01 The European Middle Ages bequeathed to the world a legacy of spiritual and intellectual brilliance that has shaped many of the ideals preconceptions and institutions we now take for granted *An Introduction to the Medieval Mystics of Europe* examines this phenomenon in vivid and scholarly accounts of the lives and achievements of those men and women whose genius most inspired their own and subsequent ages These great mystics explored and consciously realized the relationship between human life and unconditioned transcendence Representing both the contemplative and scholastic traditions the mystics in these studies often found their solutions to ultimate questions in radically different ways Some of them such as Eckhart Aquinas and Cusa may already be familiar and here the reader will benefit from a new approach and summary of extensive research Others such as Smaragdus and several of the women mystics are little known even to specialists Finally and unusually for a study of European mysticism the influence of Spanish Kabbalists is discussed in relation to the Zohar and two figures from the mystical school of Safed Cordovero and Luria Though the essays focus on individuals the cultural and social implications of their lives and work are never ignored for the mystic way did not exist separately from the rest of medieval life it functioned as an integral part of the whole influencing the development of Christian and Jewish religions in both their internal and external forms

**Galatians** Todd Wilson, 2013 Paul's letter to the Galatians provides key insights into salvation and the nature of grace Drawing on years of pastoral ministry Wilson leads readers through the book's major themes with exegetical clarity and theological care A Preaching the Word commentary

**A Passionate Commitment** Crawford W. Loritts, 1996-07-05 We regularly attend church know the hymns by heart and teach our children about Jesus We are doing the right things So why do we feel so empty Although Jesus promised His

followers an abundant life many Christians struggle with a lack of purpose fulfillment and zeal Underneath all of their Christian activity they feel cold and at times confused about the place and prominence of Jesus Christ in their inner lives The problem according to Crawford Loritts is that we've lost our sense of purpose While we may have a general sense of direction we have assumed that somehow we can work out the details or that everything will just fall into place While we outwardly conform to what we say we believe we privately confess that we know God wants and deserves more from us A Passionate Commitment will help you understand God's purpose for your life by challenging the things the world teaches you to hold dear Crawford Loritts will help you revive your passionate commitment to the God of the universe     The Authority of Love

Greg Williams, 2020-10-22 A wake up call for the modern day American church to restore the Biblical standards of marriage family and the church which are still compelling and transforming Bob Russell Retired Southeast Christian Louisville KY Greg is a down to earth practitioner of faithful Christian living Love and Lordship is in touch with the real world flesh and devil and how each seeks to threaten and corrupt our daily walk with Christ Ken Idleman President retired Ozark Christian College Love what we desperately seek Authority what we doggedly avoid unless we're in control which is not real authority The Authority of Love shows how to bring them together Truth love authority humility a servant's heart all qualities of Christ all qualities we aspire to as disciples of Christ Christ is the Way the Truth and the Life Christ God is Love All Authority has been given to Him and in Him all things were made and exist by Him He is the epitome of Humility He displayed the purest of servant hearts All of these tremendous traits and virtues are found in Him Throughout the centuries we've tried to attain these as noble and good and yet as is so often the case we've defined them in our own terms much to our detriment We separate virtues in order to perfect them in and of ourselves Christ had a better way and in His Kingdom we find that because He embodied and modeled all of these traits and qualities in perfection He calls us to walk accordingly Instead of following culture and separating them attempting to perfect each we would be wise to follow His example as our Lord and see them as inseparable and live them as He did Separating these qualities as we are prone to do in our flesh has never worked The Authority of Love points us to Christ and God's Word and draws on real life stories to show us how Truth Love Authority Humility and a Servant's Heart are embodied in Christ and His Kingdom and how we can follow His lead in our life marriage family and in His Church to show the world a different way His Way If you are serious about walking with Christ as Lord in your life marriage family every area of your life this book is for you As I wrote this book we found ourselves in the middle of the first global pandemic in a century and political and social upheaval in the US like we've not seen in the last half century Our faith is being tested I believe God is calling Christ's Church to a spiritual awakening not just simply to do church services differently serve more people and accommodate the culture thinking we will reach more It is a call For personal and collective confession and repentance of idolatry and compromise For believers to absolutely make Christ Lord of every part of your life For men to be Godly relational servant leaders as husbands who love their marriage spouse and family above

their own success glory and desires just as Christ did for His Bride The Church For marriages to be a positive testimony to the Gospel of Christ so the world will see and know Him To husbands and wives to submit to one another out of reverence for and submission to Christ as Lord To disciple our children in our homes and in all of the above build loving relationships that strengthen Christ s Church To move beyond drawing people into a weekly one hour service or a couple hours of weekly activity to our communities or the world To disciples making disciples in loving relationships and holding each other accountable to obedience as we walk in His Love and Lordship That call is the message of this book Reader s say Greg Williams provides us with a much needed Spiritual gut check in The Authority of Love and the guidance we need to get back on track Greg is amazing speaker and author This book is an essential book for our churches and leaders to read and grow in the Lord s will for their life Highly recommend      **The Message of Love** Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today      **Heaven Awaits the Bride** Anna Rountree,2013-07-15 While staying at a cabin in the mountains Anna Rountree ws caught up in a tremendous vision of heaven While there she was met and taught by the angels around her and Jesus himself In this book Rountree provides readers with a stunning vision of what heaven is like and discusses the correlation between events today and what she saw in the spirit realm Heaven Awaits the Bride is a combination of two previously released books The Heavens Opened and The Priestly Bride which together contain the account of Rountree s visions of heaven Positioned to make the most of the extreme interest in heaven in the market place this new book presents the information in a integrative study format interspersing valuable notes within the next pages

Elijah's Revolution Jim W. Goll,Lou Engle,2005      **Soundings in the Christian Mystical Tradition** Harvey D. Egan,2010-10-01 Called in a special way to listen to God s whispers the mystics amplify not only what it means to be baptized into the life death and resurrection of Jesus Christ and to having the Trinity living in them but also what is deepest in the human spirit Mystics experience themselves as an infinite question to which only God is the answer as an immense longing

that only Love can quench as a nothing in the face of the No Thing They are God's fools troubadours the great artists and poets of the interior life whose learned ignorance articulates the art of loving God neighbor self the Church and the world In Soundings in the Christian Mystical Tradition Harvey Egan draws on fifty years of reading and teaching the mystics to sketch the varieties and passion of the mystical life across more than two millennia Through their stories and words Egan reveals that all were conscious of the paradox of human identity supremely and unsurpassably manifested in the God Man that the genuinely human is disclosed only through surrender to God and that the search for God cannot bypass the genuinely human Harvey D Egan SJ is the author of numerous works on Christian mysticism and the thought of Karl Rahner He is currently professor of systematic and mystical theology at Boston College *No Greater Love* Rebecca McLaughlin,2023-09-05

Greater love has no one than this that he lay down his life for his friends John 15:13 Our culture idolizes romance and the love of parents for their children But Jesus said there was no greater love than sacrificial friendship love What's more He issued a command to His disciples that they live into this kind of love Christian friendship isn't just a nice to have It's vital But it's also dangerous Friends can pull us up when we're knocked down embrace us with their love and spur us on to follow Jesus better But friends can also grind us to the ground exploit or invite us into sin In *No Greater Love* Rebecca McLaughlin walks us through the highs and lows of friendship love a love that's been neglected and malnourished in our modern world She draws especially on Jesus in the Gospels and on Paul to show how powerful and precious Christian friendship is and how we can walk through the hurt loss and disillusionment that comes from broken friendship trust Beginning with the words of Jesus on the night he was betrayed and abandoned she points us to His battle tested love as the unending source of our best love for one another Male or female single or married joyful or lamenting lonely or embraced we all need friendship love This book will help us give and receive it in a way that calls us back to Jesus's commandment that we love each other just like He loves us **Recapturing the Wesleys' Vision** Paul Wesley Chilcote,2009-08-20 Paul Wesley Chilcote introduces the dynamic faith of John and Charles Wesley showing how they were able to balance faith and works Word and Spirit the personal and the social head and heart mission and service *Capturing Heaven's Attention* Chris Overstreet,2023-10-03
