nations political discourse when the eight hundred pound gorilla in the room is Christian Dominionism. Renowned author and satirist Rich Woods returns and this time he's got the twenty first century version of the Republican Party in his sights. With an uncommon perspective and singular wit, Woods systematically dissects the runaway bigotry, social regression, misogyny, economic illiteracy, and overall lack of rationale in the fundamentalist Christian dominated Tea Party GOP. At times brutally funny and at other times wrenchingly astute, Woods is unique amongst his peers in his ability to combine acumen with unapologetic mockery. Yet while *Y2H* oscillates back and forth between sobriety and satire, it manages to shine a light in the darkest parts of American politics. Indeed, Rich Woods demonstrates once again that he is equally adept with both a scalpel and a chainsaw. This book will anger many and drive others to uncontrolled laughter. As long as it makes them rethink what they've been told, the author doesn't care. Bob Ingle, award winning journalist, Radio and TV commentator, and co-author of *The New York Times* Best Seller *The Soprano*, *State New Jersey's Culture of Corruption*, and Chris Christie *The Inside Story Of His Rise To Power*. Rich Woods is down to earth, outspoken, acerbic, and has absolutely no patience for ignorance or stupidity. He has mastered the art of the book length rant and gives voice to the frustration so many of us feel with religion in the United States. William Hamby, Columnist, Examiner.com. This book should be required reading of all Republican voters in America. Rich pulls the curtain back from a party that many of us used to respect to show that there is nothing decent left. Brian Sapient, Secular activist and Founder of the Rational Responders.

Darius the Great Deserves Better Adib Khorram, 2021-08-24. In this companion to the award winning *Darius the Great Is Not Okay*, Darius suddenly has it all: a boyfriend, an internship, a spot on the soccer team. It's everything he's ever wanted, but what if he deserves better? Darius Kellner is having a bit of a year. Since his trip to Iran, a lot has changed. He's getting along with his dad, and his best friend Sohrab is only a Skype call away. Between his first boyfriend, Landon, varsity soccer practices, and an internship at his favorite tea shop, things are falling into place. Then, of course, everything changes. Darius's grandmothers are in town for a long visit, and Darius can't tell whether they even like him. The internship is not going according to plan. Sohrab isn't answering Darius's calls, and Dad is far away on business. And Darius is sure he really likes Landon, but he's also been hanging out with Chip Cusumano, former bully and current soccer teammate, and well, maybe he's not so sure about anything after all. Darius was just starting to feel okay like he finally knew what it meant to be Darius Kellner. But maybe okay isn't good enough. Maybe Darius deserves better. **Their Eyes Were Watching God** Zora Neale Hurston, 2020-05-30. End of Discussion Mary Katharine Ham, Guy Benson, 2017-08-01 With a new foreword for the paperback edition reflecting Trump s election and the recent uproar surrounding right leaning speakers on college campuses this unapologetic conservative duo featured on FOX News Townhall The Federalist and CNN combat the silencing of free speech in America They re trying to silence you But don t let them dictate the End of Discussion In the age of Trump a prejudice against free speech is spreading fueled by a growing movement that believes ideas must be squelched to protect people The presidential election of 2016 should have been the clearest sign yet to the Left that trying to convince half the country to shut up is not the same as actually convincing them And yet in its wake the impulse to stifle and punish incorrect viewpoints and the deplorables who voice them is alive and well It s a vicious and ironic cycle especially in academia where dissenting speech is deemed dangerous and equated to violence while actual violence is justified to bully its proponents From Berkeley to Middlebury the mob is on the march Free speech isn t always pretty but it s vital to the American way We have to make America talk again *End of Discussion* arms readers to find their voices and fight back against the death of debate
