Loving Lily:

Loving Lily Jennifer Smith Widmer, 2021-06-30 He was only half paying attention to the lingering tourists but then his eyes caught hold of an image that immediately captured his attention He realized that she was alone and apparently so absorbed in her thoughts that she failed to notice that she was the last one inside the castle walls besides himself and a few workers He took several pictures before she suddenly sensed the quiet He lowered his camera before she saw him and was rewarded with only a slightly interested glance as she walked past the stables on her way out As he once again raised his camera and began taking pictures he found he could not entirely rid himself of the one image he had not meant to capture today but which somehow he knew he would never be able to forget Lily Manning loves her life She has a wonderful family a fulfilling job and several hobbies that keep her busy and happy Still she feels like there s something wrong with her because despite everything going for her she s still single at twenty eight When she meets Ammon Hunter she hopes she finally has a chance to feel complete But when things don t go the way she planned will she be able to overcome her despair and learn that she can love herself for who she already is

Lily's Choice May Ellis, 2024-10-23 An emotional historical read from BESTSELLER May Ellis based on real life events Living in South London Lily has always longed for a better life for her family And when she secures a job at a City law firm her dreams look like they may finally come true But Lily s hopes are shattered when her teenage daughter Beverley falls pregnant with the father nowhere to be seen Lily loves the child but worries about Beverley and her illegitimate baby s future The additional responsibilities of another mouth to feed begin to take their toll and worst of all is the rift growing between Lily and her husband Jack who despite his devotion to his family doesn t seem to understand Lily s feelings or everything she s been working for Then the opportunity for change comes in an unexpected form and Lily must choose whether to grasp her chance of happiness with both hands even if it could cost her dearly Should she risk everything for the chance at a better life A gripping and moving new historical novel from the author of the bestselling *Clarks Factory Girls* series Perfect for fans of Kitty Neale and Rosie Clarke Previously published as *Mine* Join the readers who have fallen in love with May Ellis s brilliant books If you like Annie Murray and Margaret Dickinson you will love this Goodreads review A fantastic historical fiction read full of heartbreak and hope Goodreads review I enjoyed every bit of this book right from the start The author has done a great job in this heartbreaking story A new author for me Superb reading right to the end Goodreads review A gripping and emotionally resonant novel that will leave readers eagerly awaiting the next instalment in the series Goodreads review An amazing and sweet story of three girls trying to deal with their families at the beginning of WWI and learning to grow up Goodreads review What a wonderful book telling the story about Clarks and the families that work for Clarks Also what a great start to a series Goodreads review A truly wonderful story of what life was like for three young ladies working in the Clark s factory during World War One Goodreads review

ANGEL HAIR Margot Griffiths,2013-07 Victoria BC 1958 A haunting first novel of a privileged tight knit neighborhood an insular world of stifling traditional values a world where the eccentric and gifted Morgan family doesn't fit Eleanor and Hugh have settled into the rhythms of a long rift bound by history and remnants of love Their ten year old daughter Myfanwy escapes into the world of her imagination but as conflicts escalate her older brother Owen seeks a more desperate escape and the family begins its descent in earnest the neighborhood watches hiding secrets of its own for beneath a veil of civility all is not as it seems Rich with period detail finely drawn characters and withering humor Poems and songs John

Brown,1883 Rubinstein Harvey Sachs,1995 Award winning biographer Harvey Sachs has spent over a decade traveling the world in search of the man behind the legend the artist behind the myth and the secret life behind the memoirs Sachs reveals not only Arthur Rubinstein's many humanitarian efforts but also his lavishly uninhibited love affairs his fabled rivalry with Horowitz and his often charged relationships with political leaders royalty and high society Photos Loving Lily Suzanne E. Dillon,2014-08-05 This is the story of a young woman living in the Midwest attempting to have a peaceful normal life just like anyone else Coworkers and neighbors know very little about her assuming her to be reclusive and odd They are unaware of the gruesome secrets she hides from every day There are a few however who do know her secrets but they are missing one important detail where she is currently hiding For many years she has eluded capture but her history is about to catch up with her in more ways than one Not only is the darkness of her past about to ascend her past will also become her savior Loving Lily witnesses one woman's struggle to overcome a terrible past and internal demons in order to be free to love and to live The Gardeners' Chronicle ,1899 Garden Cinderellas Helen Morgenthau Fox,1928 Paul Klee and His Illness H. Suter,2010-02-01 In 1933 Paul Klee's work was branded as Entartete Kunst Degenerate Art by the National Socialists and he was dismissed from his professorial post at the D'sseldorf Academy of Fine Arts This led him together with his wife Lily to return to his real home of Bern Here his avant garde art was not understood and Klee found himself in unasked for isolation In 1935 Klee started to suffer from a mysterious disease The symptoms included changes to the skin and problems with the internal organs In 1940 Paul Klee died but it was only 10 years after his death that the illness was

actually given the name scleroderma in a publication about Klee However the diagnosis remained mere conjecture Since his adolescence the dermatologist and venereologist Dr Hans Suter has been fascinated by Paul Klee and his art and more than 30 years ago this fascination spurred him to commence research into the illness and its influence on the art of Paul Klee s final years It was due to Dr Suter s meticulous investigations that Klee s illness could be defined as diffuse systemic sclerosis In this book the author assembles his findings and describes the rare and complex disease in a clear and comprehensible way Further he empathetically interprets more than 90 of Klee s late works The point of view of a dermatologist renders a unique source of information It provides on one hand new insights into everyday medical practices at the University of Bern in the 1930s which will fascinate doctors and local historians alike While on the other hand art historians and art lovers will be absorbed by the newly discovered links between Paul Klee s work and his illness **Over the Cliffs** Charlotte Chanter,1866
