Loving Wisdom:

The Love of Eternal Wisdom Saint Louis de Montfort, Aeterna Press, 2015-02-20 O divine Wisdom Lord of heaven and earth I humbly beg pardon for my audacity in attempting to speak of your perfections ignorant and sinful as I am I beg you not to consider the darkness of my mind or the uncleanness of my lips unless it be to take them away with a glance of your eyes and a breath of your mouth Aeterna Press

Wisdom's Call K A Ellis, 2023-09-05 Like all great building projects the world runs on the wisdom of its Architect The universe is a carefully ordered place designed for humanity's good and God's glory Too often however we attempt life based on our own understanding To become wise we must respond to Wisdom's call to dwell in Wisdom's house Scripture teaches that Christ Himself is our wisdom our way back to understanding how to build and live as the Architect intended Those who meditate on the wisdom of Christ will find themselves living in Wisdom's house once again You will be refreshed and able to bring life to those around you just like Christ who breathed life from its start K A Ellis shows us how to claim the asset of wisdom and invites us to experience Jesus Christ the Wisdom on which our world rests Ellis calls us to live as people who are wise

Loving Jesus Mark Allan Powell, The essence of spirituality is loving God says Powell The Bible the Talmud and the Qu'ran all direct their followers not merely to believe in God to trust God to obey God and to serve God but to love God But how does one do that Can we learn to love God In this biblical spirituality for today Powell's earnest plea is for Christians to revisit their faith not by blazing in religious enthusiasm but by harboring a steadier flame and deeper commitment Living at the poetic heart of faith he argues entails seeing the coordinates of religious life love understanding truth hope and especially devotion in a new way Powell espouses the old fashioned idea of piety Drawing on his wide knowledge of the Bible and Christian tradition as well as insights from his own journey he shows how simple religious practices move us beyond the old certitudes of a naive and youthful faith into the less certain but more bracing terrain of a second naivete a closer walk with Jesus

The Path of Love Ronald D. Cowen,2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist

Goicoechea,2013-03-13 Goicoechea explains Nietzsche's thesis that the agapeic love of Jesus is humankind's highest affirmation even for sinners like the author's father Joe Goicoechea who lived it out existentially Already before the Q scholars Nietzsche saw this love as the essence of the Sermon on the Mount and based his philosophy upon it Throughout the Catholic tradition agape fulfilled the affection of Empedocles the eros of Plato the friendship of Aristotle and the agape of Plotinus While as Anders Nygren shows modernists protested such syntheses now postmodernists once again let agape and the four loves contribute to one another **Philosophy** David K. Block,Patrick N. Cain,Stephen Patrick Sims,2021-06-23 This volume provides a fresh perspective on current democratic theory and practice by recovering the rich evaluations of democracy in the history of political thought Each author addresses a single thinker's reflections on the virtues and defects of democracy and the relationship between democracy and other regimes Together these essays explore the tensions within the democratic way of life that arise from an attachment to equality liberty citizenship law and the divine Above all this work aims at recovering a more complex understanding of democracy connecting the perennial questions of political philosophy to the perplexities and crises of modern democracy [Agape and Hesed-Ahava](#) David L. Goicoechea,2015-02-19 Goicoechea presents his third volume in a series on agape In this book he shows in four ways how the agape of Jesus fulfills the ahava and hesed of the Hebrew Bible First he shows existentially how he learned and lived this for six years in a Benedictine Minor Seminary and then for three years in a Sulpician Major Seminary Second he demonstrates how ahava or our love for God and neighbor and hesed or God's love for us develop through the Hebrew Bible Goicoechea argues that St Matthew's Gospel explains the fulfilment of ahava and hesed with Jesus agape He concludes by drawing attention to how Levinas and Derrida two Jewish postmodern philosophers treat Jewish and Christian love **How Mindfulness Meditation Works** Ronald Cowen,Jasmine

Cowen,2016-08-25 The front cover is the visualization for a meditation designed to recall the Bodhicitta of infancy Some Buddhists believe infants are born enlightened Imagine there suddenly appears a glowing ember in your heart that glows stronger as you breath in and turns into a fountain of love that flows throughout your body as you breath out Meditate for 30 Minutes Allow the meditation to close gently www.ronaldcowen.com **Women, Ritual, and Power** Elizabeth Ursic,2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In Women Ritual and Power Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy Women Ritual and Power is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of Changing the Subject Women's Discourses and Feminist Theology Catholic Book Summaries Matthew Plese,2013-05-14 Catholic Book Summaries presents 54 summaries of Catholic books in a concise clear and complete manner With so many books for Catholics to read and understand Catholic Book Summaries is an attempt to synthesize some of the most well known traditional and contemporary classics for today's Catholics Meant for Catholics of all ages this book is your guide to understanding dozens of books in a fraction of the time required to read them all This is an entire library of must read Catholic books condensed into one volume These summaries of the most important Catholic thinkers of all time are not just quick facts They distill the wisdom of our great Catholic thinkers such as Blessed Cardinal Newman Archbishop Fulton Sheen Scott Hahn GK Chesterton and so many more **Philosophy and Fiction** Schuy R. Weishaar,2022-11-22 Fiction lies in order to tell the truth and seeks reality through shadows Philosophy attempts to dispel false realities it pursues clear understanding of things as they are While the relation of philosophy and fiction is perhaps paradoxical they implicate one another's picture of human experience This book uses fiction to help readers process philosophical themes and the philosophical reflection in turn helps clarify the fiction The study moves through roughly a hundred years of modern fiction from Washington Irving's The Devil

and Tom Walker 1824 through James M Cain s Double Indemnity 1936 Several classic works of literary fiction are examined a few largely forgotten stories and several popular novels Reading fiction through the lens of philosophy helps readers perceive the complexity and richness of fiction reinvigorating the pursuit of wisdom that lies just beneath the surface of the words on the page
