

LOWELL'S PROMISE

RICHARD STEPHENS

Lowells Promise

Patrick Vollmar

Lowells Promise:

The Lowells of Massachusetts Nina Sankovitch, 2024-06-04 A stirring saga of a New England family Sankovitch has made a compelling contribution to Massachusetts and American history Roger Lowenstein *The Wall Street Journal* The Lowells of Massachusetts were a remarkable family They were settlers in the New World in the 1600s revolutionaries creating a new nation in the 1700s merchants and manufacturers building prosperity in the 1800s and scientists and artists flourishing in the 1900s For the first time Nina Sankovitch tells the story of this fascinating and powerful dynasty in *The Lowells of Massachusetts* Though not without scoundrels and certainly no strangers to controversy the family boasted some of the most astonishing individuals in America's history Percival Lowell the patriarch who arrived in America in the seventeenth century to plant the roots of the family tree Reverend John Lowell the preacher Judge John Lowell a member of the Continental Congress Francis Cabot Lowell manufacturer and some say founder of the Industrial Revolution in the US James Russell Lowell American Romantic poet Lawrence Lowell one of Harvard's longest serving and most controversial presidents and Amy Lowell the twentieth century poet who lived openly in a Boston Marriage with the actress Ada Dwyer Russell The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work community service and individual responsibility with a deep seated optimism that became a well known family trait Long before the Kennedys put their stamp on Massachusetts the Lowells claimed the bedrock By the final pages of this volume one feels deeply attached to the individual Lowells while also exhilarated at having experienced this grand sweep of American history Charlotte Gordon *The Washington Post* **The Nature of Sacrifice** Carol Bundy, 2005-04-13 In this remarkable work Bundy draws on a wealth of family papers and public archives for her vivid portrayal of a privileged young Yankee who became a battle hardened soldier and revered officer *Burton's Gentleman's Magazine, and American Monthly Review*, 1838 Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell's *Imitations and the Cold War* argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial US expansion and Empire It departs from studies focused solely on *Imitations* 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* 1944 and *Lord Weary's Castle* 1946 through his celebrated mid career collections *Life Studies* 1959 and *For the Union Dead* 1964 and to later works such as *Near the Ocean* 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's

restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

[The Collected Works of G. Lowes Dickinson \(9 vols\)](#) G. Lowes Dickinson,2021-07-14 The Collected Works of G Lowes Dickinson reissues nine titles from Dickinson's impressive oeuvre The titles in question cover a range of topics from Plato and the Greek view of life to civilisation and the causes of war

The Complete Poetical Works of James Russell Lowell James Russell Lowell,1896

The Complete Poetical Works of James Russell Lowell James Russell Lowell,2022-09-16 The Complete Poetical Works of James Russell Lowell presents a comprehensive collection of the iconic American poet's oeuvre showcasing his mastery over a diverse range of poetic forms and themes Lowell's poetry reflects the tumultuous socio political landscape of 19th century America exploring subjects such as abolition democracy and morality with a lyrical style that marries romantic sensibility with keen social consciousness His subtle use of meter and verse often interspersed with wit and satire captures the essence of his times while remaining timeless in its appeal thus positioning Lowell as a pivotal figure within the American literary canon and the broader context of Transcendentalism and Romanticism James Russell Lowell an eminent poet essayist and critic played a crucial role in shaping American literature during the antebellum period and beyond His New England heritage imbued him with a profound appreciation for nature and social justice influences that would permeate his work An advocate for abolition his literary contributions also served as critical commentaries on the moral issues of his era positioning him as an intellectual leader in both literature and social reform This collection is essential for readers seeking a nuanced understanding of America's literary heritage Lowell's work not only illuminates the complexities of human experience but also encourages reflection on contemporary societal issues Engaging with this compilation offers both scholars and enthusiasts alike a rich encounter with a poet who deftly interweaves personal introspection with collective identity making this volume a vital addition to any literary library

[The Cultural Work of the Late Nineteenth-Century Hostess](#) S. Harris,2016-04-30 The Cultural Work of the Late Nineteenth Century Hostess explores the influence well placed energetic women had on literary and political culture in the U S and in England in the years 1870 1920 Fields an American was first married to James T Fields a prominent Boston publisher after his death she became companion to Sarah Orne Jewett one of the foremost New England writers Gladstone was a daughter of William Gladstone one of Great Britain's most famous Prime Ministers Both became well known as hostesses entertaining the leading figures of their day both also kept journals and wrote letters in which they recorded those figures conversations Susan K Harris reads these records to exhibit the impact such women had on the cultural life of their times The Cultural Work of the Late

Nineteenth Century Hostess shows how Fields and Gladstone negotiated alliances won over key figures to their parties designs and fought to develop major cultural institutions ranging from the Organization of Boston Charities to London s Royal College of Music

Warren, Jarrell, and Lowell Joan Romano Shifflett, 2020-06-03 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other s work in private correspondence and published reviews Joan Romano Shifflett s Warren Jarrell and Lowell Collaboration in the Reshaping of American Poetry traces the artistic and personal connections between the three writers Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell s Life Studies as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another s honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation s postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry

Cleanth Brooks and the Rise of Modern Criticism Mark Royden Winchell, 1996 During a career that spanned sixty years Cleanth Brooks was involved in most of the major controversies facing the humanities from the 1930s until his death in 1994 He was arguably the most important American literary critic of the mid twentieth century Because it is impossible to understand modern literary criticism apart from Cleanth Brooks or Cleanth Brooks apart from modern literary criticism Mark Royden Winchell gives us not only an account of one man s influence but also a survey of literary criticism in twentieth century America More than any other individual Brooks helped steer literary study away from historical and philological scholarship by emphasizing the autonomy of the text He applied the methods of what came to be called the New Criticism not only to the modernist works for which these methods were created but to the entire canon of English poetry from John Donne to William Butler Yeats In his many critical books especially The Well Wrought Urn and the textbooks he edited with Robert Penn Warren and others

Brooks taught several generations of students how to read literature without prejudice or preconception **James Russell Lowell** Ferris Greenslet,1905 The Historic Genealogy of the Lowells of America from 1639 to 1899 Delmar Rial Lowell,1899 Mind Amongst the Spindles: a Selection from the Lowell Offering ,1845 Eliot, Auden, Lowell Lachlan Mackinnon,1983-06-18 **The Semi-Centennial Volume of the Eliot Church, Lowell, Mass.; Containing a Sermon from Each Pastor, Papers and Letters Furnished for the Jubilee Celebration, Confessions of Faith, Etc.** John M. Greene,2024-05-05 Notable American Women, 1607-1950 Radcliffe College,1971 Vol 1 A F Vol 2 G O Vol 3 P Z modern period *The Life and Times of Francis Cabot Lowell, 1775-1817* Chaim M. Rosenberg,2010-12-16 After the Revolutionary War despite political independence the United States still relied on other countries for manufactured goods Francis Cabot Lowell was one of the principal investors in building the India Wharf and the shops and warehouses close to Boston harbor His work was instrumental in establishing domestic industry for the United States and brought the Industrial Revolution to the United States From 1810 to the start of the War of 1812 he traveled through Great Britain where he saw the tremendous changes caused by the Industrial Revolution starting with cotton textiles On his return to the United States he focused on establishing a domestic textile industry to replace imported goods With his brother in law Patrick Tracy Jackson he built the Boston Manufacturing Company at Waltham America s first integrated mill With his star mechanic Paul Moody he developed a power loom and other machines suitable for local conditions *The Life and Times of Francis Cabot Lowell 1775 1817* tells the story of this amazing man and the great success of the Boston Manufacturing Company which spurred the American industrial revolution Francis Cabot Lowell s method a detailed investment plan cheap raw materials and power a motivated labor force a sound marketing plan and above all modern technology became the standard for the American factory of the nineteenth century When Francis Cabot Lowell died his associates established America s first industrial city and named it Lowell in his honor Life of James Russell Lowell Emma Elizabeth Brown,1895 A biography of James Russell Lowell an American Romantic poet *James Russell Lowell* Horace Elisha Scudder,1901 **The Pacific Reporter** ,1918
