Civil War News In the late summer of 1864 Union General in Chief Ulysses S Grant set one absolutely unconditional goal to sweep Virginia s Shenandoah Valley clean and clear His man for the job Maj Gen Little Phil Sheridan a temperamental Irishman who d proven himself just the kind of scrapper Grant loved The valley had already played a major part in the war for the Confederacy as both the location of major early victories against Union attacks and as the route used by the Army of Northern Virginia for its invasion of the North culminating in the battle of Gettysburg But when Sheridan returned to the Valley in 1864 the stakes heightened dramatically For the North the fragile momentum its war effort had gained by the

capture of Atlanta would quickly evaporate For Abraham Lincoln defeat in the Valley could mean defeat in the upcoming election And for the South its very sovereignty lay on the line Here historians Davis and Greenwalt weave an excellent summary of the campaign that will serve to introduce those new to the Civil War to the events of that Bloody Autumn and will serve as a ready refresher for veteran stompers who are heading out to visit those storied fields of conflict Scott C Patchan author of *The Last Battle of Winchester* *The Blood-Tinted Waters of the Shenandoah* Jonathan A. Noyalas,2024-05-03

Decades after the Civil War s end Confederate veteran John Alexander Stikeleather reflected on his experiences as a soldier in the 4th North Carolina Infantry He had served in many engagements during his four years of service but there was one in particular that Stikeleather believed should never be forgotten Cool Spring While largely overlooked or treated as a footnote to Gen Jubal A Early s raid on Washington in the summer of 1864 the fight at Cool Spring which one soldier characterized as a sharp and obstinate affair proved critical to Washington s immediate safety The virtually unknown combat became a transformative moment for those who fought along the banks of the Shenandoah River in what ultimately became the war s largest and bloodiest engagement in Clarke County Virginia The *Blood Tinted Waters of the Shenandoah* examines Gen Horatio Wright s pursuit of Jubal Early into the Shenandoah and the clash on July 17 18 1864 It analyzes the decisions of leaders on both sides explores the environment s impact on the battle and investigates how the combat impacted the soldiers and their families in its immediate aftermath and for decades thereafter Years of archival research including an investigation into the backgrounds of the Union and Confederate soldiers who perished in the fighting coupled with intimate knowledge of the battlefield helps preserve the memory of the fight that should never be forgotten Author Jonathan Noyalas s study offers not only a history of an overlooked engagement in the oft contested Shenandoah Valley but as Pulitzer Prize finalist Brian Matthew Jordan notes in the book s Foreword a keen reminder that Civil War battles are rich laboratories in which to observe the human experience in all its complexity *House documents* ,1895

The Battle of Lewisburg: May 23, 1862 Richard L. Armstrong,2017

The early morning hours of May 23 1862 brought the horror of war to the residents of the small mountain town of Lewisburg Virginia now West Virginia A brigade of Union troops commanded by Colonel George Crook had occupied the heavily Confederate leaning town less than two weeks earlier Now Lewisburg felt the fury of a battle waged in her streets Bullets flew in every direction Cannon balls whistled overhead and occasionally struck the homes and other buildings of the town Confederate soldiers some of whom grew up in Lewisburg fought and died in their hometown A few hours later 240

Confederates were killed wounded or taken prisoner The victorious Union troops suffered the loss of 93 men killed wounded and captured Confederate Brigadier General Henry Heth with a superior force now found himself forced to retreat in complete disarray Colonel George Crook would soon be promoted to brigadier general largely because of his conduct at Lewisburg This carefully researched book by historian and author Richard L Armstrong contains 248 pages 34 images and 13 maps including a detailed map of the town the day after the battle by Captain Hiram F Devol of the 36th Ohio Infantry The cover features the beautiful painting of Lewisburg in the 1850s by renowned landscape artist Edward Beyer Lewisburg now a part of the state of West Virginia is the county seat of Greenbrier County and is named for Revolutionary War period General Andrew Lewis A previous winner of the Coolest Small Towns in America award the town offers many quaint shops restaurants galleries and other attractions Walking tour brochures including one focused on the Battle of Lewisburg are available at the Greenbrier Valley Visitors Center located downtown on the corner of Washington and Court Streets
