**Luck of the Runner** Alan Lunemann,1975-11-01      **Runner's World The Runner's Brain** Jeff Brown,Liz Neporent,Editors of Runner's World Maga,2015-09-29 As a runner your biggest asset or sometimes your greatest enemy is your brain What you think and feel on and off the road also has a huge influence over how you perform once you lace up Runner s World The Runner s Brain shows you how to unlock and capture the miraculous potential of the body s most mysterious and intriguing organ and rewire your mind for a lifetime of athletic success The book is based on cutting edge brain science and sports psychology that author Dr Jeff Brown uses every day in his private practice and as part of the medical team of several major road races including the Boston Marathon Full of fascinating insights from runners of all abilities including champion marathoner Meb Keflezighi and other greats the book includes trustworthy information that s been proven to work both in the lab and on the road      **Luck's Wild** G. Russell Peterman,2013-02 The Collin Dymond story covers 1857 to 1865 Collin Dymond follows his father out to the gold fields and settles in Nevada When the Civil War starts Collin returns to enlist in the Second Kansas which later become a Calvary unit Collin fights in the Battle of Wilson s Creek and on through years of war in Missouri Oklahoma and Arkansas rising in rank from private to Captain Late in the war Collin is wounded released and returns to Nevada      **Black Irish Luck** Terry Donegan,2023-12-11 This is a collection of short stories that when brought together form the picture of a singular life that of Terry Donegan and his black Irish luck These are his memoirs done his way Told in an off the wall stream of consciousness writing style the stories ramble from one topic to another but always find their way back in the end Side splitting anecdotes are interwoven with heart wrenching stories about sports life and doings things your own way even when that way is stupid Reading this book is like talking to a buddy in a bar while drinking a beer Donegan lived a wild crazy and fun life and if he learned one thing it was that nothing goes quite the way you expect it to But if you have great friends and a great attitude you can live a truly great life be true to yourself and never back down from anything Donegan is donating 1 from every book sold to the Michael J Fox Foundation which is doing such wonderful things to give Parkinson s patients like himself hope He s also donating 1 from every book sold to the Navajo Nation After you read the book you ll understand why      **Runner's World Guide to Injury Prevention** Dagny Scott Barrios,Editors of Runner's World Maga,2004-11-04 The last word on preventing and treating running injuries from the magazine known the world over as the most reliable and authoritative source of running know how The world of running and running injury prevention has evolved greatly in the last decade New thinking on injury and recovery suggests that runners can continue to train while injured And alternative practices such as acupuncture chiropractic and massage are now virtually mainstream and an essential part of any runner s injury arsenal Not only is the sport dramatically more popular but women runners and beginning runners who are a large part of the growth have very different needs in the areas of injury and health that have not been covered adequately in previous books Research in sports medicine also has advanced All this and much

more is covered in Runner's World Guide to Injury Prevention making it the best most authoritative guide in the field Here you'll find The most important stretches for runners and why you should not stretch an injured muscle How and why to change your biomechanics and stride length How to incorporate cross training to prevent and heal injury The most important strength training exercises for runners How to cope with the mental side of injury Special concerns for young runners women and older Runners The newest thinking in hydration Beginners and veterans alike will benefit from this expert guidance from the cutting edge of sports medicine and science [L.
