**Foundation, Foundation and Empire, Second Foundation** Isaac Asimov,2010-11-02 Isaac Asimov s seminal

Foundation trilogy one of the cornerstones of modern speculative fiction in a single hardcover volume Winner of the Hugo Award for Best All Time Series THE EPIC SAGA THAT INSPIRED THE APPLE TV SERIES FOUNDATION It is the saga of the Galactic Empire crumbling after twelve thousand years of rule And it is the particular story of psychohistorian Hari Seldon the only man who can see the horrors the future has in store a dark age of ignorance barbarism and violence that will last for thirty thousand years Gathering a band of courageous men and women Seldon leads them to a hidden location at the edge of the galaxy where he hopes they can preserve human knowledge and wisdom through the age of darkness In 1966 the Foundation trilogy received a Hugo Award for Best All Time Series and it remains the only fiction series to have been so honored More than fifty years after their original publication the three Foundation novels stand as classics of thrilling provocative and inspired world building Everyman s Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author s life and times [Isaac Asimov](#) James Gunn,1996 Although he wrote hundreds of non fiction works about science mathematics history the Bible and literature Asimov is best known as a science fiction writer Gunn analyses his bestsellers and his contribution to the genre **Jupiter** , *The Golden Age of Science Fiction* John Wade,2020-11-12 A detailed look at the British world of science fiction in the 1950s John Wade grew up in the 1950s a decade that has since been dubbed the golden age of science fiction It was a wonderful decade for the genre but not so great for young fans With early television broadcasts being advertised for the first time as unsuitable for children and the inescapable barrier of the X certificate in the cinema barring anyone under the age of sixteen the author had only the radio to fall back on and that turned out to be more fertile for the budding SF fan than might otherwise have been thought Which is probably why as he grew older rediscovering those old TV broadcasts and films that had been out of bounds when he was a kid took on a lure that soon became an obsession For him the super accuracy and amazing technical quality of today s science fiction films pale into insignificance beside the radio early TV and B picture films about people who built rockets in their back gardens and flew them to lost planets or tales of aliens who wanted to take over if not our entire world then at least our bodies This book is a personal account of John Wade s fascination with the genre across all the entertainment media in which it appeared the sort of stuff he reveled in as a young boy and still enjoys today Not only a well researched book grounded in hundreds of sources but also an unmistakable labor of love New York Journal of Books **Science Fiction and Fantasy Book Review** Neil Barron,R. Reginald,Robert Reginald,2009-11 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the newest speculative fiction this was the period when the best and the brightest shined

forth their talents SF FBR included reviews by writers in the field by amateur critics and by litt rateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own

**Contemporary Science Fiction Authors** Robert Reginald,2009-01-01 This bio bibliography of the golden age of the science fiction field includes 308 biographies compiled from questionnaires sent to the authors and chronological lists of 483 writers published works This facsimile reprint of the 1975 edition includes a title index introduction and minor corrections A now classic guide to the major and minor SF writers active in the early 1970s
