Lucky Bag, 1921 *How Lucky You Can Be* Buster Olney, 2010-11-09

In September 2008 Northern State University men's basketball coach Don Meyer stood on the brink of immortality He was about to surpass the legendary Bobby Knight to become the all time NCAA wins leader in men's basketball Then on a two lane road in South Dakota everything changed in an instant In *How Lucky You Can Be* acclaimed sports journalist Buster Olney tells the remarkable story of the successive tragedies that befell Coach Meyer but could not defeat him Laid low by a horrific car accident that led to the amputation of his left leg below the knee Coach Meyer had barely emerged from surgery when his doctors informed him that he also had terminal cancer In the blink of an eye this prototypical 24/7 workaholic coach who arrived at the gym most mornings before 6 a.m. found himself forced to reexamine his priorities at the age of sixty three A model of reserve Coach Meyer had sacrificed much of his emotional life to his program His wife Carmen felt disconnected because of his habitual reticence while his three children all now well into adulthood had long had to compete with basketball for his attention With sensitivity and skill Olney shows how Coach Meyer mined his physical ordeal for the spiritual strength to transform his life In the months that followed his accident and diagnosis he reached out to family friends and former players in a way he had never been able to do before making the most of this one last opportunity to tell those close to him how he felt about them and in turn he received an outpouring of affirmation that confirmed how deeply he had affected others Sustained throughout an often painful recovery by his love of basketball he would return to the court once

more with a newfound appreciation for the game's place in his life. The inspirational story of a life renewed by unimaginable hardship *How Lucky You Can Be* proves that it's never too late to start making changes and reminds us that fortune can smile upon us even in our most trying hours.

Thank Your Lucky Stars: The 60's Pop Show Featuring The Kinks, The Beatles And The Rolling Stones Kevin Mulrennan, Fully revised and expanded this history of the influential 1960's pop show contains a wealth of facts, information and trivia on ABC's *Lucky Stars*, a weekly pop show that ran from 1961 to 1966. The Beatles, the Kinks and the Rolling Stones were among the many hundreds of artists that travelled up the M1 to the Alpha studios in Birmingham to appear on the show. Chapters in the book deal with the history of the show, an analysis of the surviving episodes, a detailed look at a rare surviving script, a discussion of the crew, books and records, the artists who appeared from 1961 to 1966 and the songs they performed and the Australian version of the show. Fully illustrated throughout, there are many references to how the show was reported in the U.K. press. Original host and television and radio legend Pete Murray has very kindly written the foreword. Pete says: *Thank Your Lucky Stars* was a pleasant and easy programme to work on. We were given plenty of freedom to play whichever songs we wanted. The big difference between *Thank Your Lucky Stars* and *Top of the Pops*, *Lucky Stars* was not driven by the charts; we had the complete freedom to play whatever we wanted. I remember meeting The Springfields on the show and I really enjoyed working with them, what a lovely group of people, really friendly. *Thank Your Lucky Stars* was a great sixties TV show that has been sadly neglected in the archives. In recent years I am delighted that Kevin Mulrennan has brought out this long overdue book. I'd like to say that not just on behalf of myself but also on behalf of all the others who worked on that lovely show. Pete Murray, *Thank Your Lucky Stars* presenter and original host of *Top of the Pops*, *Thank Your Lucky Stars* was unique in that it straddled the pre and post Beatles era of British pop music. There are brief biographies of all the artists appearing on the show as well as the guest Disc Jockeys. In addition to the main hosts Pete Murray, Keith Fordyce, Brian Matthew and Jim Dale, I have discovered that John Benson, Martin Locke, Simon Dee and Don Moss introduced the show too. Fans and performers alike recall their memories of this super show. Hopefully this book will raise the profile of this forgotten gem of 1960's British television and you'll be thanking your lucky stars you bought it.
