Heroes Scott T. Allison, George R. Goethals, 2011 Using the lens of popular culture *Heroes* explores the ways that our perceptions of heroism and villainy affect the way people behave in heroic and villainous ways Allison and Goethals use psychology to explore how these important concepts shape our lives and our world

Votes for Women! Winifred Conkling, 2018-02-13 For nearly 150 years American women did not have the right to vote On August 18 1920 they won that right when the 19th Amendment to the Constitution was ratified at last To achieve that victory some of the fiercest most passionate women in history marched protested and sometimes even broke the law for more than eight decades From Susan B Anthony and Elizabeth Cady Stanton who founded the suffrage movement at the 1848 Seneca Falls Convention to Sojourner Truth and her famous Ain't I a Woman speech to Alice Paul arrested and force fed in prison this is the story of the American women's suffrage movement and the private lives that fueled its leaders dedication *Votes for Women* explores suffragists often powerful sometimes difficult relationship with the intersecting temperance and abolition campaigns and includes an unflinching look at some of the uglier moments in women's fight for the vote By turns illuminating harrowing and empowering *Votes for Women* paints a vibrant picture of the women whose tireless battle still inspires political human rights and social justice activism

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting

women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Well-Dressed Role Models Gale Eaton, 2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty four books juvenile biographies histories and collected biographies for trends in both content and rhetoric Well Dressed Role Models The Portrayal of Women in Biographies for Children then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study *Children's Books In Print 1998* Bowker Editorial Staff, R R Bowker Publishing, Bowker, 1998 *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12 *The Columbia Guide to American Women in the Nineteenth Century* Catherine Clinton, Christine A. Lunardini, 2000 A convenient handbook of dates names terms and resources as well as a highly readable overview of the pivotal role of women in a century of profound political and social change The authors emphasize areas in which scholars have identified important changes such as suffrage and reform topics in which researchers are now making great strides such as racial ethnic religious and regional diversity and innovative and relatively recent explorations for example work on female sexuality **Lucretia Mott Speaks** Lucretia Coffin Mott, 2017-03-30 Committed abolitionist controversial Quaker minister tireless pacifist fiery crusader for women's rights Lucretia Mott was one of the great reformers in America history Her sixty years of sermons and speeches reached untold thousands of people Yet Mott eschewed prepared lectures in favor of an extemporaneous speaking style inspired by the inner light at the core of her Quaker faith It was left to stenographers journalists Friends and colleagues to record her words for posterity Drawing on widely scattered archives newspaper accounts and other sources Lucretia Mott Speaks unearths the essential speeches and remarks from Mott's remarkable career The editors have chosen selections representing important themes and events in her public life Extensive annotations provide vibrant context and show Mott's engagement with allies and opponents The speeches illuminate her passionate belief that her many causes were all intertwined The result is an authoritative resource one that enriches our understanding of Mott's views rhetorical strategies and still powerful influence on American society **Kliatt Young Adult Paperback Book Guide**, 1996 **Lucretia Mott's Heresy** Carol Faulkner, 2011-05-10 Lucretia Coffin Mott was one of the most famous and controversial women in nineteenth century America Now overshadowed by abolitionists like William Lloyd Garrison and feminists such as Elizabeth

Cady Stanton Mott was viewed in her time as a dominant figure in the dual struggles for racial and sexual equality. History has often depicted her as a gentle Quaker lady and a mother figure, but her outspoken challenges to authority riled ministers, journalists, politicians, urban mobs, and her fellow Quakers. In the first biography of Mott in a generation, historian Carol Faulkner reveals the motivations of this radical egalitarian from Nantucket. Mott's deep faith and ties to the Society of Friends do not fully explain her activism; her roots in post-Revolutionary New England also shaped her views on slavery, patriarchy, and the church, as well as her expansive interests in peace, temperance, prison reform, religious freedom, and Native American rights. While Mott was known as the moving spirit of the first women's rights convention at Seneca Falls, her commitment to women's rights never trumped her support for abolition or racial equality. She envisioned women's rights not as a new and separate movement but rather as an extension of the universal principles of liberty and equality. Mott was among the first white Americans to call for an immediate end to slavery. Her long-term collaboration with white and black women in the Philadelphia Female Anti-Slavery Society was remarkable by any standards. *Lucretia Mott's Heresy* reintroduces readers to an amazing woman whose work and ideas inspired the transformation of American society.

Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999 Jeff Herman, 1997. A real find for the aspiring writer. The Associated Press. In-depth information. The Writer: Who are they? What do they want? How do you win them over? Find the answers to these questions and more in the 1998-1999 edition of the *Writer's Guide to Book Editors, Publishers, and Literary Agents* by Jeff Herman. Filled with the information authors and aspiring authors need in order to avoid having a manuscript end up in the slush pile, this comprehensive listing is organized in an easy-to-use format. It includes in-depth information about publishing houses and literary agents in the United States and Canada. The specifics include the names and addresses of editors and agents, what they're looking for, commission rates, and other key information. In addition, readers will discover the most common mistakes people make while attempting to solicit an agent and how to avoid them, as well as numerous suggestions designed to increase the chances of getting representation. *Writer's Guide to Book Editors, Publishers, and Literary Agents* also includes dozens of valuable essays giving readers insight and guidance into such topics as *How to Write the Perfect Query Letter*, *The Knockout Nonfiction Book Proposal*, *How to Thrive After Signing a Publishing Contract*, *Mastering Ghostwriting and Collaboration*, *Free Versus Fee*, *The Issue of Literary Agency Fees*, *About the Author*. Jeff Herman is the founder of The Jeff Herman Literary Agency, a leading New York agency. He has sold hundreds of titles and represents dozens of top authors. Herman frequently speaks to writers' groups and at conferences on the topic of getting published.
