Lucy And Desi A Home Movie:

Lucy and Desi: the Love Letters Lucie Arnaz, 2025-11-04 A treasure trove of previously unseen love letters between Lucille Ball and Desi Arnaz spanning their courtship through I Love Lucy fame and beyond tells the couple's real life love story in their own words alongside rare photos from the family scrapbooks After Lucille Ball's death in 1989 dozens of private letters between Lucy and Desi Arnaz were discovered Now for the first time daughter Lucie Arnaz shares the complete collection in this remarkable volume that reveals the romance of one of the most famous couples in history more intimately than anything that has ever been written about them At turns the letters disclose longing ambition jealousy humor and above all a passionate love affair that has claimed the world's interest for more than half a century This extraordinary collection takes readers back to America during World War II to the lives of a young couple in the early years of their relationship with budding careers in Hollywood that were still far from their heyday as the nation's top stars Each letter contains a bit of history as they talk about where they are what they are doing and what is going on in the world around them whether it be a wardrobe fitting with a celebrated designer remembering the last sensuous night they spent together or trying to buy just the right refrigerator to please your mother in law during wartime rationing Lucille Ball and Desi Arnaz weremarried from 1940 to 1960 and while the bulk of the letters were written in the early 1940s the compendium reflects their entire relationship from an early courtship through long periods of separation due to work and world events to a bittersweet end after nearly two decades This stunning book takes readers as close as possible to the actual letters by featuring reproductions complete with envelopes stamps postmarks and Lucy and Desi's own custom stationery Further illustrated by rare photos from the Arnaz family scrapbooks this volume is a revelatory look at a complicated and captivating love story that will amaze even longtime fans who think they have seen it all

Ball of Fire Stefan Kanfer, 2007-12-18 As a movie actress Lucille Ball was in her own words queen of the B pluses But on the small screen she was a superstar arguably the funniest and most enduring in the history of TV In this exemplary biography Stefan Kanfer explores the roots of Lucy's genius and places it in the context of her conflicted and sometimes bitter personal life *Ball of Fire* gives us Lucy in all her contradictions Here is the beauty who became a master of knock down slapstick the control freak whose comic alter ego thrived on chaos the worshipful TV housewife whose real marriage ended in public disaster Here too is an intimate view of the dawn of television and of the America that embraced it Charming informative touching and laugh out loud funny this is the book Lucy's fans have been waiting for *Mary Wickes* Steve Taravella, 2013-05-17 Moviegoers know her as the housekeeper in *White Christmas* the nurse in *Now Voyager* and the crotchety choir director in *Sister Act* This book filled with never published behind the scenes stories from Broadway and Hollywood chronicles the life of a complicated woman who brought an assortment of unforgettable nurses nuns and housekeepers to life on screen and stage Wickes 1910 1995 was part of some of the most significant moments in film television theatre and radio history On that frightening night in 1938 when Orson Welles recorded his earth shattering *War of the Worlds* radio broadcast Wickes was waiting on another soundstage for him for a rehearsal of *Danton's Death* oblivious to the havoc taking place outside When silent film star Gloria Swanson decided to host a live talk show on this new thing called television Wickes was one of her first guests When Lucille Ball made one of her first TV appearances Wickes appeared with her and became Lucy's closest friend for more than thirty years Wickes was the original Mary Poppins long before an umbrella carried Julie Andrews across the rooftops of London And when Disney began creating 101 Dalmatians Wickes was asked to pose for animators trying to capture the evil of Cruella De Vil The pinched face actress who cracked wise by day became a confidante to some of the day's biggest stars by night including Bette Davis and Doris Day Bolstered by interviews

with almost three hundred people and by private correspondence from Ball Davis Day and others Mary Wickes I Know I've Seen That Face Before includes scores of never before shared anecdotes about Hollywood and Broadway In the process it introduces readers to a complex woman who sustained a remarkable career for sixty years **Recycled Stars** Mary R. Desjardins, 2015-04-26 The popularity of television in postwar suburban America had a devastating effect on the traditional Hollywood studio system Yet many aging Hollywood stars used television to revive their fading careers In *Recycled Stars* Mary R Desjardins examines the recirculation ownership and control of female film stars and their images in television print and new media Female stardom she argues is central to understanding both the anxieties and the pleasures that these figures evoke in their audiences psyches through patterns of fame decline and return From Gloria Swanson Loretta Young Ida Lupino and Lucille Ball who found new careers in early television to Maureen O'Hara's high profile 1957 lawsuit against the scandal magazine *Confidential* to the reappropriation of iconic star images by experimental filmmakers video artists and fans this book explores the contours of female stars resilience as they struggled to create new contexts for their waning images across emerging media *Life on the Hyphen* Gustavo Pérez Firmat, 2012-05-01 An expanded updated edition of the classic study of Cuban American culture this engaging book which mixes the author's own story with his reflections as a trained observer explores how both famous and ordinary members of the 1.5 Generation Cubans who came to the United States as children or teens have lived life on the hyphen neither fully Cuban nor fully American but a fertile hybrid of both Offering an in depth look at Cuban Americans who have become icons of popular and literary culture including Desi Arnaz Oscar Hijuelos musician Pérez Prado and crossover pop star Gloria Estefan as well as poets José Kozer and Orlando González Esteva performers Willy Chirino and Carlos Oliva painter Humberto Calzada and others Gustavo Pérez Firmat chronicles what it means to be Cuban in America The first edition of *Life on the Hyphen* won the Eugene M.
