Myth Inc. in Action Robert Asprin, 1991 **Dragons Luck** Robert Asprin, 2009-04-07 New York Times bestselling author Robert Asprin scales new heights in his series of Big Easy dwelling dragons Griffen McCandles is adjusting well to running his gambling operation in the French Quarter of New Orleans and to his newfound status as head dragon But he still doesn't know much about dragon protocol or what he's really capable of Other dragons are getting a whiff of his reputation though and they're not happy about it Which is why there's suddenly a hit out on Griffen And just in time for Halloween the ghost of a voodoo queen wants Griffen to moderate a supernatural conclave And though the strange goings on will barely be noticed in a city used to drunken conventioners and wild revelers it's Griffen's chance to spread his wings or crash and burn The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites Resenting the Hero Moira J.
