Murder Most Confederate:

Murder Most Confederate Martin Harry Greenberg, 2000 *Murder Most Confederate* Tales of Crimes Quite Uncivil edited by Martin H Greenberg is an anthology of short stories set in the Civil War in which the murders take place in the Confederacy Authors such as Ed Gorman Gary A Braunbeck and Edward D Hoch contributed stories *Murder Most Confederate* Abigail Browning, 2005 A collection of 64 stories of murder and mayhem by various authors *Confederate Rage, Yankee Wrath* George S Burkhardt, 2013-01-16 This provocative study proves the existence of a de facto Confederate policy of giving no quarter to captured black combatants during the Civil War killing them instead of treating them as prisoners of war Rather than looking at the massacres as a series of discrete and random events this work examines each as part of a ruthless but standard practice Author George S Burkhardt details a fascinating case that the Confederates followed a consistent pattern of murder against the black soldiers who served in Northern armies after Lincoln's 1863 Emancipation Proclamation He shows subsequent retaliation by black soldiers and further escalation by the Confederates including the execution of some captured white Federal soldiers those proscribed as cavalry raiders foragers or house burners and even some captured in traditional battles Further disproving the notion of Confederates as victims who were merely trying to defend their homes Burkhardt explores the motivations behind the soldiers' actions and shows the Confederates' rage at the sight of former slaves still considered property not men fighting them as equals on the battlefield Burkhardt's narrative approach recovers important dimensions of the war that until now have not been fully explored by historians effectively describing the systemic pattern that pushed the conflict toward a black flag take no prisoners struggle *The World's Finest Mystery and Crime Stories: 2* Edward Gorman, Ed Gorman, 2001-10-25 Gathers mystery suspense and crime stories from around the world **The World's Finest Mystery & Crime Stories, Second Annual Collection** Lawrence Sanders, Jan Burke, Dorothy Cannell, 2001-10-25 It's not easy to collect in a single volume the finest mystery and suspense fiction the world has to offer but *The World's Finest Mystery and Crime Stories Second Annual Collection* rises to that challenge inviting you to discover what Kirkus Reviews dubs the year's anthology of choice In his Second Annual collection Ed Gorman once again brings together the year's most powerful fiction by such outstanding authors as Lawrence Sanders Stuart M Kaminsky Ed McBain Joyce Carol Oates Ian Rankin and Donald E Westlake The volume also abounds with fresh new stories by newer authors from U.S. publications and also from sources on other shores including England Germany and the Netherlands Ed Gorman set benchmark for great mystery and suspense fiction with the First Annual Collection Overflowing with award winning authors and terrific stories *The World's Finest Mystery and Crime Stories Second Annual Collection* also promises to be a treasure for anyone who loves a mystery More than 200,000 words of superlative mystery and suspense fiction from around the world with stories by Lawrence Sanders Jan Burke Dorothy Cannell Clark Howard Peter Lovesey Joyce Carol Oates Nancy Pickard Bill Pronzini Ian Rankin And many others *A Banquet of Mystery and Crime Fiction* For those who love

Confederate Reckoning Stephanie McCurry, 2012-05-07 Pulitzer Prize Finalist Winner of the Frederick Douglass Book Prize Winner of the Merle Curti Award McCurry strips the Confederacy of myth and romance to reveal its doomed essence Dedicated to the proposition that men were not created equal the Confederacy had to fight a two front war Not only against Union armies but also slaves and poor white women who rose in revolt across the South Richly detailed and lucidly told Confederate Reckoning is a fresh bold take on the Civil War that every student of the conflict should read Tony Horwitz author of *Confederates in the Attic* McCurry challenges us to expand our definition of politics to encompass not simply government but the entire public sphere The struggle for Southern independence she shows opened the door for the mobilization of two groups previously outside the political nation white women of the nonslaveholding class and slaves

Confederate Reckoning offers a powerful new paradigm for understanding events on the Confederate home front Eric Foner The Nation Perhaps the highest praise one can offer McCurry s work is to say that once we look through her eyes it will become almost impossible to believe that we ever saw or thought otherwise At the outset of the book McCurry insists that she is not going to ask or answer the timeworn question of why the South lost the Civil War Yet in her vivid and richly textured portrait of what she calls the Confederacy s undoing she has in fact accomplished exactly that Drew Gilpin Faust New Republic A brilliant eye opening account of how Southern white women and black slaves fatally undermined the Confederacy from within Edward Bonekemper Civil War News The story of the Confederate States of America the proslavery antidemocratic nation created by white Southern slaveholders to protect their property has been told many times in heroic and martial narratives Now however Stephanie McCurry tells a very different tale of the Confederate experience When the grandiosity of Southerners national ambitions met the harsh realities of wartime crises unintended consequences ensued Although Southern statesmen and generals had built the most powerful slave regime in the Western world they had excluded the majority of their own people white women and slaves and thereby sowed the seeds of their demise Wartime scarcity of food labor and soldiers tested the Confederate vision at every point and created domestic crises to match those found on the battlefields Women and slaves became critical political actors as they contested government enlistment and tax and welfare policies and struggled for their freedom The attempt to repress a majority of its own population backfired on the Confederate States of America as the disenfranchised demanded to be counted and considered in the great struggle over slavery emancipation democracy and nationhood That Confederate struggle played out in a highly charged international arena The political project of the Confederacy was tried by its own people and failed The government was forced to become accountable to women and slaves provoking an astounding transformation of the slaveholders state Confederate Reckoning is the startling story of this epic political battle in which women and slaves helped to decide the fate of the Confederacy and the outcome of the Civil War
