Musings And Prayers:

Meis. Analytical Musings Upon the Lord's Prayer and Other Themes. [By C. H. Curtis.] ,1865 *A Heart Full of Prayers* Pastor Pearl Moses,2019-07-08 So dear Lord about this book Father deep inside of me I ve always known that there s this book This holy story of us This story of walking and talking Of deep passion of hungering This story of thirsting and yearning of desperation for more of you This book about yada intimacy about really really getting to know you This story about the pursuit of your presence And the day to day joy of being loved by you A love that s strong enough to build my life on to rest my hopes on and to inspire my dreams on this all or nothing relationship with the head over heels in love with me God Lord whenever I started writing about us I stall and stop How do words capture start to unpack or explain this sort of love This there must be more hunger This relentless pursuit This heart cry for the mantle of Enoch This deep inner groaning for more of you This story oh Lord how do I go on How to find words to describe my appetite for your friendship with Abraham Or words to describe yearning for Jesus s love for John Or hunger for the communion walk of Moses the heart walk of David Voraciously consuming me aching for more of you Heart longing Heart yearning This sell the field to buy the pearl kind of love This trade everything in for you knowing It s all so very hard to put it into words What to say How to pray Father it s scary trying to share the things we say The heart to heart communion the way that I feel I so love and adore you my beautiful precious awesome and most holy Lord Worthy worthy worthy is your matchless name It s so beautiful Father to just get lost in you And oh yes erm as I was saying Lord About this book

How to Enjoy God and How to Practice the Enjoyment of God Witness Lee,2006-03

Maury's Musings Maurice A. Johnson,2004-08 Contradiction after contradiction said the man the Bible is full of them I wondered what Bible he was reading Most apparent paradoxes resolve themselves with careful study and research I love the old book it is my God speaking to me Oh there are love stories that would make a romance novelist author blush and tales of extra terrestrials that surpass the fiction of television and movie space travel There are also truths about how to enjoy life and how to live it to the fullest I ve spent many years in the book and I hope to spend more For forty years I ve studied the end days and what we are to expect in the future A short course in what heaven is like and the condition of today s churches is included in this book Warning not all churches will be automatically represented in heaven When I was born there were less than two billion people on this earth now there are more than seven billion The earth can t hold many more Despite wars that kill many and crop failures the population growth soars The earth s population is soon to peak Soon the end will come

Prayer Works! James Wesley,2009-10-02 Prayer Works A Laymans Experience With Answered Prayers By James Wesley Each of us faces our own challenges in life We all need God Prayer Works is an account of my journey in prayer I know prayer works because it works for me I have faith that it will continue to work for me I think you will find that prayer already has worked in your life I hope the experiences that I share with you will help you to better understand how prayer already has worked for you or how it can continue to work for

you To You All Hearts Are Open Scot McKnight,2021-02-02 The most ancient form of prayer is probably petition Scot McKnight has set out to understand this better and guide pray ers and churches to reinvigorate their practice of asking God To You All Hearts Are Open begins with the Collects of the Book of Common Prayer timeless prayers that have been used by Christians for centuries are rooted in the Catholic tradition of prayer and are deeply biblical These prayers common to churches of nearly every denomination illustrate five elements of prayer itself addressing God asking God reminding God of how God has acted in the past expecting God to answer and accessing God through Christ They are the Bible s pattern of petitioning God which Scot McKnight seeks to rediscover a reliable path to relationship and true conversation with God

Uncovered Musings and Prayers Jacqueline L. Anderson,2018-11-08 The bible tells us that we are overcome by the blood of the lamb and by the word of our testimony Musings and Prayers were written to let others know they are not alone They are written like diary entries or social media posts they aren t in any particular order These are my thoughts my prayers and the music that helps me get through *My Musings* Trevor Hugh Campbell,2021-08-03 I am caught up in a war between the demonic forces of Satan and the good forces of God I have chosen to be on God s side As a result of choosing sides my enemy becomes Satan and his forces These demonic forces have led the world into evil and are prowling the earth for souls to capture I live on this earth with these unseen demonic forces and they are messing with me The battle is for my soul to either enjoy eternal life or condemnation I once was an enemy of God and then I rebelled I rebelled against Satan the devil I rebelled against the devil by accepting Jesus the Messiah as my Savior and hence was brought into the presence of God as holy and just Subsequently the devil personalized me as his enemy and started pursuing and harassing me The enemy endeavors to compromise my conviction and journey to be a true disciple of Jesus My daily focus is to be filled with the Holy Spirit and do God s will whatever it may be The enemy will endeavor to use all his wiles to prevent or discourage me from doing God s will This musing is a mechanism for me to readily identify the enemy s schemes isms schisms and to dismiss them and focus on God s will *Worthwhile Theology Magazine* Drew Friesen,Anderson Hultgren,Nate Dunn,Chris

Hansen,Zach Mashburn,2020-08-01 Our first issue s theme is Into Today From whiteness ideologies Protestant imagery all the way to apologetics this theme caused a variety of subjects That is because Theology engages with God the standard of Truth but it also engages with our experiences in the world This world presents a combination of falsities and truth Not to mention the added confusion between the two We hope to offer you answers to your questions sharing our studies with you In such a busy world we offer you Theology that is worthwhile Theology that causes deeper intimacy with God and neighbor
