soulmates sought to remake the world according to their own utopian vision of Christ's teachings. *The Match Girl* and the *Heiress* paints an unforgettable portrait of their late nineteenth century girlhoods of wealth and want and their daring twentieth century experiments in ethical living in a world torn apart by war imperialism and industrial capitalism. In this captivating book Seth Koven chronicles how each traveled the globe: Nellie as a spinster proletarian laborer, Muriel as a well-heeled tourist and revered Christian peacemaker, anticolonial activist and humanitarian. Koven vividly describes how their lives crossed in the slums of East London where they inaugurated a grassroots revolution that took the Sermon on the Mount as a guide to achieving economic and social justice for the dispossessed. Koven shows how they devoted themselves to Kingsley Hall, Gandhi's London home in 1931, and Britain's first people's house founded on the Christian principles of social sharing, pacifism and reconciliation, and sheds light on the intimacies and inequalities of their loving yet complicated relationship. *The Match Girl and the Heiress* probes the inner lives of these two extraordinary women against the panoramic backdrop of shop floor labor politics, global capitalism, counterculture, spirituality and pacifist feminism to expose the wounds of poverty and neglect that Christian love could never heal.

Rebel Girls Jill Liddington, 2015-09-03. Rejecting the deadening conventions of their Victorian elders, the rebel girls demanded new freedoms and new rights. They took their suffrage message out to the remotest Yorkshire dales and fishing harbours to win Edwardian hearts and minds. 16-year-old Huddersfield weaver Dora Thewlis, on arrest, was catapulted onto the tabloid front pages as Baby Suffragette. Her life was transformed. Dancer Lilian Lenton waited till her twenty-first birthday then determined to burn two buildings a week until the Liberal government granted women the vote. *Rebel Girls* shows how this daring campaigning shifted from community suffragettes to militant mavericks. **The Australian Law Times**, 1892. **Following Nellie Bly** Rosemary J.

Brown, 2021-05-31. The remarkable story of one of the great pioneering women adventures of the 19th century. Intrepid journalist Nellie Bly raced through a man's world alone and literally with just the clothes on her back to beat the fictional record set by Jules Verne's Phileas Fogg in *Around the World in 80 Days*. She won the race on 25 January 1890, covering 21,740 miles by ocean liner and train in 72 days and became a global celebrity. Although best known for her record-breaking journey, even more importantly, Nellie Bly pioneered investigative journalism and paved the way for women in the newsroom. Her undercover reporting, advocacy for women's rights, crusades for vulnerable children, campaigns against oppression and steadfast conviction that nothing is impossible makes the world that she circled a better place. Adventurer, journalist and author Rosemary J. Brown set off 125 years later to retrace Nellie Bly's footsteps in an expedition registered with the Royal Geographical Society. Through her recreation of that epic global journey, she brings to life Nellie Bly's remarkable achievements and shines a light on one of the world's greatest female adventurers and a forgotten heroine of history.
