Numerology Edward Gondwe, 2017-05-22 Numerology The Magical Universe of Number and What It Means For Character and Destiny is a fun book that draws upon the fact that numerology is an intuitive science based on the principles of the universe It is based on the truth that numbers are facts found naturally and thus embody functional truths which can describe humanity with ease The preternatural element of number comes before the arbitrary that overlays our civilization and thus describes the power of this book The book shows that symbolism is powerful and has allowed us to capture the archetypal realities of number in drawn symbols coming from deep human psychism from very gifted people in our past And it shows that the number symbolism extends to the alphabet which too is based on number This book has presented numerology with the author focusing directly on the functional realities of numbers and how they describe people and their karma and what all of this means for our race This is an intuitively driven account of numerology and proceeds from

extrasensory knowledge of the meaning of the numbers and how it relates to karma and soul characters and descriptions The author is in touch with higher realities so as to make a numerology book that comes from a very high place drawing from functional realities of the universe The book is fun and is meant to show that humanity already has a treasure trove of knowledge about navigating this world and is ready to embrace ever higher forms of evolution and learning Included in this book are historical numerology cases of famous personalities **Numerology or What Pythagoras Wrought** Underwood Dudley,2019-07-10 Numerology is the belief that numbers have power over events It is a descendent of number mysticism the belief the contemplation of numbers can give mystical and non rational insights into life the universe and everything Twenty five hundred years ago Pythagoras originated number mysticism crediting certain numbers with characteristics though numerology is a more recent invention that allots numbers hence characteristics to individuals Underwood Dudley outlines here the history of number mysticism and numerology and gives many examples including biorhythms Bible numberists pyram The Complete Idiot's Guide to Numerology Kay Lagerquist,Lisa Lenard,2004 This book is an updated and revised look at the ways in which readers can use numbers to glimpse into the future Increased focus on the spiritual aspects of Numerology and on applying the hidden meanings of numbers to facilitate self awareness and growth Explore the five Core numbers Soul Destiny Personality Life Path and Maturity and learn how they influence every aspect of your life Discover the energy of 1 through 9 plus Master and Karmic numbers *Numerology* Ruth A. Drayer,2013-09-05 Numerology is the art and science of interpreting how numbers influence our lives and destinies Numerology is a clear concise guide for understanding and implementing this fascinating subject Written for the beginner as well as the advanced student the book begins with a history of numerology and then examines the fundamentals of this science Diagrams and easy to follow instructions guide you in constructing your personal numerological chart
