**Impacts of Rationing and Missed Nursing Care: Challenges and Solutions** Evridiki Papastavrou, Riitta Suhonen, 2021-06-02 This book reveals how economic restrictions and limited healthcare resources combined with growing care demands due to advanced technology and more care options have to a great extent contributed to increased workloads for healthcare professionals and put them under pressure to prioritize their work This has led to the rationing of care i e to decision making processes on the allocation of scarce resources especially human resources and on which care activities take priority over others in turn these processes have led to unfinished or missed care which has serious implications for quality of care and patient safety Concerns related to nursing shortages and lean staffing practices have increased the awareness of the problem as patient outcomes are affected by the quality and quantity of care that they receive and led to intensified scientific inquiry into this phenomenon This book is written by the members of the Rancare Cost Action group whose aim is to facilitate discussion about rationing of nursing care based on a cross national comparative approach with implications for practice and professional development Four working groups investigated four areas for four years a the conceptualization of care rationing and methodological inquiries concerning the investigation of the phenomenon b exploration of possible solutions and intervention studies c the ethical perspective of care rationing and missed care including patients rights and possible discrimination and d the educational implications based on an exploration of the level of patient safety training and care rationing as well as preparing guidelines for managers The book will be a valuable resource for nurses allied healthcare professionals managers policymakers researchers ethical committees and educators whose goal is to provide better and safer care

**Partiality and Justice in Nursing Care** Marita Nordhaug, 2017-07-06 Partiality and Justice in Nursing Care examines the conflicting normative claims of partiality and impartiality in nursing care looking in depth at how to reconcile reasonable concerns for one particular patient with equally important concerns for the maximisation of health related welfare for all with relevant nursing care needs in a resource limited setting Drawing on moral philosophy this book explores how discussions of partiality and impartiality in moral philosophy can have relevance to

the professional context of clinical nursing care as well as in nursing ethics in general It develops a framework for normative nursing ethics that incorporates a notion of permissible partiality and specifies which concerns an ethics of nursing care should entail when balancing partialist and impartialist concerns At the same time Nordhaug argues that this partiality must also be constrained by both principled and context sensitive assessments of patients needs as well as of the role relative deontological restriction of minimising harm something that could be mitigated by institutional and organisational arrangements This thought provoking volume is an important contribution to nursing ethics and philosophy     *Leadership and Nursing Care Management* Jean Nagelkerk,2005-11-01 This Study Guide corresponds to the new 3rd edition of Huber Leadership and Nursing Care Management Chapter summaries Learning Tools such as individual and group activities and case studies Learning Resources Discussion questions short answer Study questions true false multiple choice matching Supplemental Readings Answers to Chapter Study Questions This Study Guide corresponds to the new 3rd edition of Huber Leadership and Nursing Care Management     **Brunner & Suddarth's Textbook of Canadian Medical-surgical Nursing** Pauline Paul,Beverly Williams,2009 This is the Second Edition of the popular Canadian adaptation of Brunner and Suddarth s Textbook of Medical Surgical Nursing by Day Paul and Williams Woven throughout the content is new and updated material that reflects key practice differences in Canada ranging from the healthcare system to cultural considerations epidemiology pharmacology Web resources and more Compatibility BlackBerry R OS 4 1 or Higher iPhone iPod Touch 2 0 or Higher Palm OS 3 5 or higher Palm Pre Classic Symbian S60 3rd edition Nokia Windows Mobile TM Pocket PC all versions Windows Mobile Smartphone Windows 98SE 2000 ME XP Vista Tablet PC
