Nurturing Queer Youth

Colin Lago, Barbara Smith

Nurturing Queer Youth:

Nurturing Queer Youth Linda Stone Fish, Rebecca G. Harvey, 2005 Youth are coming out as gay lesbian bisexual or transgendered at increasingly younger ages *Nurturing Queer Youth* Linda Stone Fish, 2005 **Coming Out, Coming In** Linda Goldman, 2007-11-16 Coming Out Coming In Nurturing the Well Being and Inclusion of Gay Youth in Mainstream Society describes the process of coming in to a welcoming and nurturing family from both the teen s and the parents perspective Linda Goldman draws on her personal and professional experience as a school guidance counselor child and adolescent therapist parent and a member of the national group PFLAG to build a common language and a new paradigm for understanding sexual orientation and gender identity as a part of mainstream culture Through the information exercises anecdotes and extensive bibliography of additional resources provided in the book parents school administrators and educators community groups and counselors will find the tools needed to facilitate nurturing and safe environments for our LGBT youth **This is a Book for Parents of Gay Kids** Dannielle Owens-Reid, Kristin Russo, 2014-09-09 Written in an accessible Q A format here finally is the go to resource for parents hoping to understand and communicate with their gay child Through their LGBTQ oriented site the authors are uniquely experienced to answer parents many questions and share insight and guidance on both emotional and practical topics Filled with real life experiences from gay kids and parents this is the book gay kids want their parents to read *Gay Male Pornography* Christopher N. Kendall, 2004 The 2000 case of Little Sisters Book and Art Emporium v Customs Canada provided Canada s highest court with its first opportunity to consider whether the analysis set out in R v Butler in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in Little Sisters as liberation and central to sexual freedom Gay Male Pornography rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice **Handbook of LGBT-Affirmative Couple and Family Therapy** Jerry J. The Social Ecology of Resilience Michael Ungar,2011-10-08 More than two decades after Michael Rutter 1987 published his summary of protective processes associated with resilience researchers continue to report definitional ambiguity in how to define and operationalize positive development under adversity The problem has been partially the result of a dominant

view of resilience as something individuals have rather than as a process that families schools communities and governments facilitate Because resilience is related to the presence of social risk factors there is a need for an ecological interpretation of the construct that acknowledges the importance of people s interactions with their environments The Social Ecology of Resilience provides evidence for this ecological understanding of resilience in ways that help to resolve both definition and measurement problems Anti-Discriminatory Practice in Counselling & Psychotherapy Colin Lago, Barbara

Smith, 2010-09-21 Anti Discriminatory Practice in Counselling and Psychotherapy is a groundbreaking text which identifies the ease with which individuals can be disadvantaged merely on the basis of their gender race culture age sexuality or ability Examining these and other areas of discrimination leading experts highlight how vital it is for counsellors psychotherapists and others in the helping professions to be aware of and engage with their own social political and cultural attitudes and how they must develop their skills as culturally sensitive reflective practitioners if counselling is to be truly accessible to all members of society This substantially revised and updated second edition now also includes chapters on working within an anti discriminatory approach with refugees people with mental health difficulties people with disfigurement or visible differences While each thought provoking chapter now links theory to practice by providing case studies and extracts from therapeutic dialogues assesses the most recent research findings provides exercises for enhancing awareness and skills within each different domain or care setting presents references for further recommended reading Clearly written and accessible Anti discriminatory Practice in Counselling and Psychotherapy is an indispensable addition to the toolkit of everyone either training to be or practising in the counselling and psychotherapeutic professions **An Introduction to**
