It is also controversial with many detractors who propose homeopathy has no mechanism of action. In *Proving Homeopathy*, the author presents the scientific basis for the mechanisms of action for homeopathy, proving that it has the therapeutic potential but only under the right conditions. Utilizing a compendium of scientific resources, the reader is taken through the fundamentals and the research, providing an invaluable resource for those who utilize homeopathy as either practitioners or patients. Note: This is not a diagnostic resource. *Staying Healthy God's Way* John J. Skorusa, 2002-07 *Staying Healthy God's Way* explains God's requirements for health and your responsibility to fulfill these requirements. It helps you set goals, prepare a plan to obtain good health, and motivates you to put your plan into action. This book offers hope for those that feel hopeless about living the abundant life that only God can provide. *Guide to Happiness* Deniza D.C. Fitu, 2014-03-12 This Guide has many messages, but one is supreme: To be happy, uplifted, and exultant with a true sense of deliverance. But how do we get there? First, we know the Sun is the Center of life for the planet Earth, and we human beings are the energy which has the free will to use it. The Sun is from God, who gives us energy. The energy formula is $E = mc^2$, where m is mass and c is speed of light (186,000 miles/sec). I believe mass is our Blessed Mother, who is m , and Christ is our c , the speed of light, and the Center of our personal Solar System. To have personal energy in our body, we must live in the Mass and Sun, the Blessed Mother's Son. How do we live? Happy, uplifted, and exultant with a true sense of deliverance. The secret of your happiness is to make from your pure heart a living place for God, Blessed Mother's Son, and you. The Guide responds to all your questions. Very original approach. I wish you the best. TOP 10 Eugen Susman. This book heals the human heart. Now I have energy and a new sense of discipline to reach
