designate what popular American culture now views as Thanksgiving in the United States The Pilgrim Chronicles Rod Gragg,2014-10-13 All Americans are familiar with the story of the Pilgrims persecuted for their religion in the Old World they crossed the ocean to settle in a wild and dangerous land But for most of us the story ends after their brutal first winter at Plymouth with a supposedly peaceful encounter with the Native Americans and a happy Thanksgiving Now through the vivid memoirs letters and personal accounts in The Pilgrim Chronicles you will discover the full compelling story of their anguished journey and heroic strength Award winning historian Rod Gragg brings the Pilgrims to life in this lavishly illustrated guide filled with moving eyewitness narratives From their persecution in England and painful exile in Holland to their voyage across the Atlantic and their struggle to survive among the Indians in an untamed wilderness Gragg takes you on the harrowing and inspiring journey of a people seeking religious freedom **A Little Commonwealth** John Demos,1999-09-09 The year 2000 marks the thirtieth anniversary of the publication of *A Little Commonwealth* by Bancroft Prize winning scholar John Demos This groundbreaking study examines the family in the context of the colony founded by the Pilgrims who came over on the Mayflower Basing his work on physical artifacts wills estate inventories and a variety of legal and official enactments Demos portrays the family as a structure of roles and relationships emphasizing those of husband and wife parent and child and master and servant The book s most startling insights come from a reconsideration of commonly held views of American Puritans and of the ways in which they dealt with one another Demos concludes that Puritan repression was not as strongly directed against sexuality as against the expression of hostile and aggressive impulses and he shows how this pattern reflected prevalent modes of family life and child rearing The result is an in depth study of the ordinary life of a colonial community located in the broader environment of seventeenth century America Demos has provided a new foreword and a list of further reading for this second edition which will offer a new generation of readers access to this classic study **The Pilgrims and Their History** Roland Greene Usher,1918 Plymouth Colony Kathleen Tracy,2006-09 This book describes the history and culture of the Plymouth Colony founded by Puritans who came to the New World in search of religious freedom and who became familiar with the natural resources of the area with the help of the American Indians
