The Evidence of Things Not Said Lawrie Balfour, 2018-08-06 The Evidence of Things Not Said employs the rich essays of James Baldwin to interrogate the politics of race in American democracy Lawrie Balfour advances the political discussion of Baldwin's work and regards him as a powerful political thinker whose work deserves full consideration Baldwin's essays challenge appeals to race blindness and formal but empty guarantees of equality and freedom They undermine white presumptions of racial innocence and simultaneously refute theories of persecution that define African Americans solely as innocent victims Unsettling fixed categories Baldwin's essays construct a theory of race consciousness that captures the effects of racial identity in everyday experience Balfour persuasively reads Baldwin's work alongside that of W E B Du Bois to accentuate how double consciousness works differently on either side of the color line She contends that the allusiveness and incompleteness of Baldwin's essays sustains the tension between general claims about American racial history and the singularity of individual experiences The Evidence of Things Not Said establishes Baldwin's contributions to democratic theory and situates him as an indispensable voice in contemporary debates about racial injustice *Punk Rock Cowgirl*

Kasey Lane, 2018-03-27 When Kendall Kelly's career as the free spirited punk country crossover queen ends in a fiery ball of doom and humiliation she has no place to go but back to her hometown Blackberry Cove California where she abandoned her secret husband years ago without so much as a note She's hoping to pick up the pieces of her shattered life and finally cut the last tie to the only man she ever loved As part owner of Kelly Family Farms Damian Sloan has spent the last few years rebuilding the floundering business into a growing organic farm He thought he'd moved on from his broken heart but when Kendall barges back into his life broken but beautiful as ever he soon realizes he hasn't forgotten Or forgiven Kendall threatens everything he's built but he can't quite turn her away Damian and Kendall must put aside their differences for the success of the farm they both depend on Maybe in the process they can rebuild what they tragically lost **Munsey's**
