tights could storm British TV screens and leave a nation helpless with laughter Brendan O Carroll performs to tens of thousands of people a night in packed out stadiums across the country In the last four years his TV show has become a number 1 ratings success and he s even making a movie But Brendan has had to battle hard for success The youngest of eleven children his mother was Maureen O Carroll a former nun who went on to become the first woman to be elected to the Irish parliament Brendan adored his strong widowed mother and she later became the inspiration for his indomitable character Agnes Brown However the family endured poverty reminiscent of Angela s Ashes and Brendan saw no option but to leave school at 12 to work He married young and for decades struggled to make ends meet Eventually bankrupt and desperate Brendan went to see a fortune teller who told him she could see his future achieving worldwide success as a comedian and actor At first Brendan laughed at the notion but then he thought of how much his friends loved his gags and decided to give it a go This is the magical story of how a loveable Irishman with a wig and a wit as caustic as battery acid surprised everyone most of all himself by becoming one of the best loved comedians in the world It is a story of hardship heartbreak and talent and will remind readers afresh that sometimes the facts can be even more extraordinary than the fiction Fraser's Magazine for Town and Country ,1858 **Ricoeur on Time and Narrative** William C.

Dowling,2011-10-30 The object of this book writes William C Dowling in his preface is to make the key concepts of Paul Ricoeur s Time and Narrative available to readers who might have felt bewildered by the twists and turns of its argument The sources of puzzlement are he notes many For some it is Ricoeur s famously indirect style of presentation in which the polarities of argument and exegesis seem so often and so suddenly to have reversed themselves For others it is the extraordinary intellectual range of Ricoeur s argument drawing on traditions as distant from each other as Heideggerian existentialism French structuralism and Anglo American analytic philosophy Yet beneath the labyrinthian surface of Ricoeur s Temps et r cit Dowling reveals a single extended argument that though developed unsystematically is meant to be understood in systematic terms Ricoeur on Time and Narrative presents that argument in clear and concise terms in a way that will be enlightening both to readers new to Ricoeur and those who may have felt themselves adrift in the complexities of Temps et r cit Ricoeur s last major philosophical work Dowling divides his discussion into six chapters all closely involved with specific arguments in Temps et r cit on mimesis time narrativity semantics of action poetics of history and poetics of fiction Additionally Dowling provides a preface that lays out the French intellectual context of Ricoeur s philosophical method An appendix presents his English translation of a personal interview in which Ricoeur having completed Time and Narrative looks back over his long career as an internationally renowned philosopher Ricoeur on Time and Narrative communicates to readers the intellectual excitement of following Ricoeur s dismantling of established theories and arguments Aristotle and Augustine and Husserl on time Frye and Greimas on narrative structure Arthur Danto and Louis O Mink on the nature of historical explanation while coming to see how under the pressure of Ricoeur s analysis these ideas are reconstituted and
