How to Look Hot in a Minivan Janice Min, 2012-09-18. In 2003 as the newly named editor in chief of Us Weekly magazine, Janice Min was busy documenting a seismic cultural shift: the making of the Hollywood Mom. Think Angelina Jolie, Victoria Beckham, Halle Berry and Beyoncé stars who proudly displayed their pregnancies, shed the baby weight overnight and helped turn the once frumpy bump industry into seriously big business. In the blink of an eye it seemed skinny jeans had replaced mom jeans. Bugaboos had become status symbols. Motherhood itself had become an exciting style statement. And then just eight weeks after her big promotion, Janice discovered that she was pregnant too. I started ogling with morbid fascination the photographs that flooded my office: red carpet and paparazzi shots of celebrities in bikinis and bandage dresses mere weeks after giving birth. She writes: I'd stare at my own ever expanding body. Then I'd stare at Heidi Klum who gave birth one month before my due date and managed to bounce back before I'd even hit the delivery room. How did these women do it? I wondered. How to Look Hot in a Minivan was born. With her trademark self-deprecating style and tongue-in-cheek humor, Janice set out to debunk some of Hollywood's biggest mommy myths. Then she brought together the industry's biggest experts in fitness, fashion, beauty and all things baby to divulge the secrets behind the stars' seemingly effortless postpartum style. Serving up practical, honest and often surprising advice for new moms everywhere, Janice and her arsenal of experts reveal: The 10 Wardrobe Essentials every chic mom should own. How to style red carpet worthy hair even on school days. The secrets to hiding a postnatal stomach pooch. The truth behind the C-tuck. Do celebrity moms sometimes slim down courtesy of a combination cesarean section tummy tuck? Hollywood's Biggest Losers: What did it really take for stars like Kate Hudson, Milla Jovovich and Poppy Montgomery to lose the baby weight? In How to Look Hot in a Minivan, Min dispels the idea that looking great post pregnancy is only for the rich.

the pampered and the lucky With Min's guilt free stay sane strategies moms everywhere can look and feel like stars whether their baby is six months or sixteen years Strength Summer Carswell, 2022-08-01 I have faced many hardships in my life My time on this Earth has only been for forty three years but it has been a tough one I have faced many adversities in my life and I have come through those adversities stronger and more determined I am a single mother to a beautiful sixteen year old girl who more times than not has saved my life This book is about my struggle with mental illness I have been through cancer deep depression anxiety anorexia and bulimia My hope is that my story will find its way to someone who may need to feel like they are not alone We all face demons in this life but it is up to us on how we choose to face those demons I have had times when I felt like I had no one and I felt lost and wanted to simply give up I knew that my story could not end with regret and giving up I have so much more to offer in this life and I see it in my daughter's eyes every day I am relying on my faith in God to lead me through the darkness and with His help I can help lead others through theirs My weakest moments brought me into my strongest moments For those who think that they are alone I am here to let you know that you are not alone and I know that through this book you can realize that We are worthy in God's love
