**Dink Den**

## **Reality And Comic Confidence In Charles Dickens:**

**Reality and Comic Confidence in Charles Dickens** Peter James Malcolm Scott,1979      **Dickens and the Dialectic of Growth** Badri Raina,1986 In his works from *Oliver Twist* to *Our Mutual Friend* Charles Dickens reveals a continuum of artistic as well as social development over a period of four decades In this highly original study Badri Raina relates Dickens novels thoroughly to one another illuminating the works by seeing them in terms of the author s changing social outlook personal attitudes and aesthetic practice Raina s book will fascinate readers of Dickens and will serve social historians as well The unifying point of Raina s study is Dickens ambivalence toward respectable Victorian bourgeois society he criticized the bourgeois myths of unbridled success and achievement through aggressive individualism yet wished to be a great success himself Raina argues that Dickens projected this personal ambivalence through the creation of key characters and combinations of characters in his novels creating also a continual movement toward self awareness and self criticism This personal movement argues Raina found expression in a steady improvement in the quality of Dickens art Two of the most interesting issues in Dickens studies that of his development as a novelist and that of his mass appeal in combination with towering aesthetic achievement are both addressed thoroughly in this lucid and highly readable book By following common threads of plot and character through the novels Raina demonstrates how Dickens matured both socially and artistically until in his last finished novel *Our Mutual Friend* social values that were earlier espoused for instance in *Oliver Twist* were wholly and willingly rejected Raina s critical procedure illuminates not just the career of a Victorian novelist but one who embraces traverses and evaluates the social climate of a critical period of the nineteenth century      *Dickens and Romantic Psychology* Dink Den,1987-02-23      *Shakespeare and Dickens* Valerie L. Gager,1996-06-06 This 1996 book traces Dickens interest in Shakespeare through his own reading and performance and through theatrical literary and artistic sources

**Routledge Revivals: Barnaby Rudge (1987 )** Thomas Jackson Rice,2018-02-01 Originally published in 1987 *Barnaby Rudge* is a comprehensive collection of bibliographical resources surrounding Dickens fifth novel *Barnaby Rudge* The book addresses what the author terms a prevalent lack of research surrounding the novel The collection lists bibliographic references which not only looks at the novel itself but also covers older resources that interested Dicken s first critics such as the originality of the settings and characters The book s core focus is examining the novel s historical subject matter in the context of the social and political context in which it was written The book acts as a core resource for research on *Barnaby Rudge*

*Charles Dickens and the Form of the Novel* Graham Daldry,2016-08-05 First published in 1987 While there have been commentaries on his humour his seriousness his social concerns and other specific aspects of his work such accounts have only tended to divide our understanding of the novels to lead us to see them as failures of artistic unity In this book the author seeks to address this question of unity and find a terminology that can treat language plot and representation of reality as a coherent imaginative effort This thesis is worked out in detail with reference to several of the novels and

represents a challenging re evaluation Dickens achievement as a novelist This book will be of interest to student of literature

Great Expectations - Charles Dickens Harold Bloom, 2009 Possibly Dickens's greatest novelistic achievement      **Comic Faith** Robert M. Polhemus, 1982-10 Polhemus sketches several distinctions between nineteenth and twentieth century novelists and concludes that what most characterizes the nineteenth century from the perspective of the twentieth is the tendency in its comic fiction to criticize and to undermine the dogma and institutions of religion and to put faith instead of the existence of the comic perspective Comic Faith is a virtuoso performance of impressive stature I suspect the book will be influential for many years to come John Halperin *Modern Fiction Studies*      Comedy, an Annotated Bibliography of Theory and Criticism James E. Evans, 1987 No descriptive material is available for this title      Jane Austen, a Reassessment Peter James Malcolm Scott, 1982-01-01 This book lifts Austen studies to a level of debate which is exciting happy and tough That she is one of the greatest philosopher novelists of the Romantic Age is Peter Scott's conviction He reads *Mansfield Park* as a ripe complex argument about discipline *Sense and Sensibility* is valued as one of the great tragic novels of Europe and *Emma* is viewed as brilliant but specious      **Bleak House** Charles Dickens, 1993 A classic novel about the Chancery court and its cases while dwelling upon the romantic side of familiar things      **Dickens: Bleak House** Graham Storey, 1987 A detailed analysis of the principal themes and unique structure of Dickens's *Bleak House*      The Changing World of Charles Dickens Robert Giddings, 1983      *Dickens Studies Newsletter*, 1982      **Dissertation Abstracts International**, 1977      **The British National Bibliography** Arthur James Wells, 1968      Subject Guide to Books in Print, 1983      **Guide to British Prose Fiction Explication** Lynn Beene, 1997      Cumulative Bibliography of Victorian Studies, 1976      **Miscellaneous Papers from The Morning Chronicle, The Daily News, The Examiner, Household Words, All the Year Round, Etc** Charles Dickens, 1983
